Don't cause any more meaningless deaths.

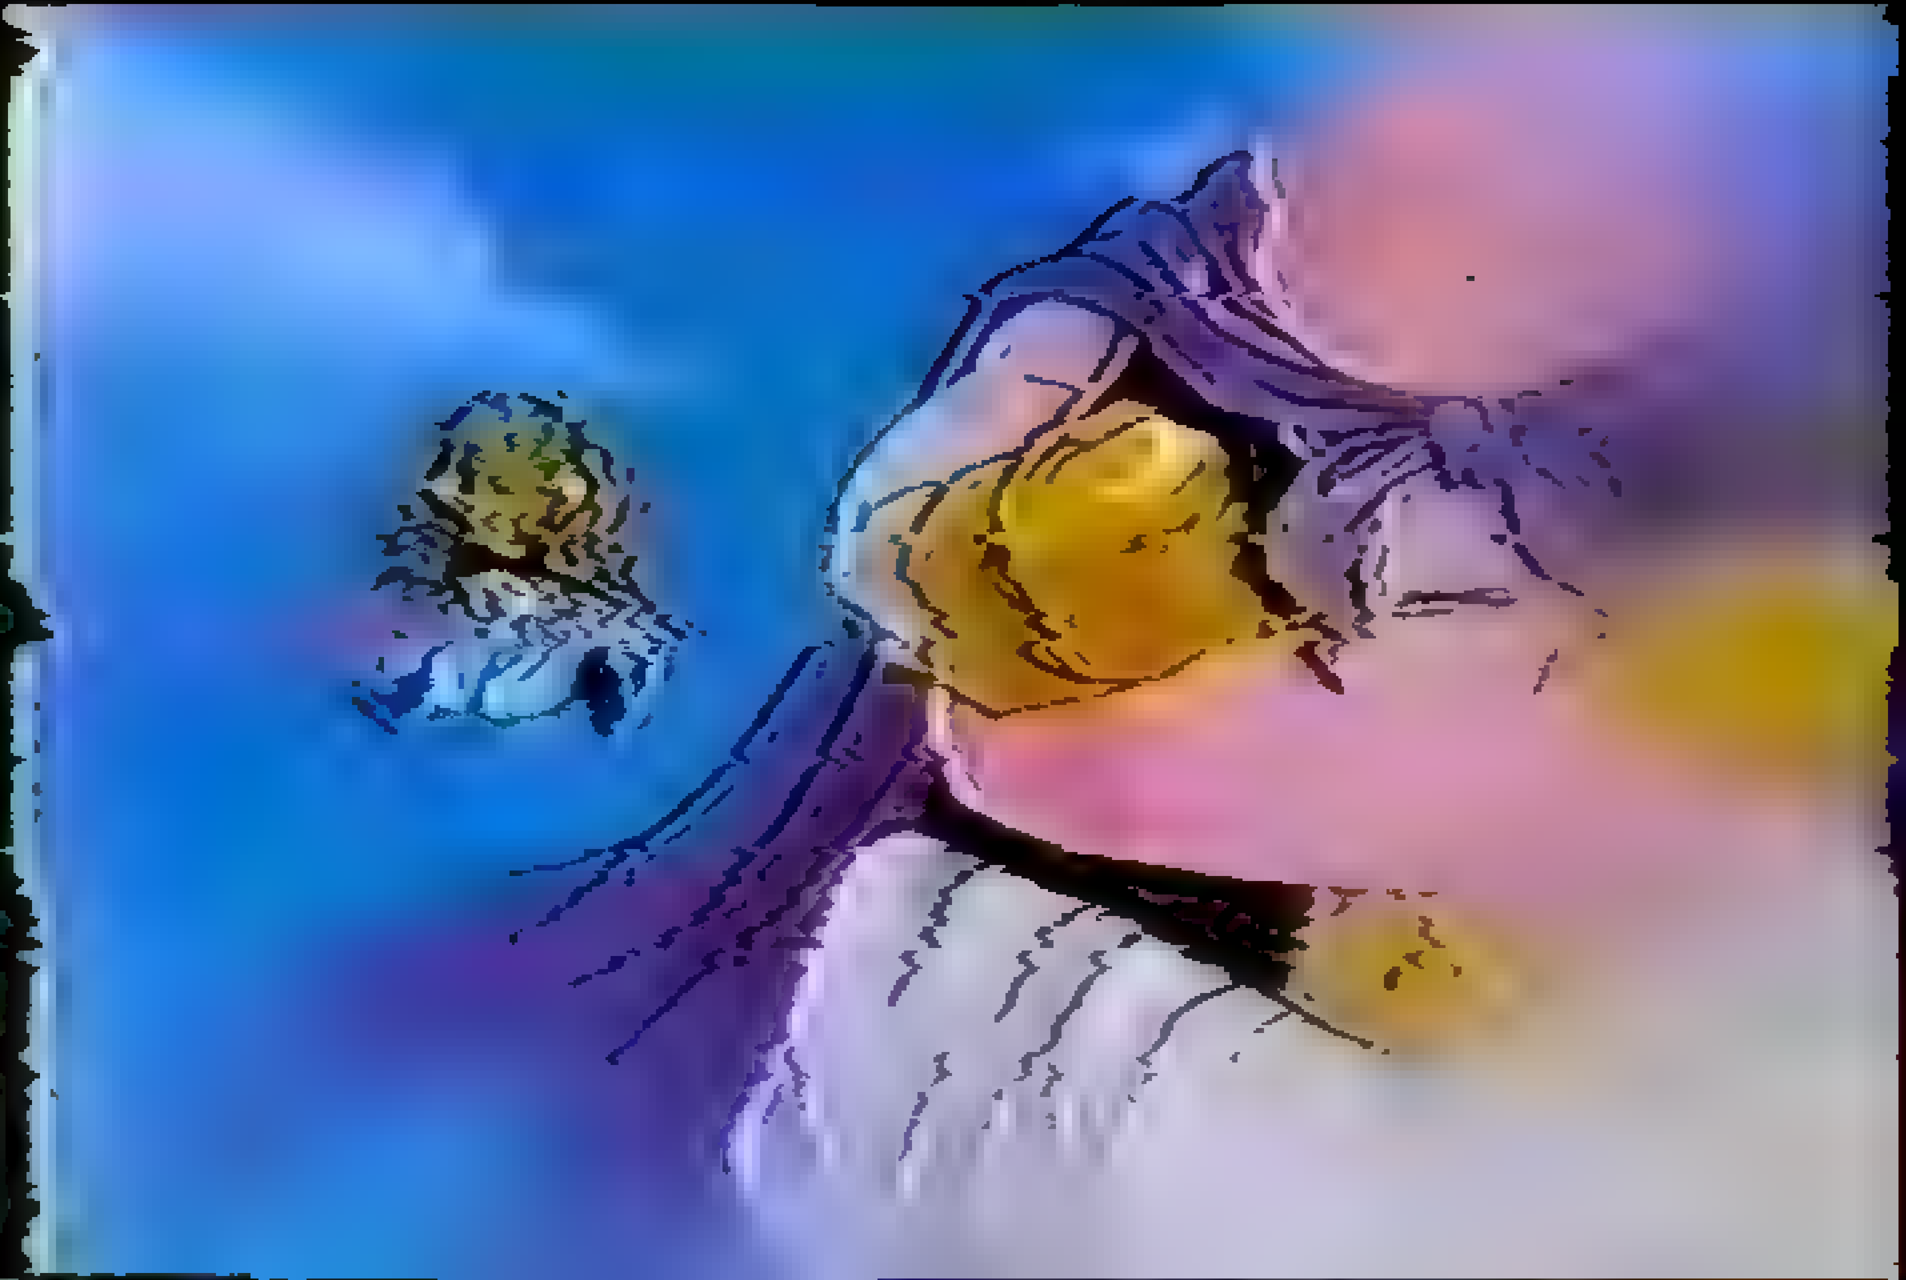

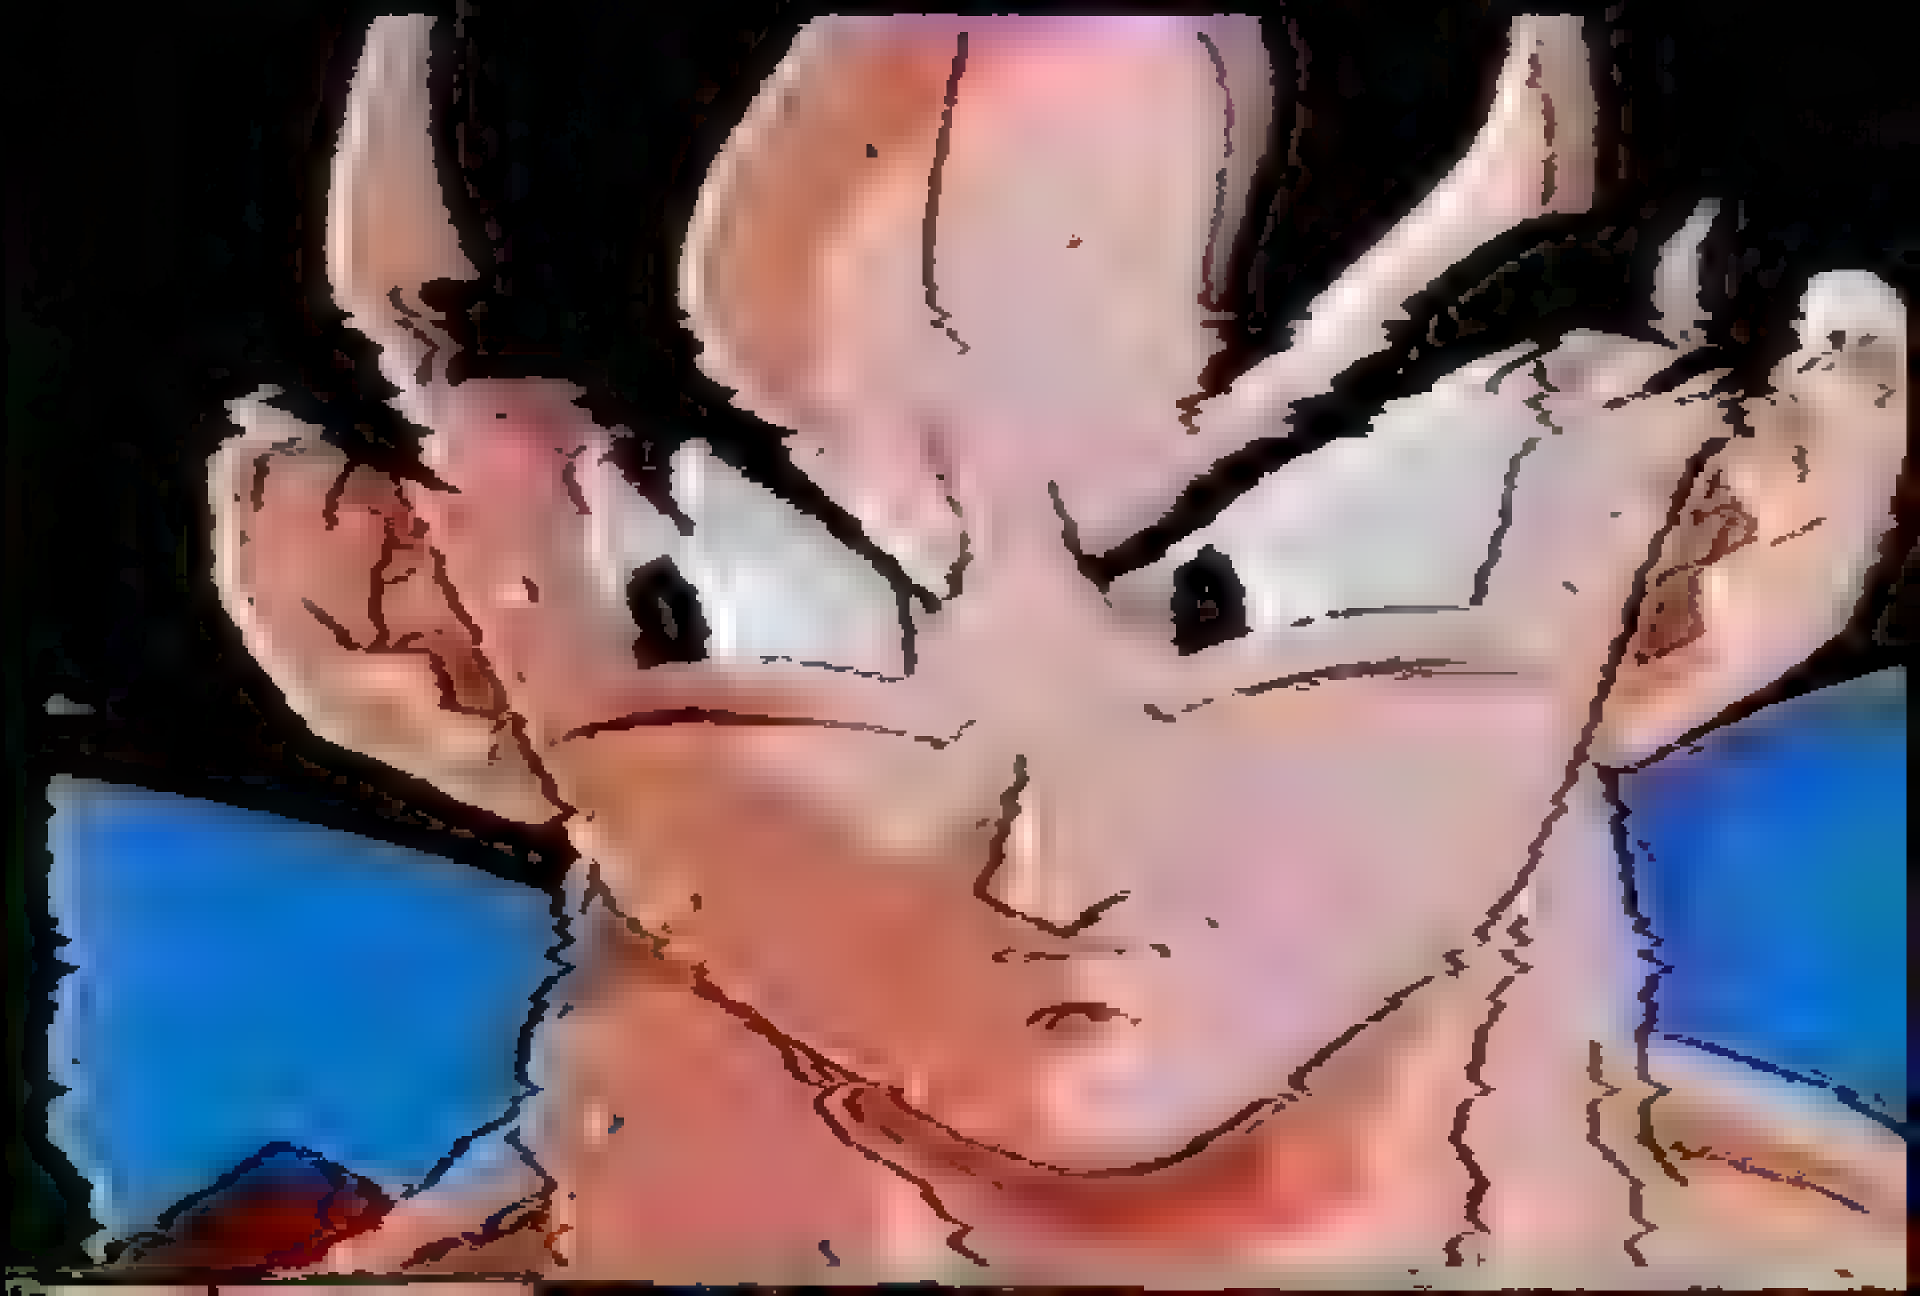

In just two more days they'll

Yea! Yea!

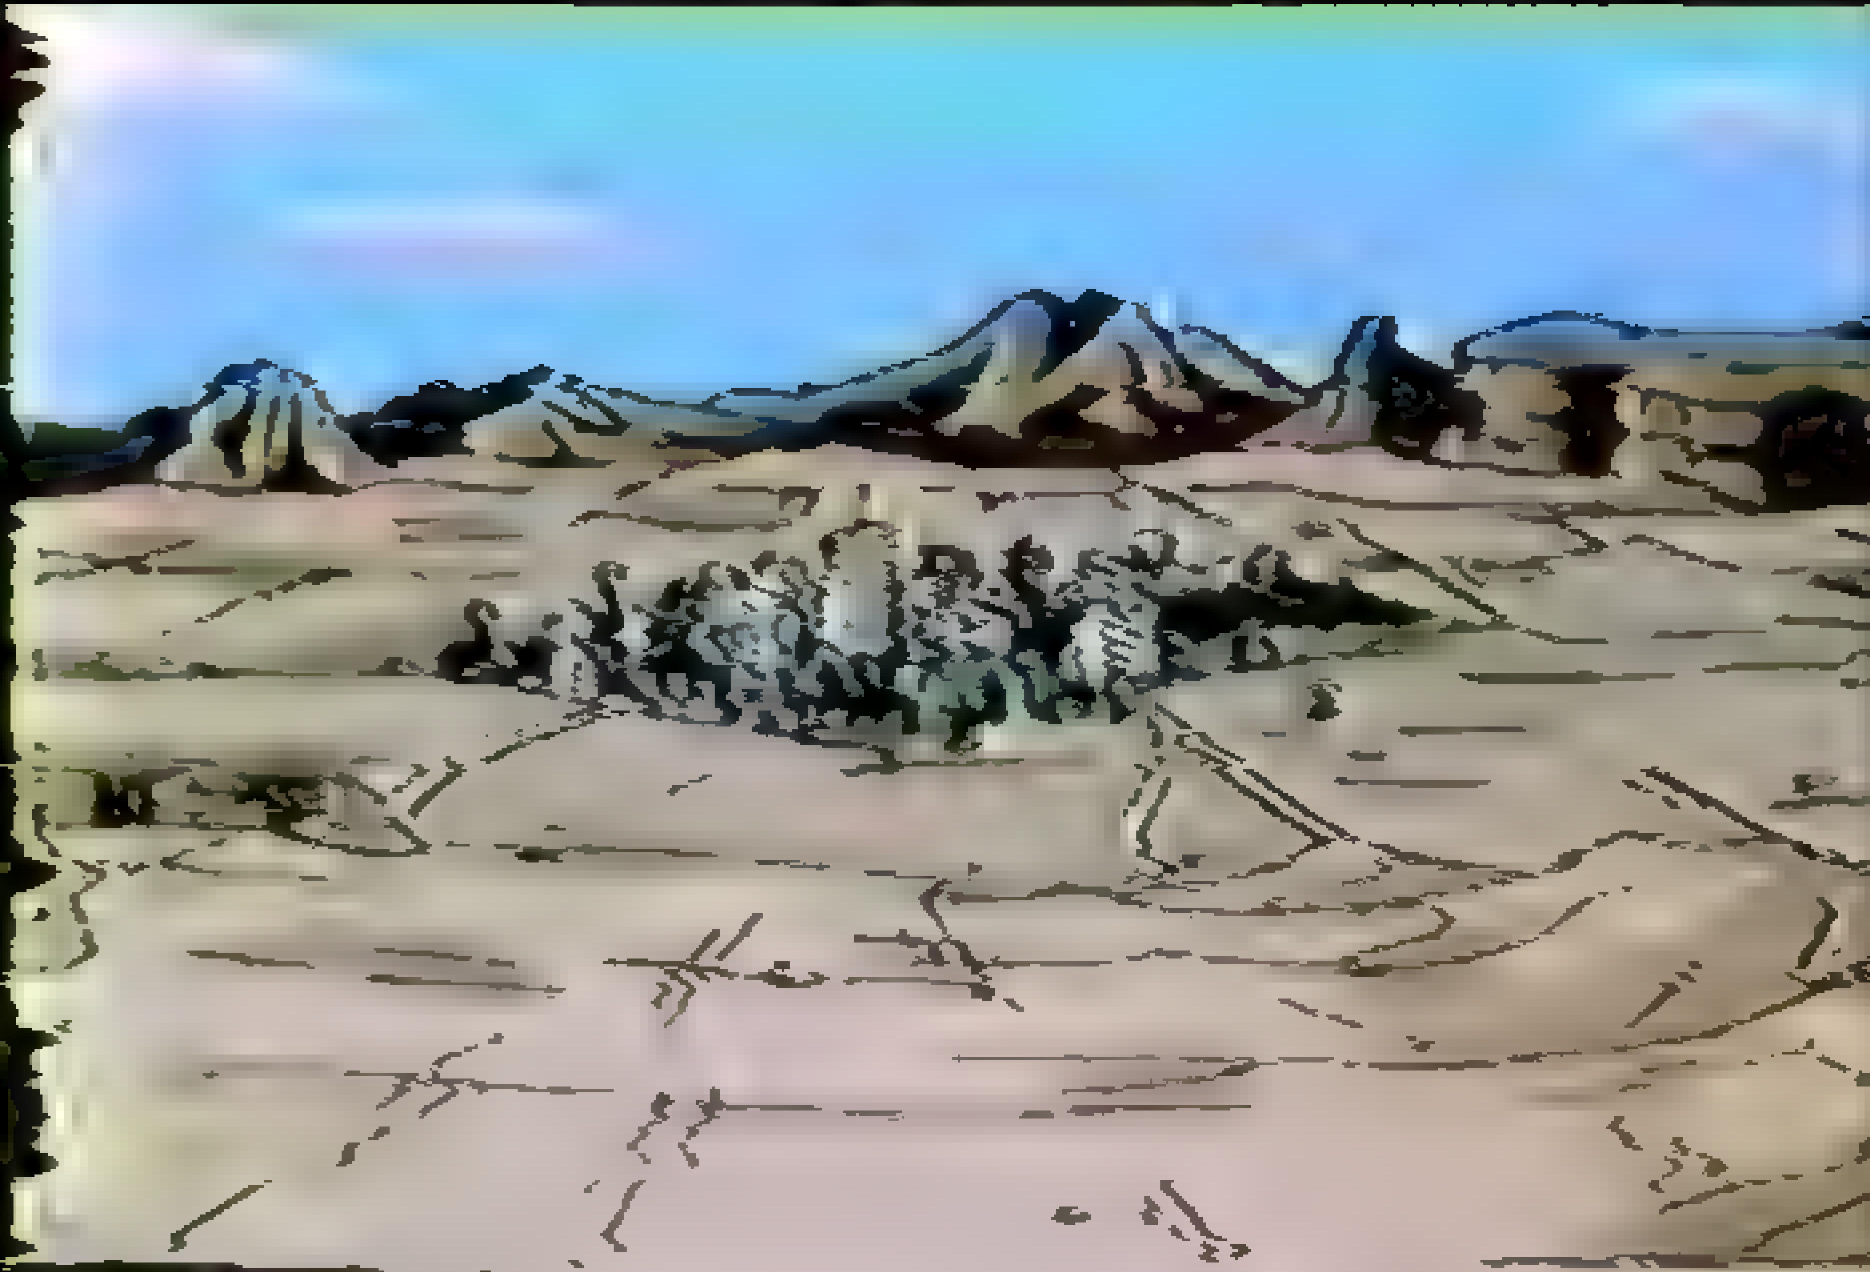

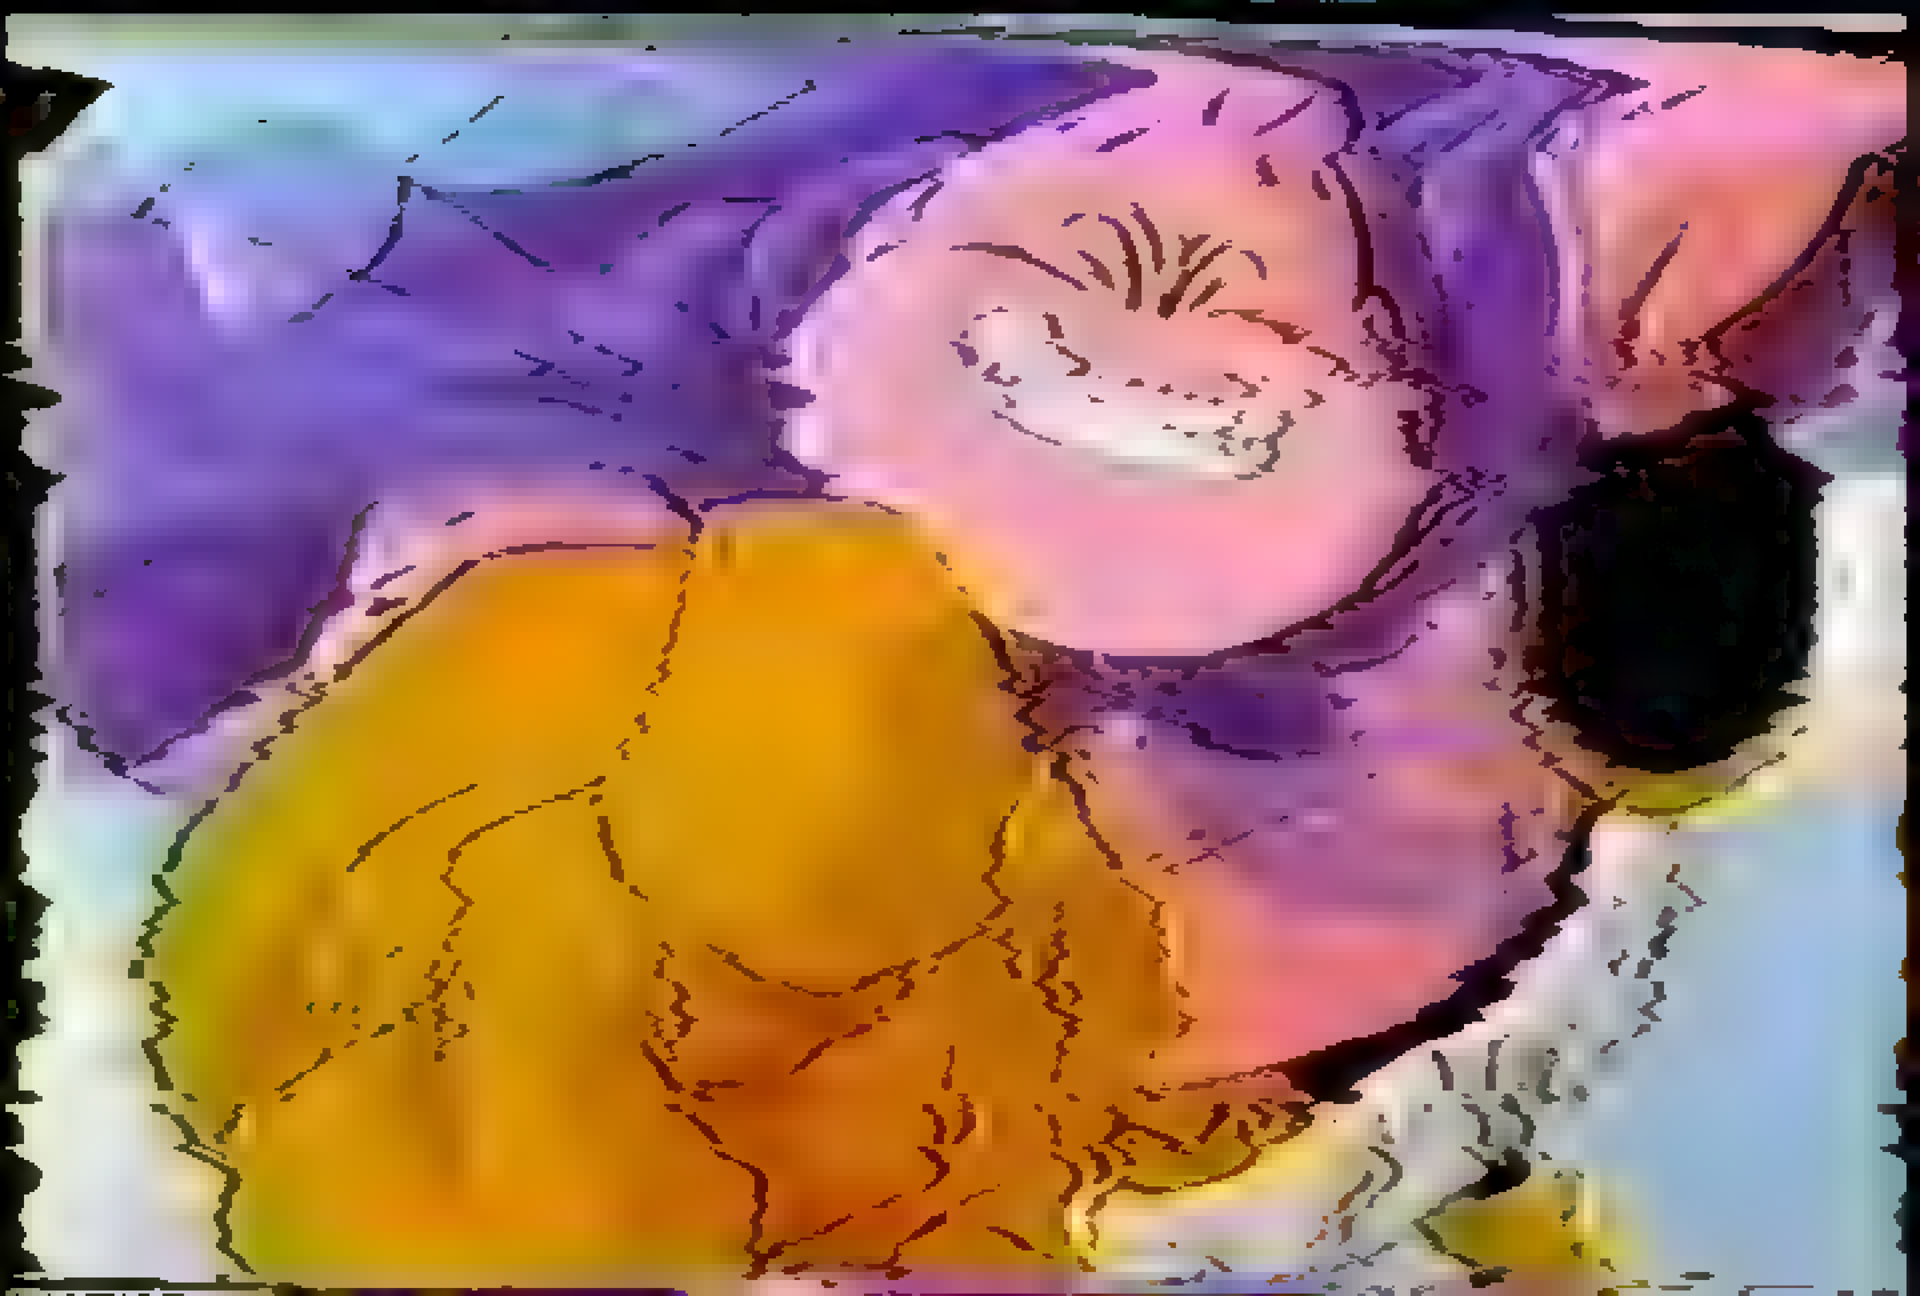

Yeah Yeah

What should I destroy first?

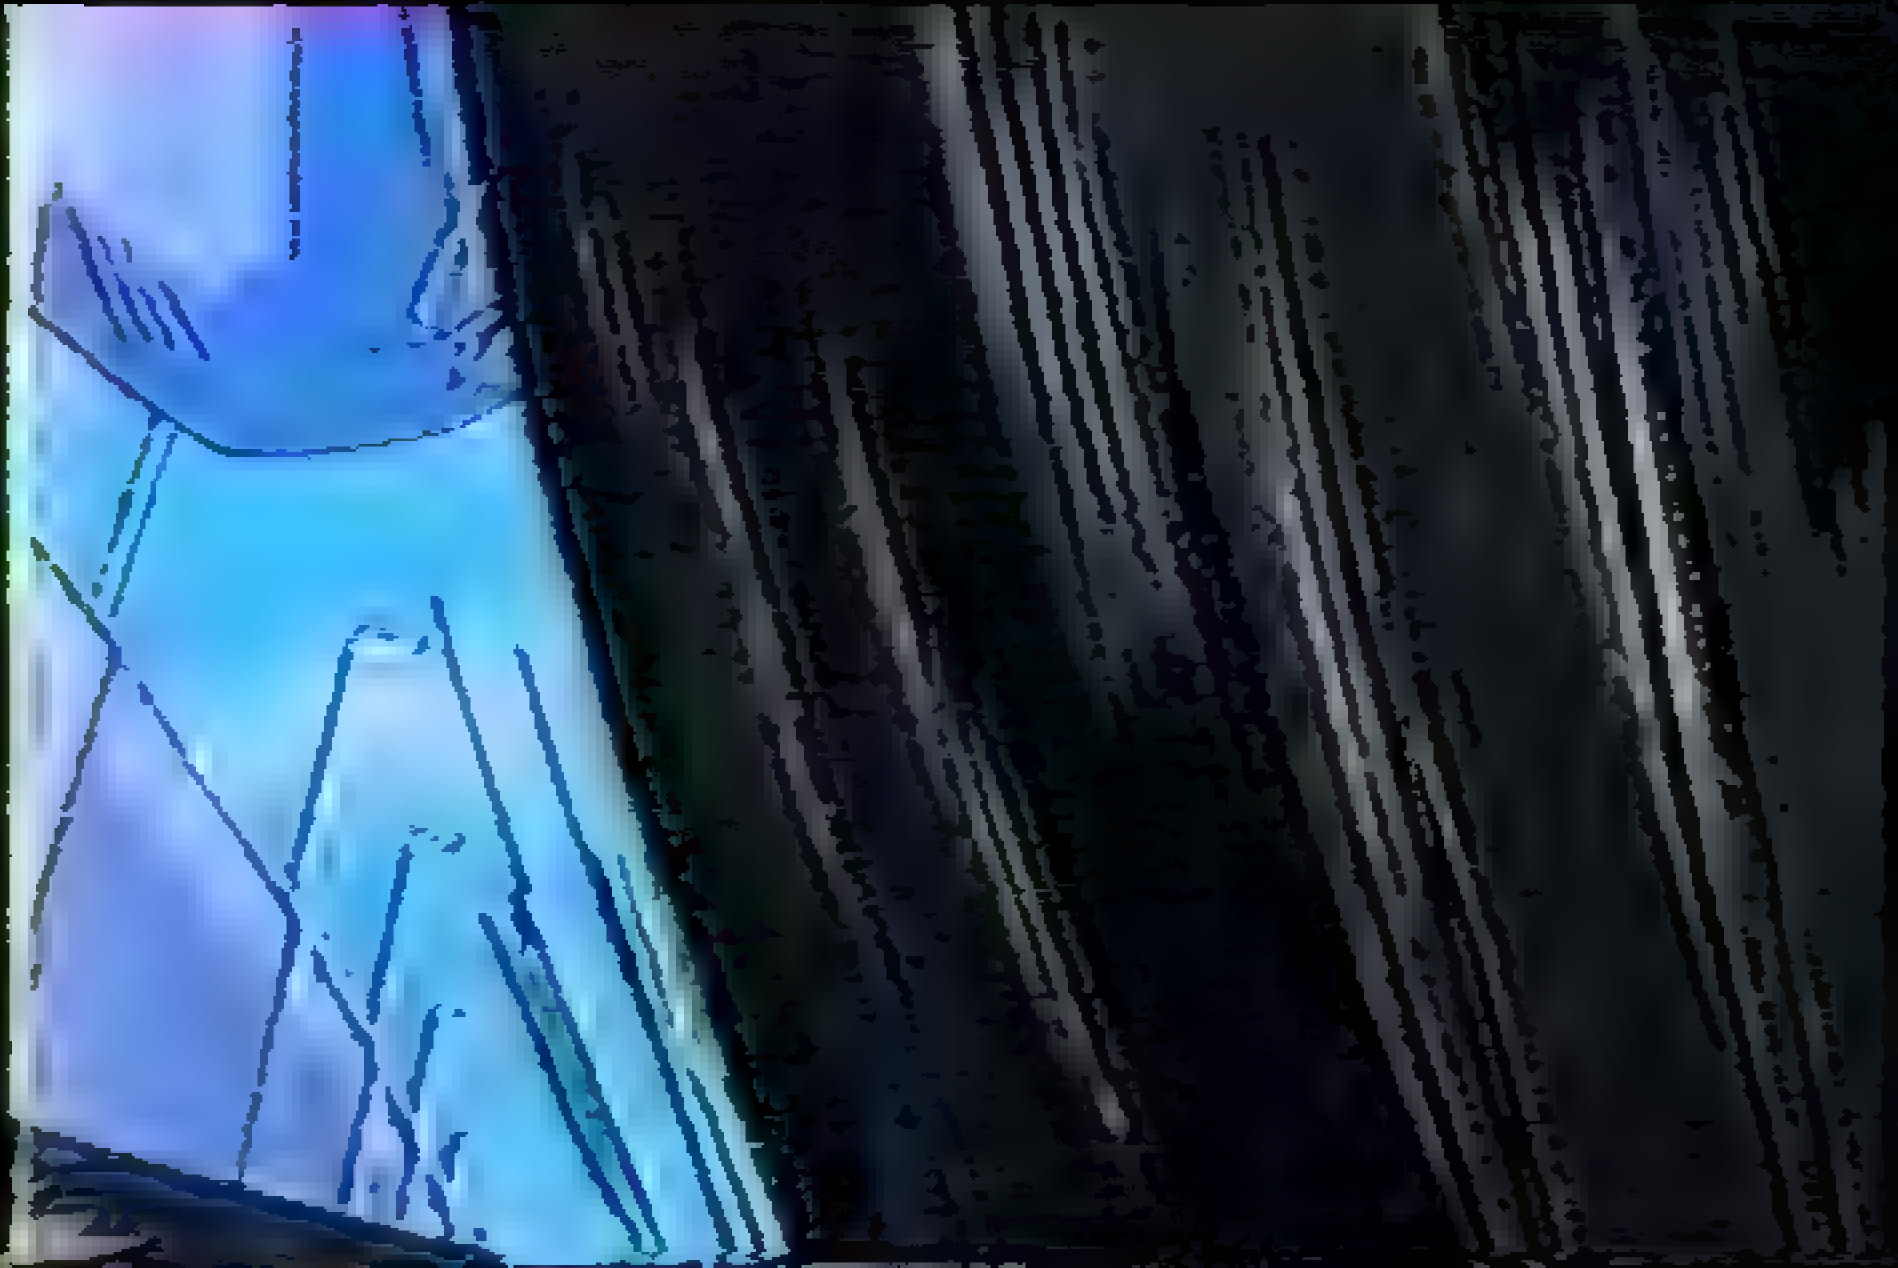

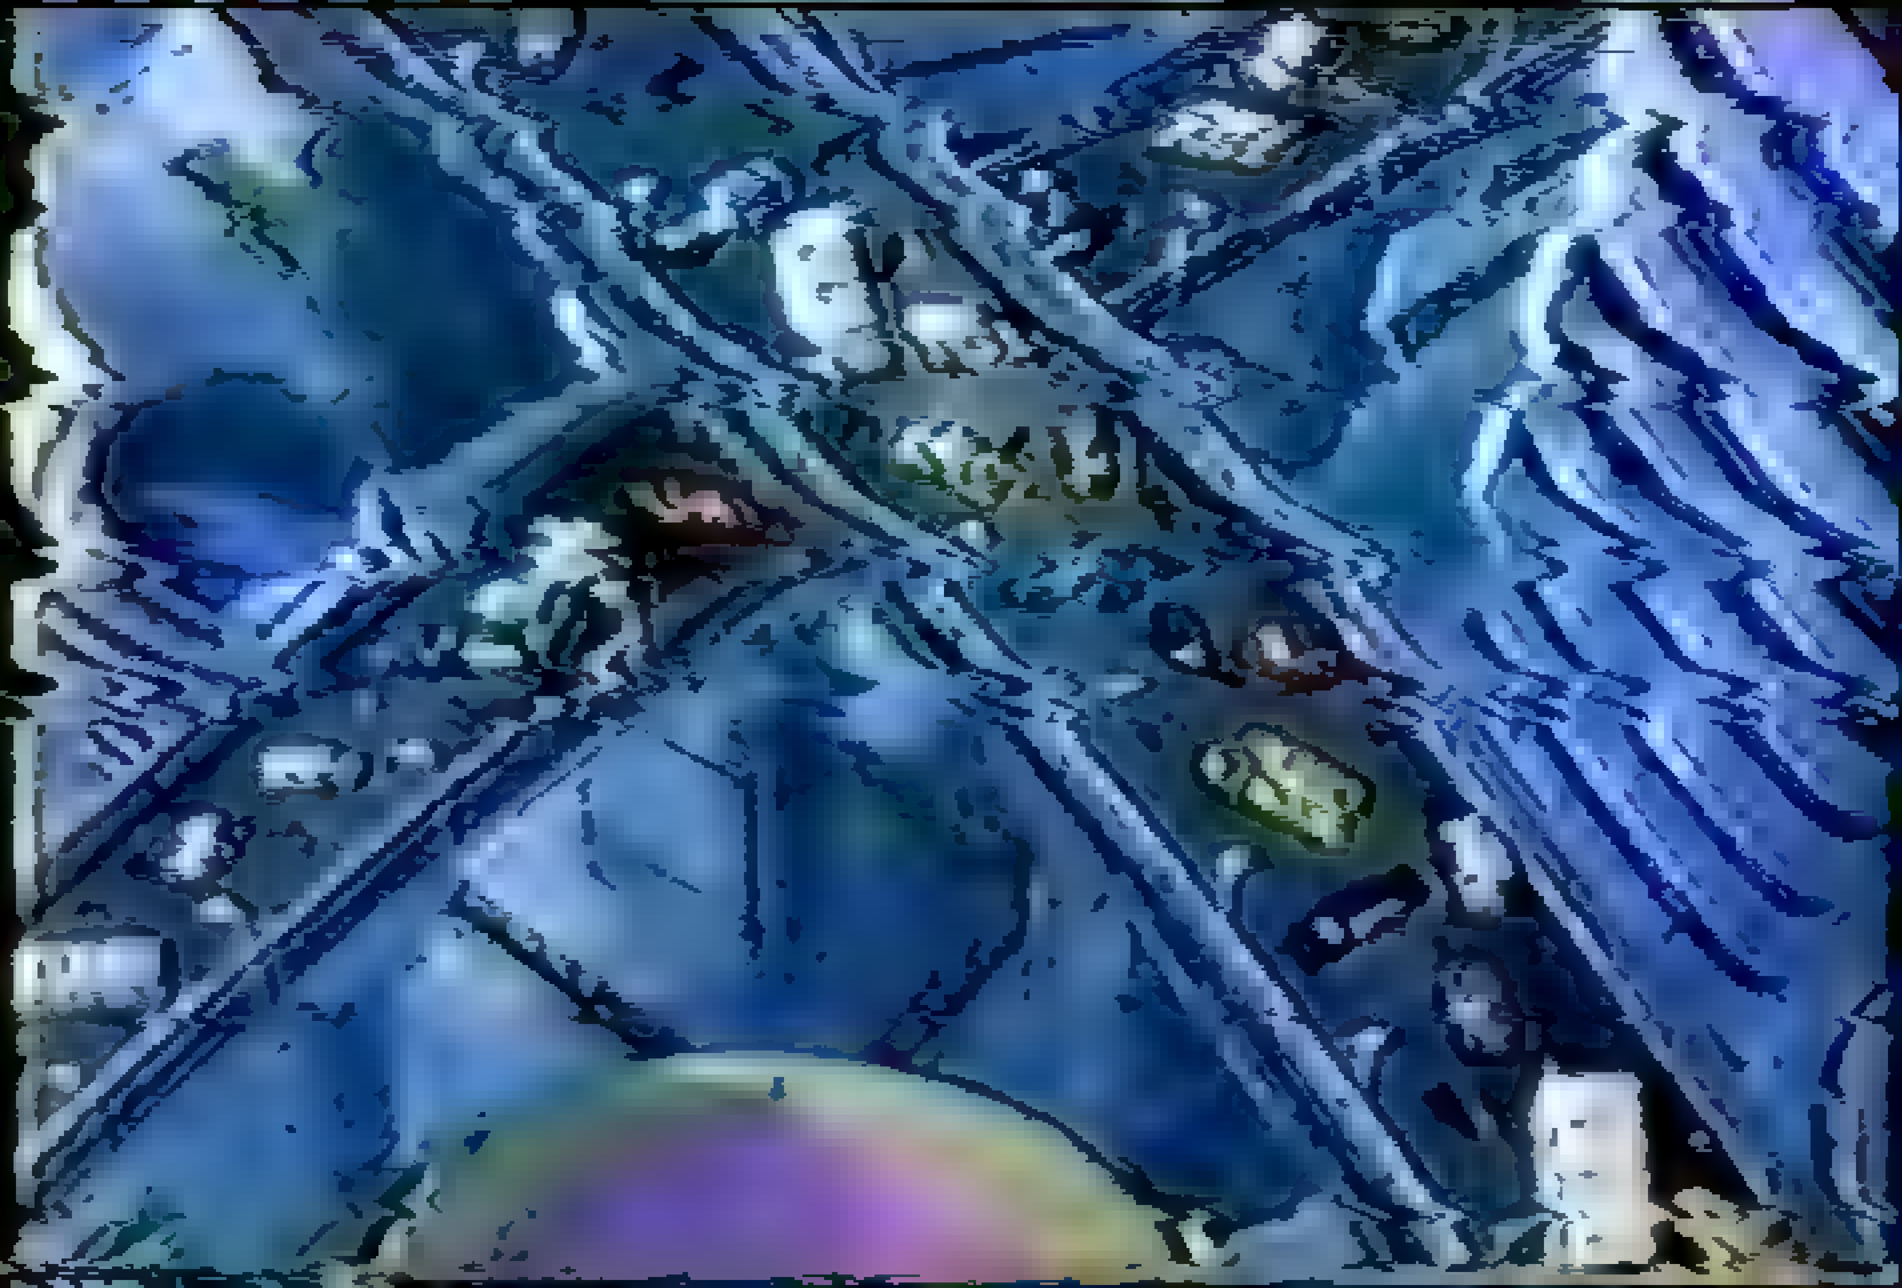

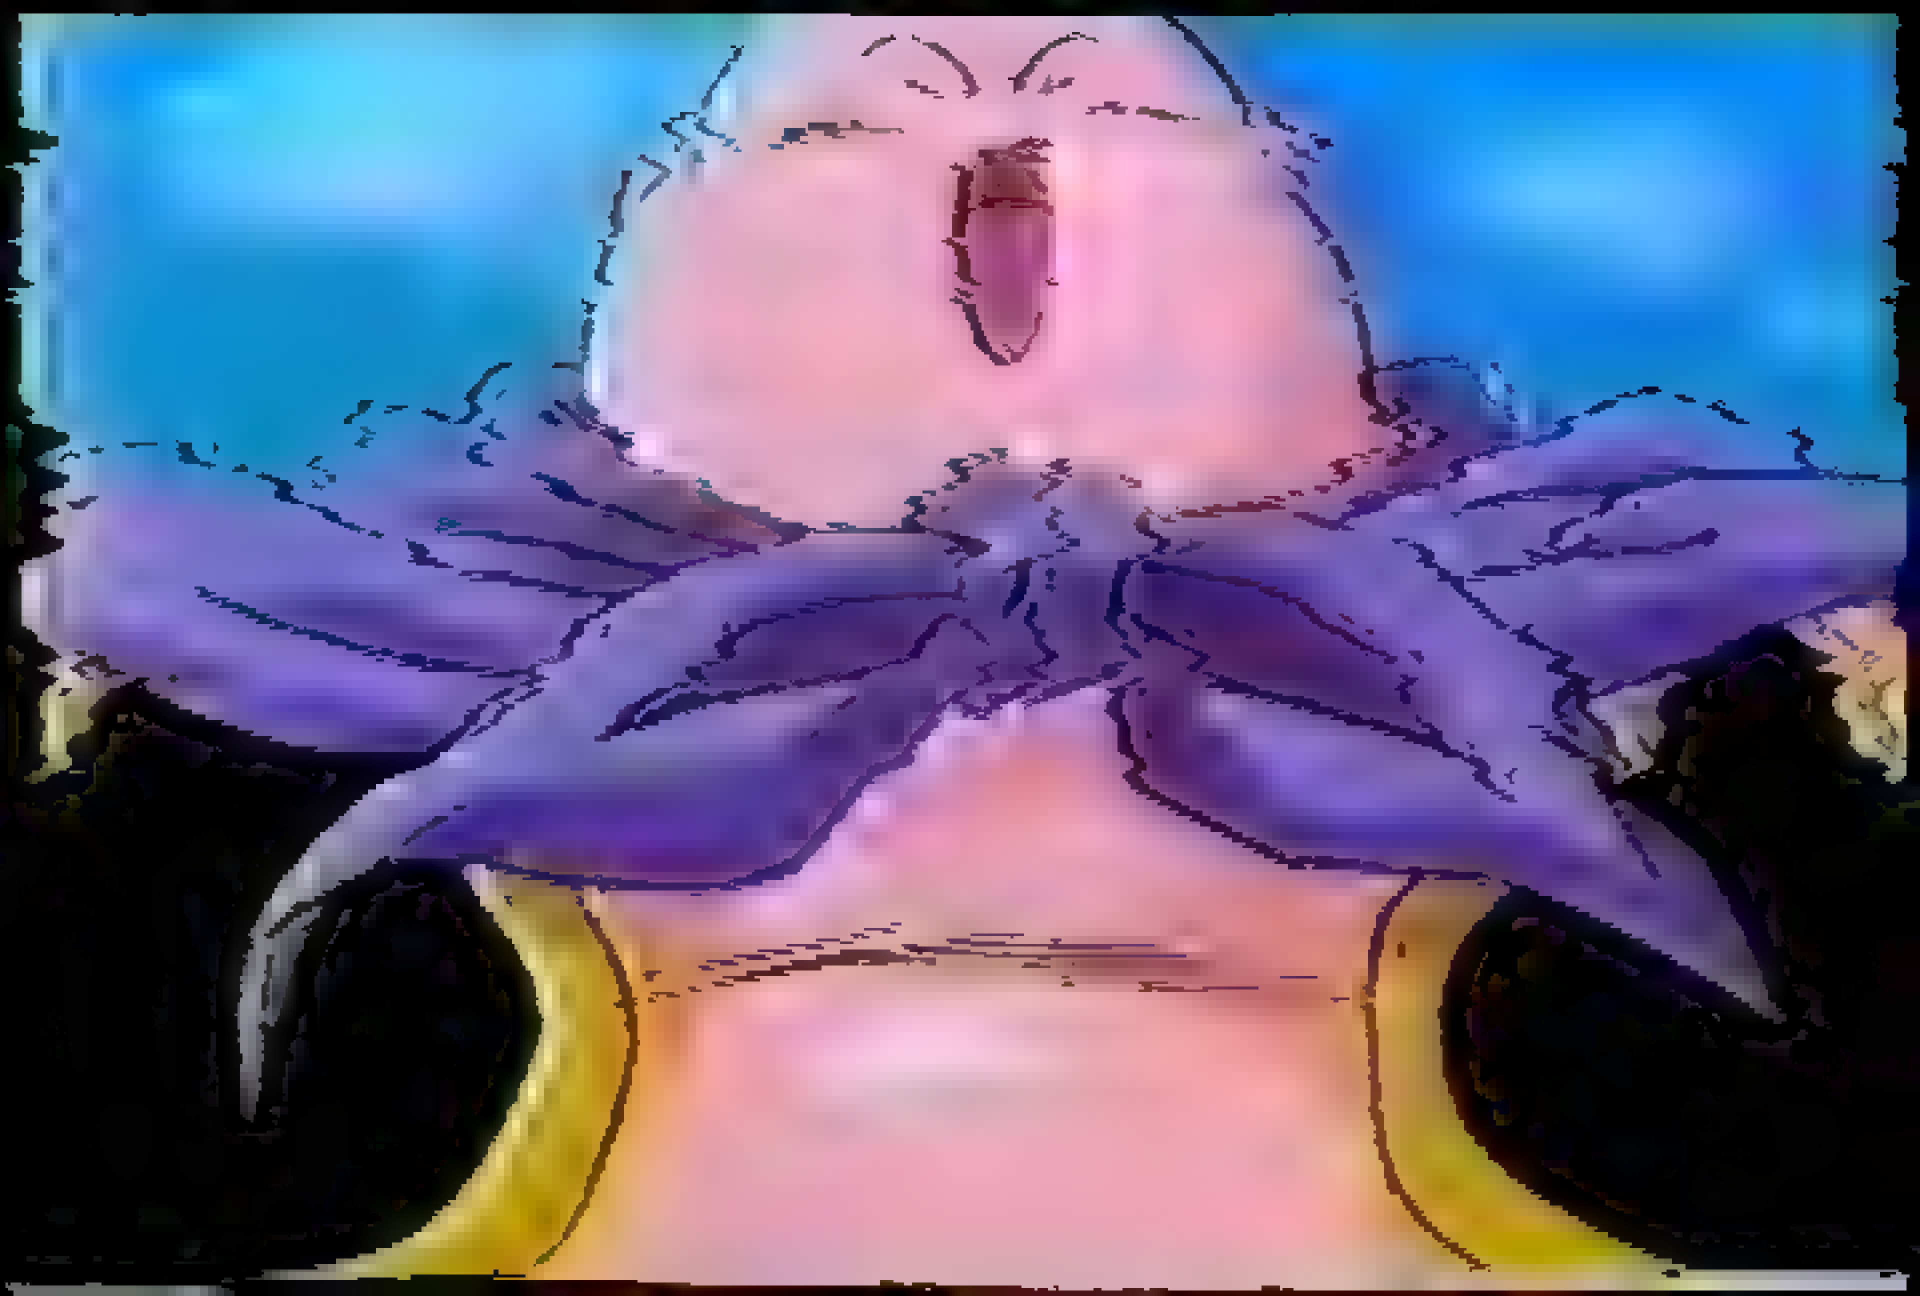

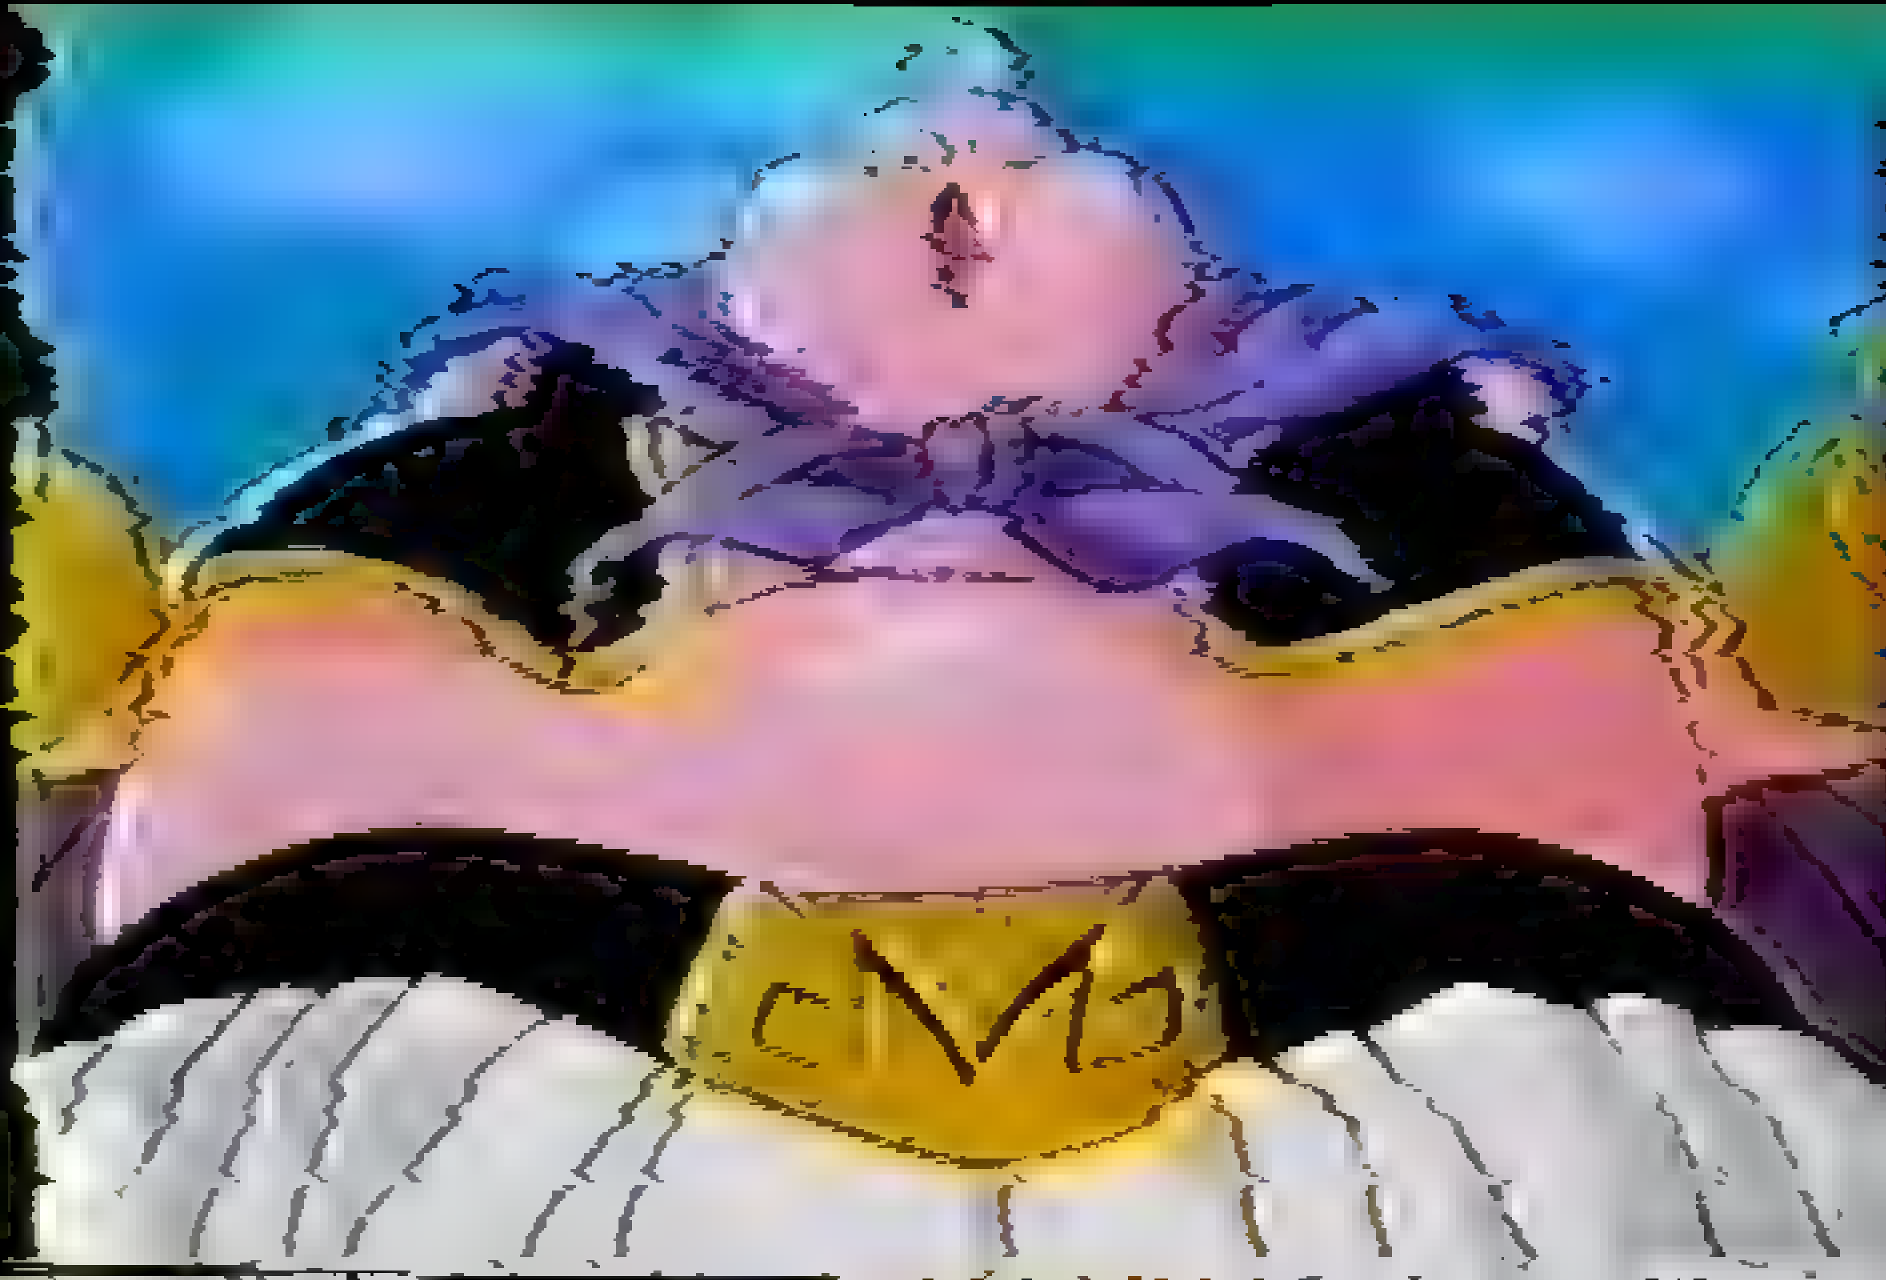

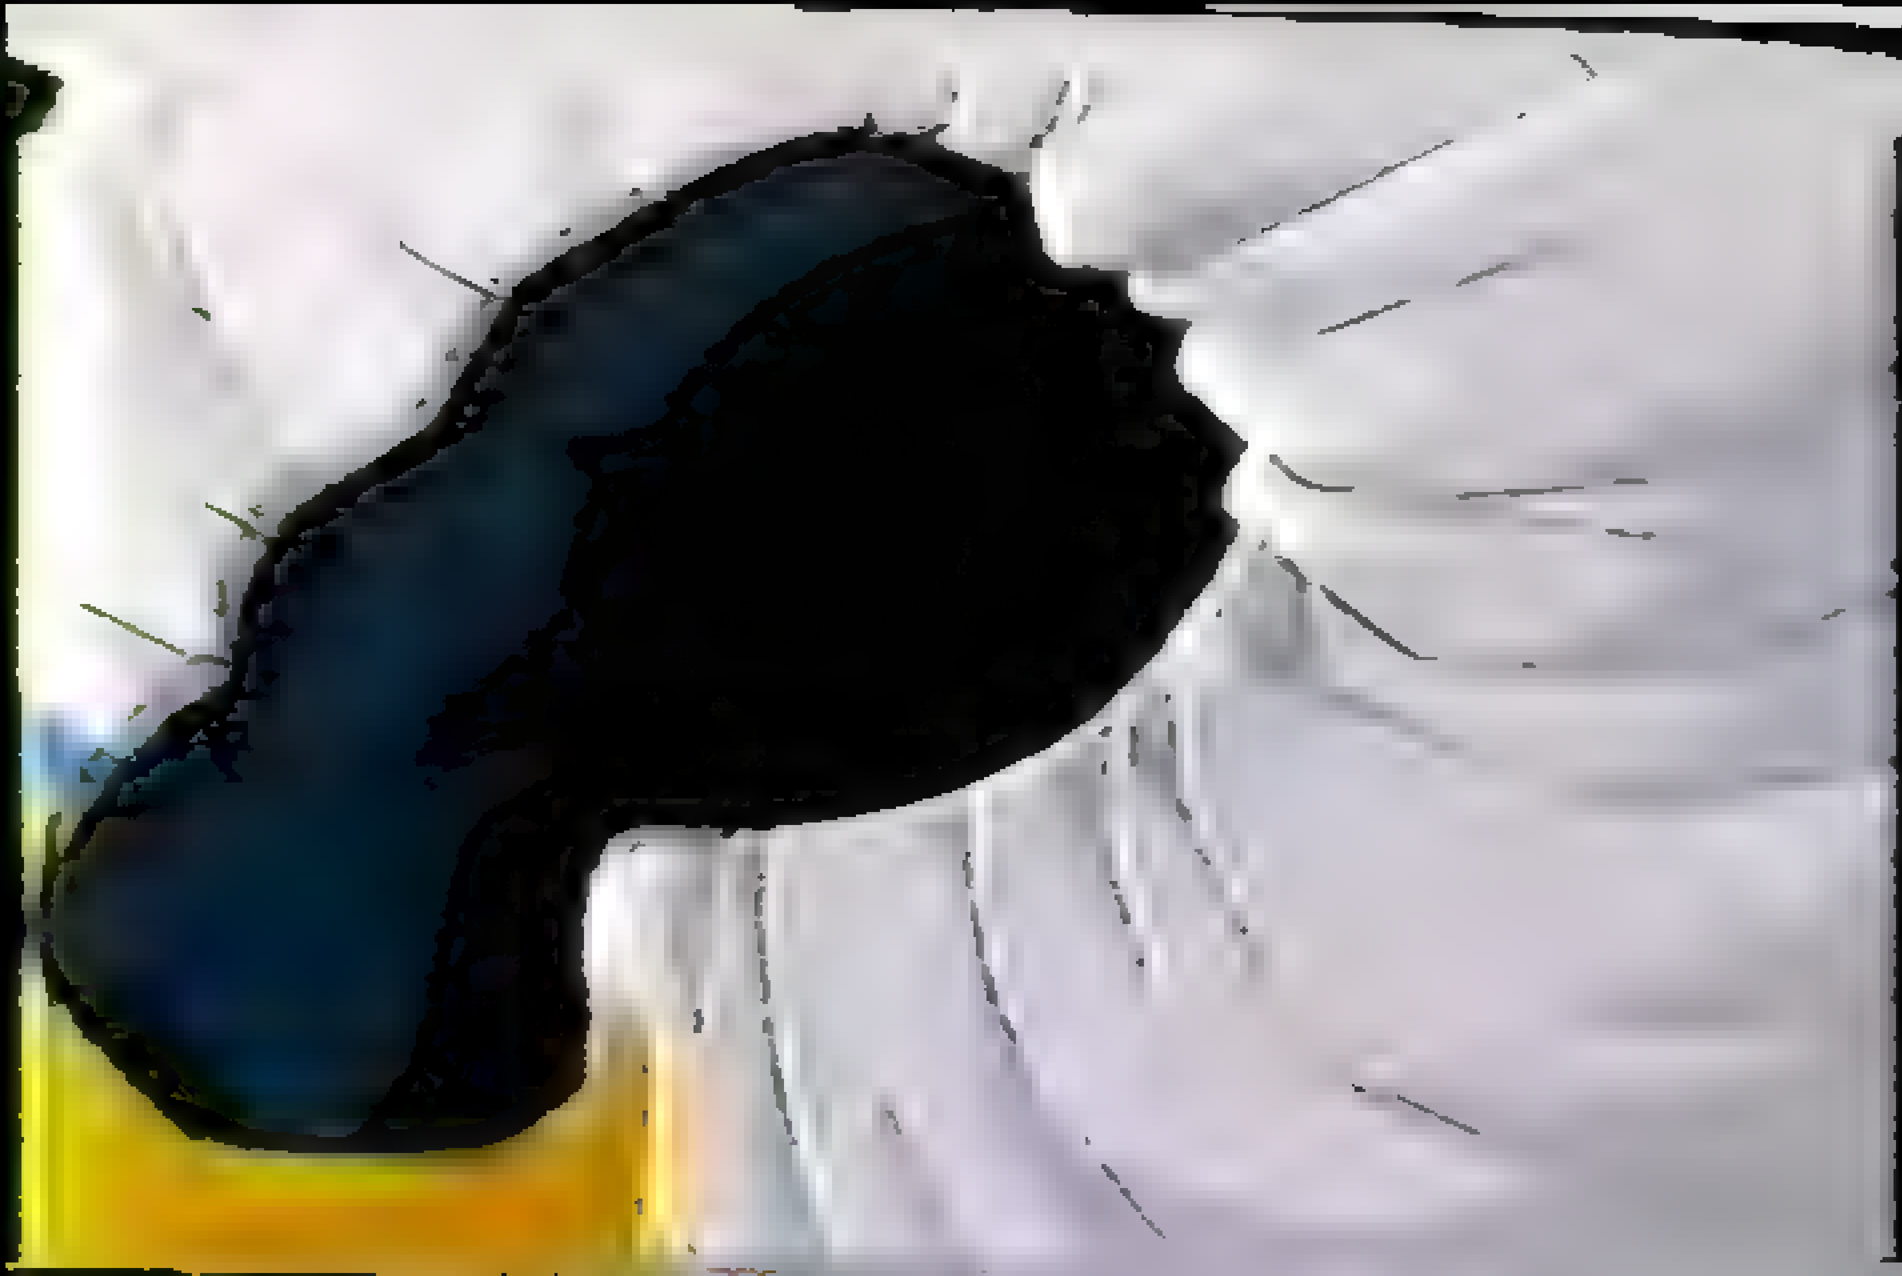

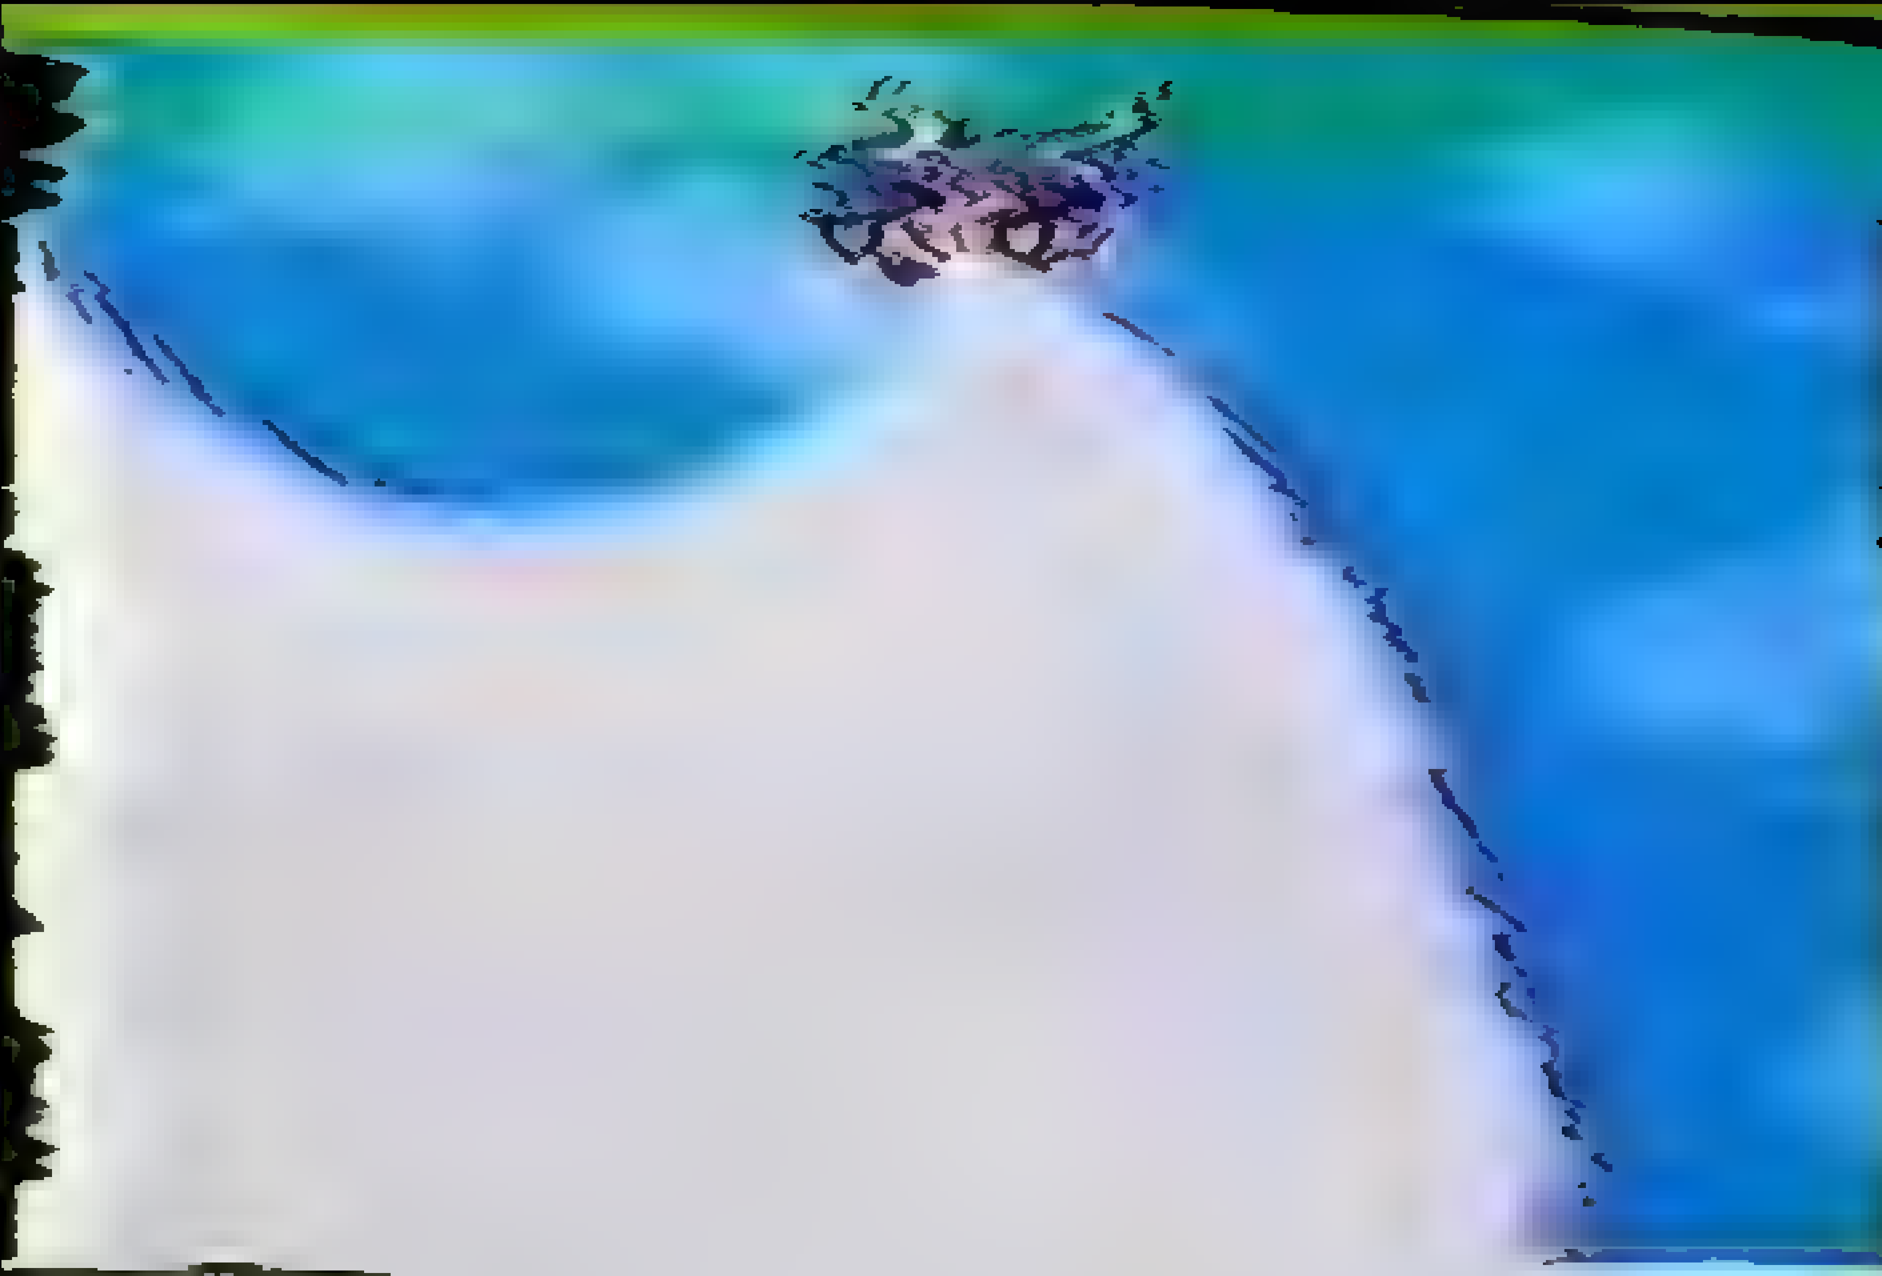

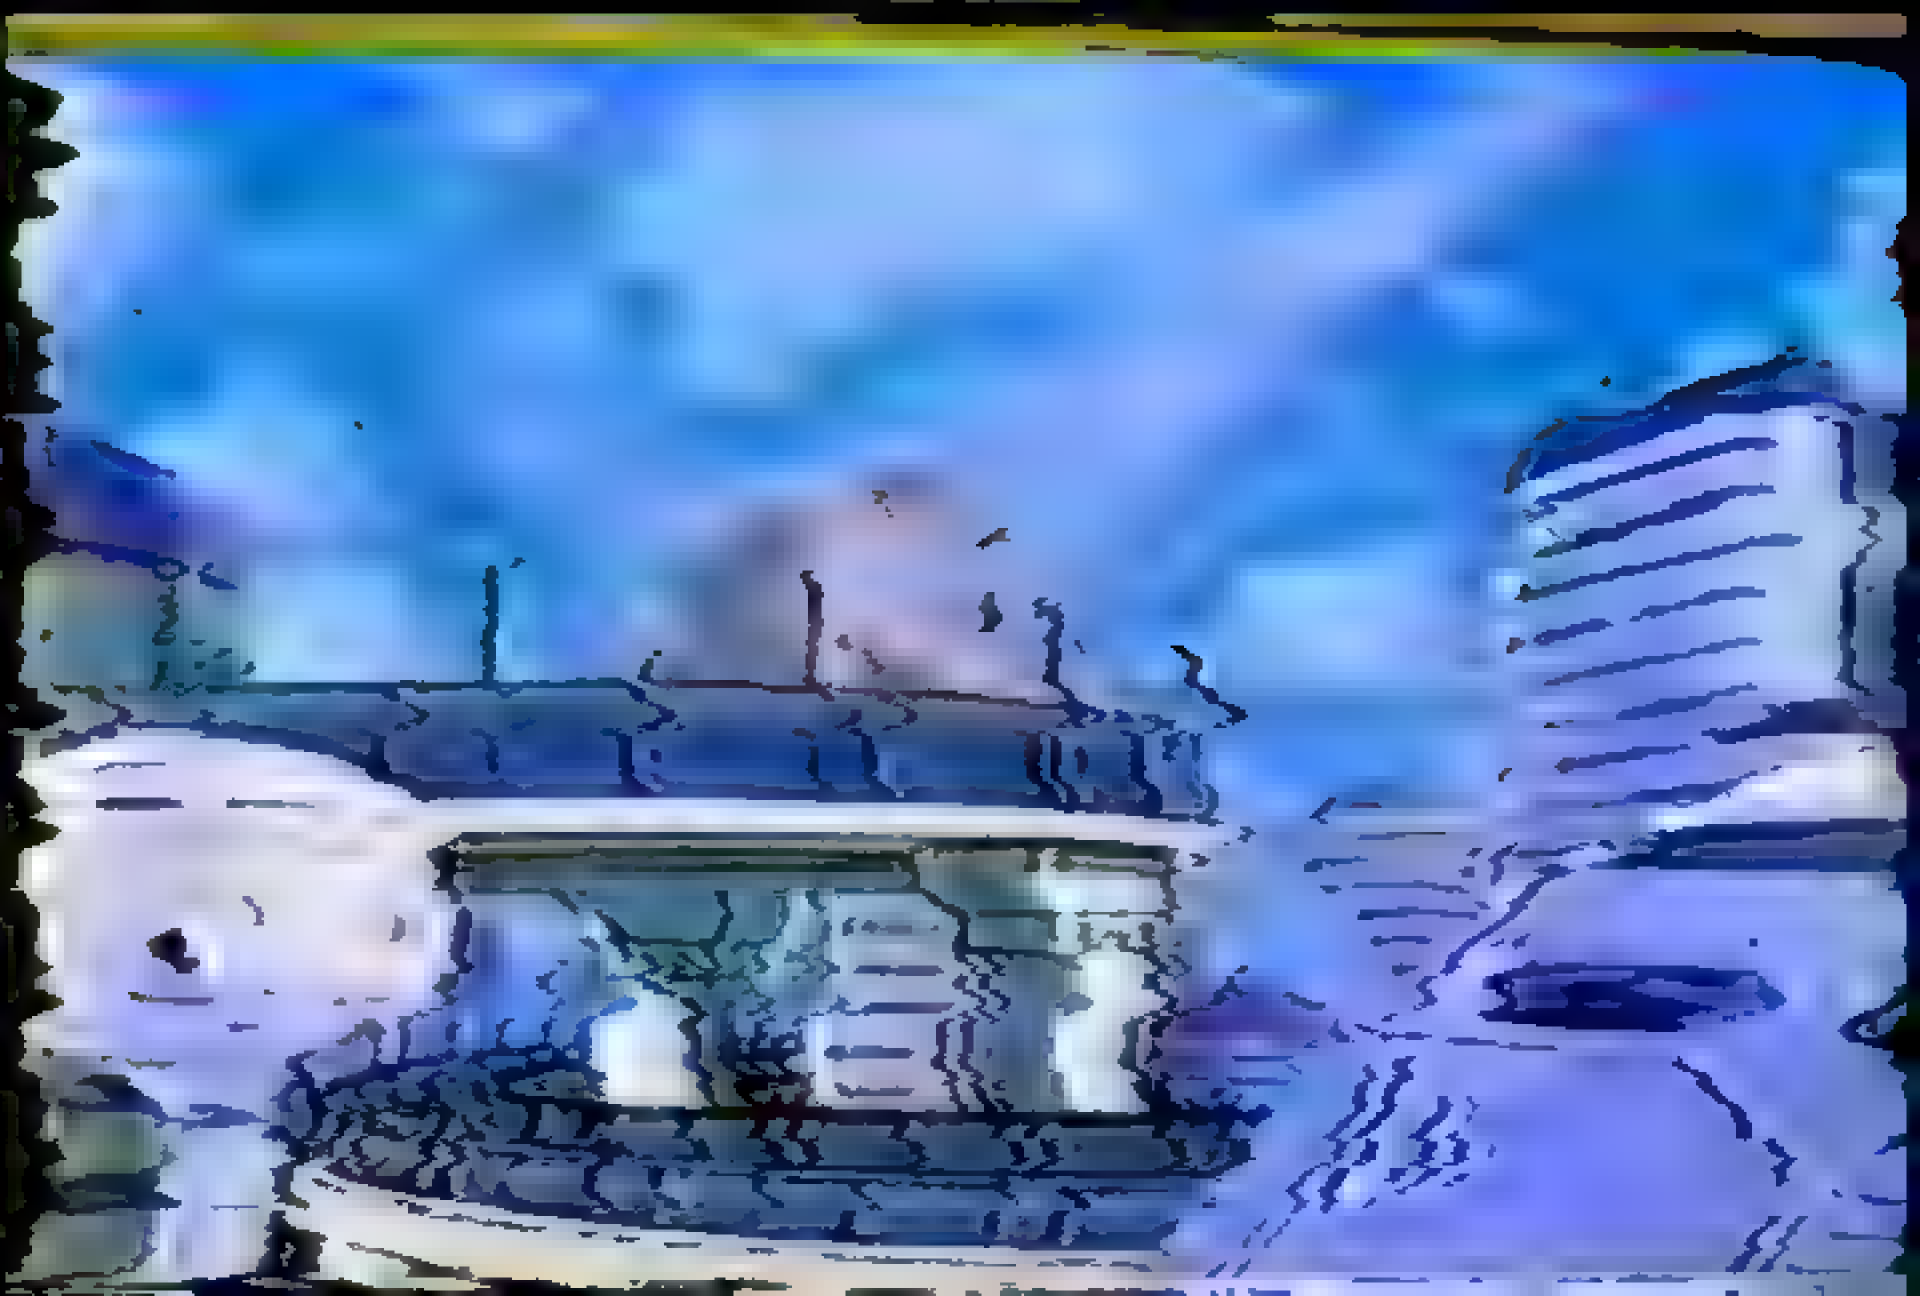

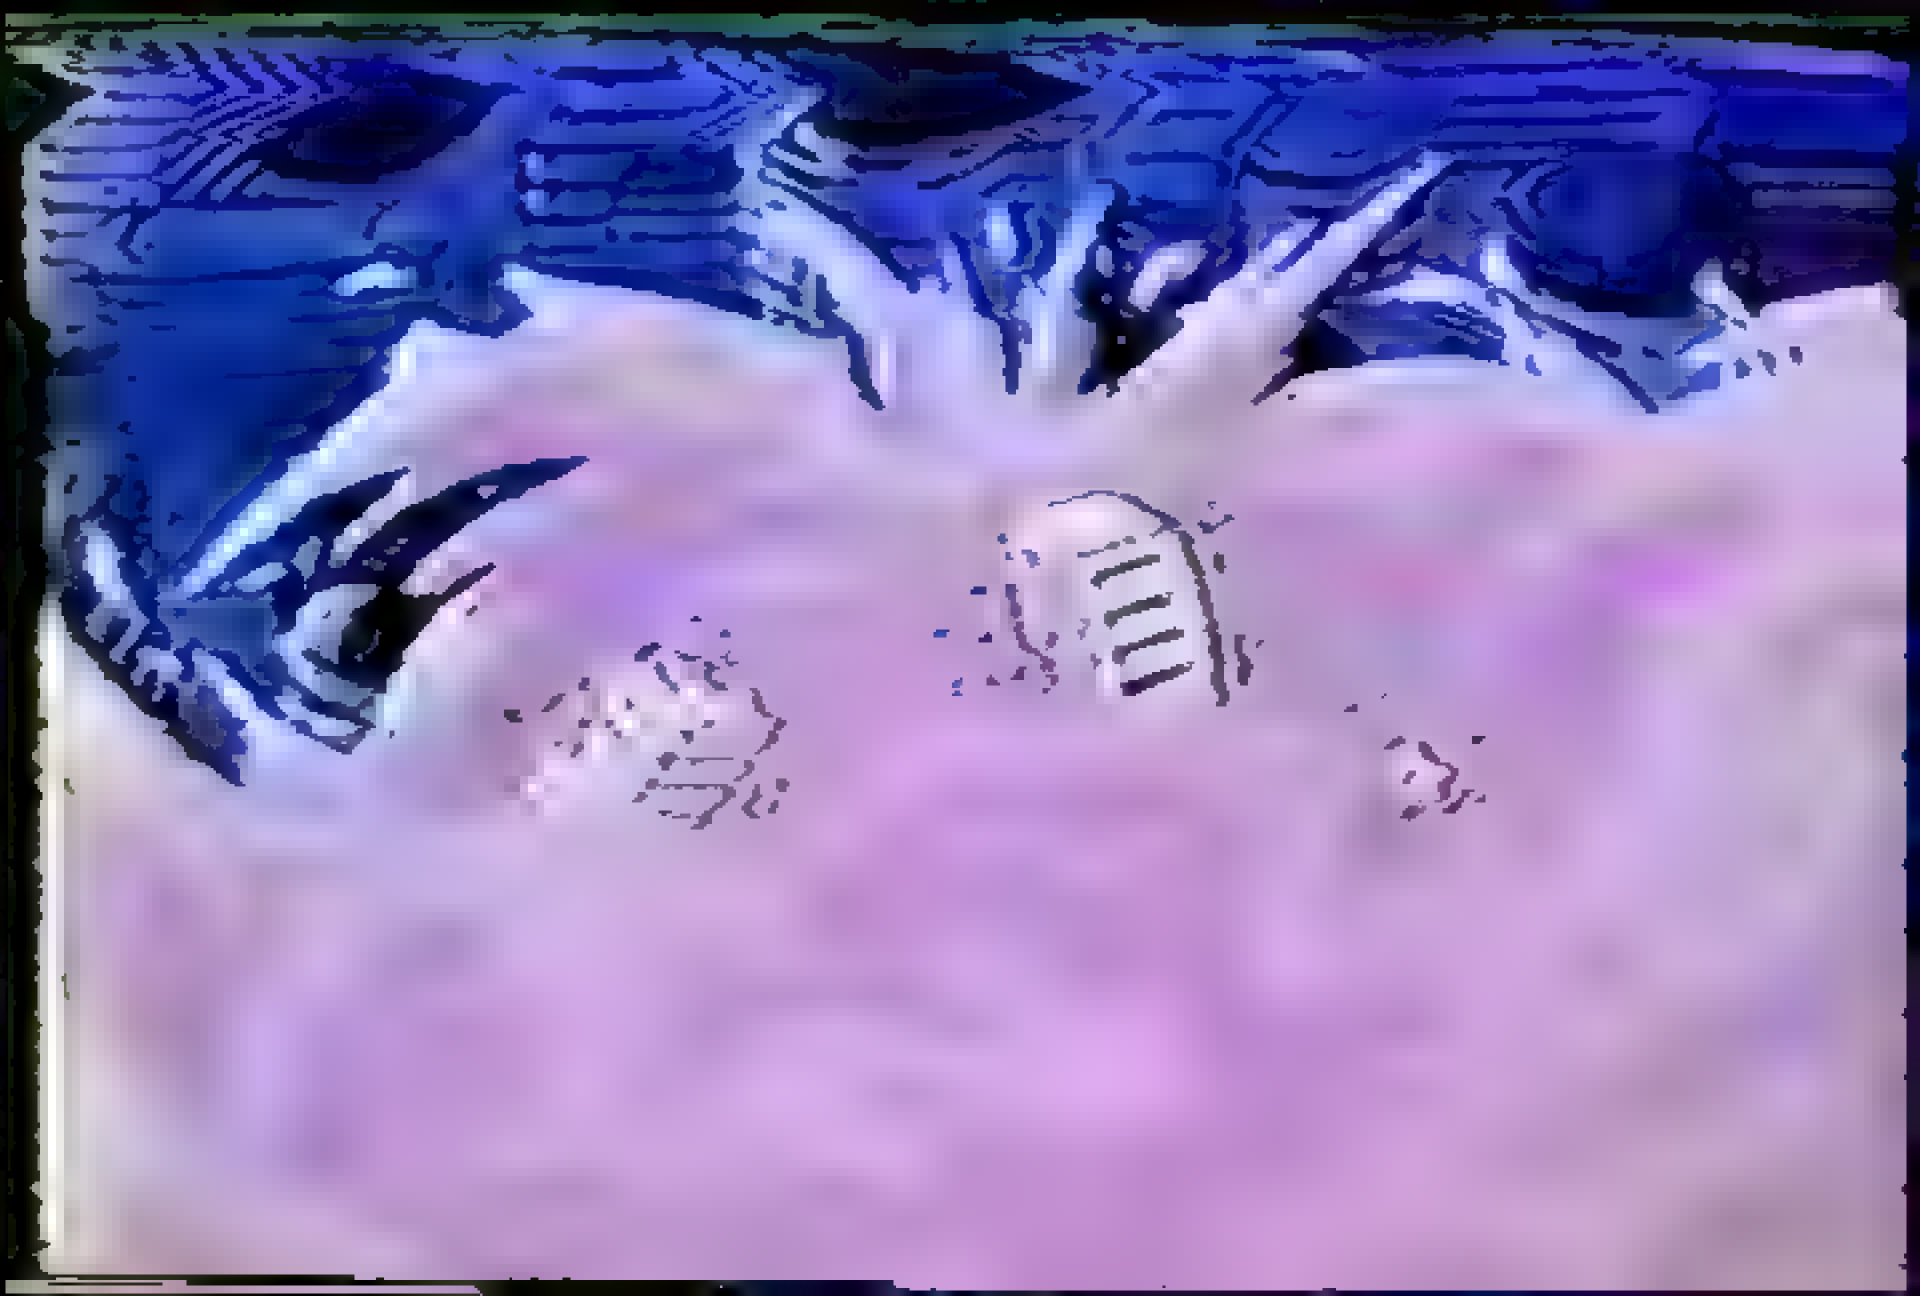

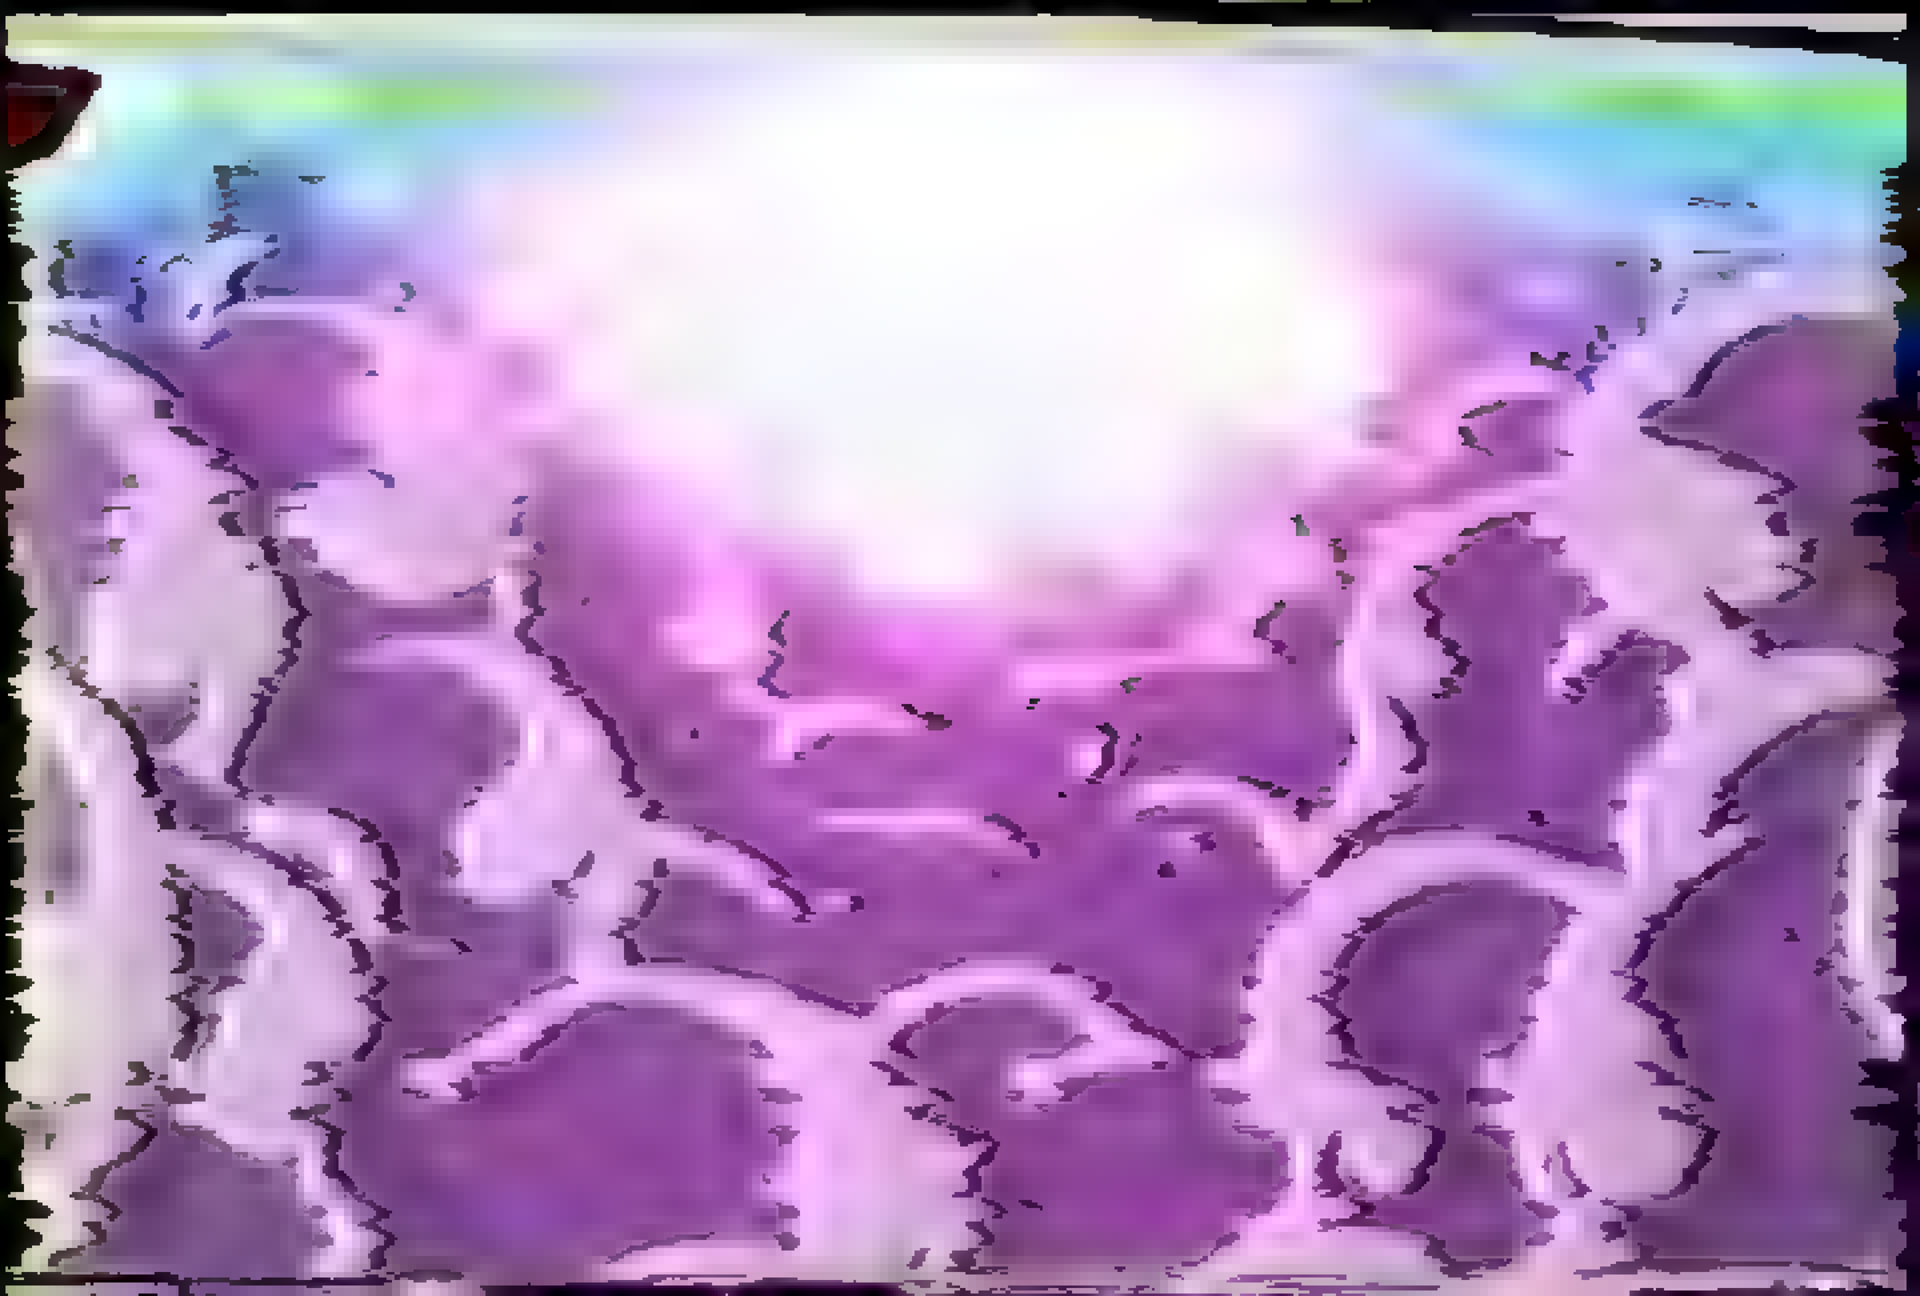

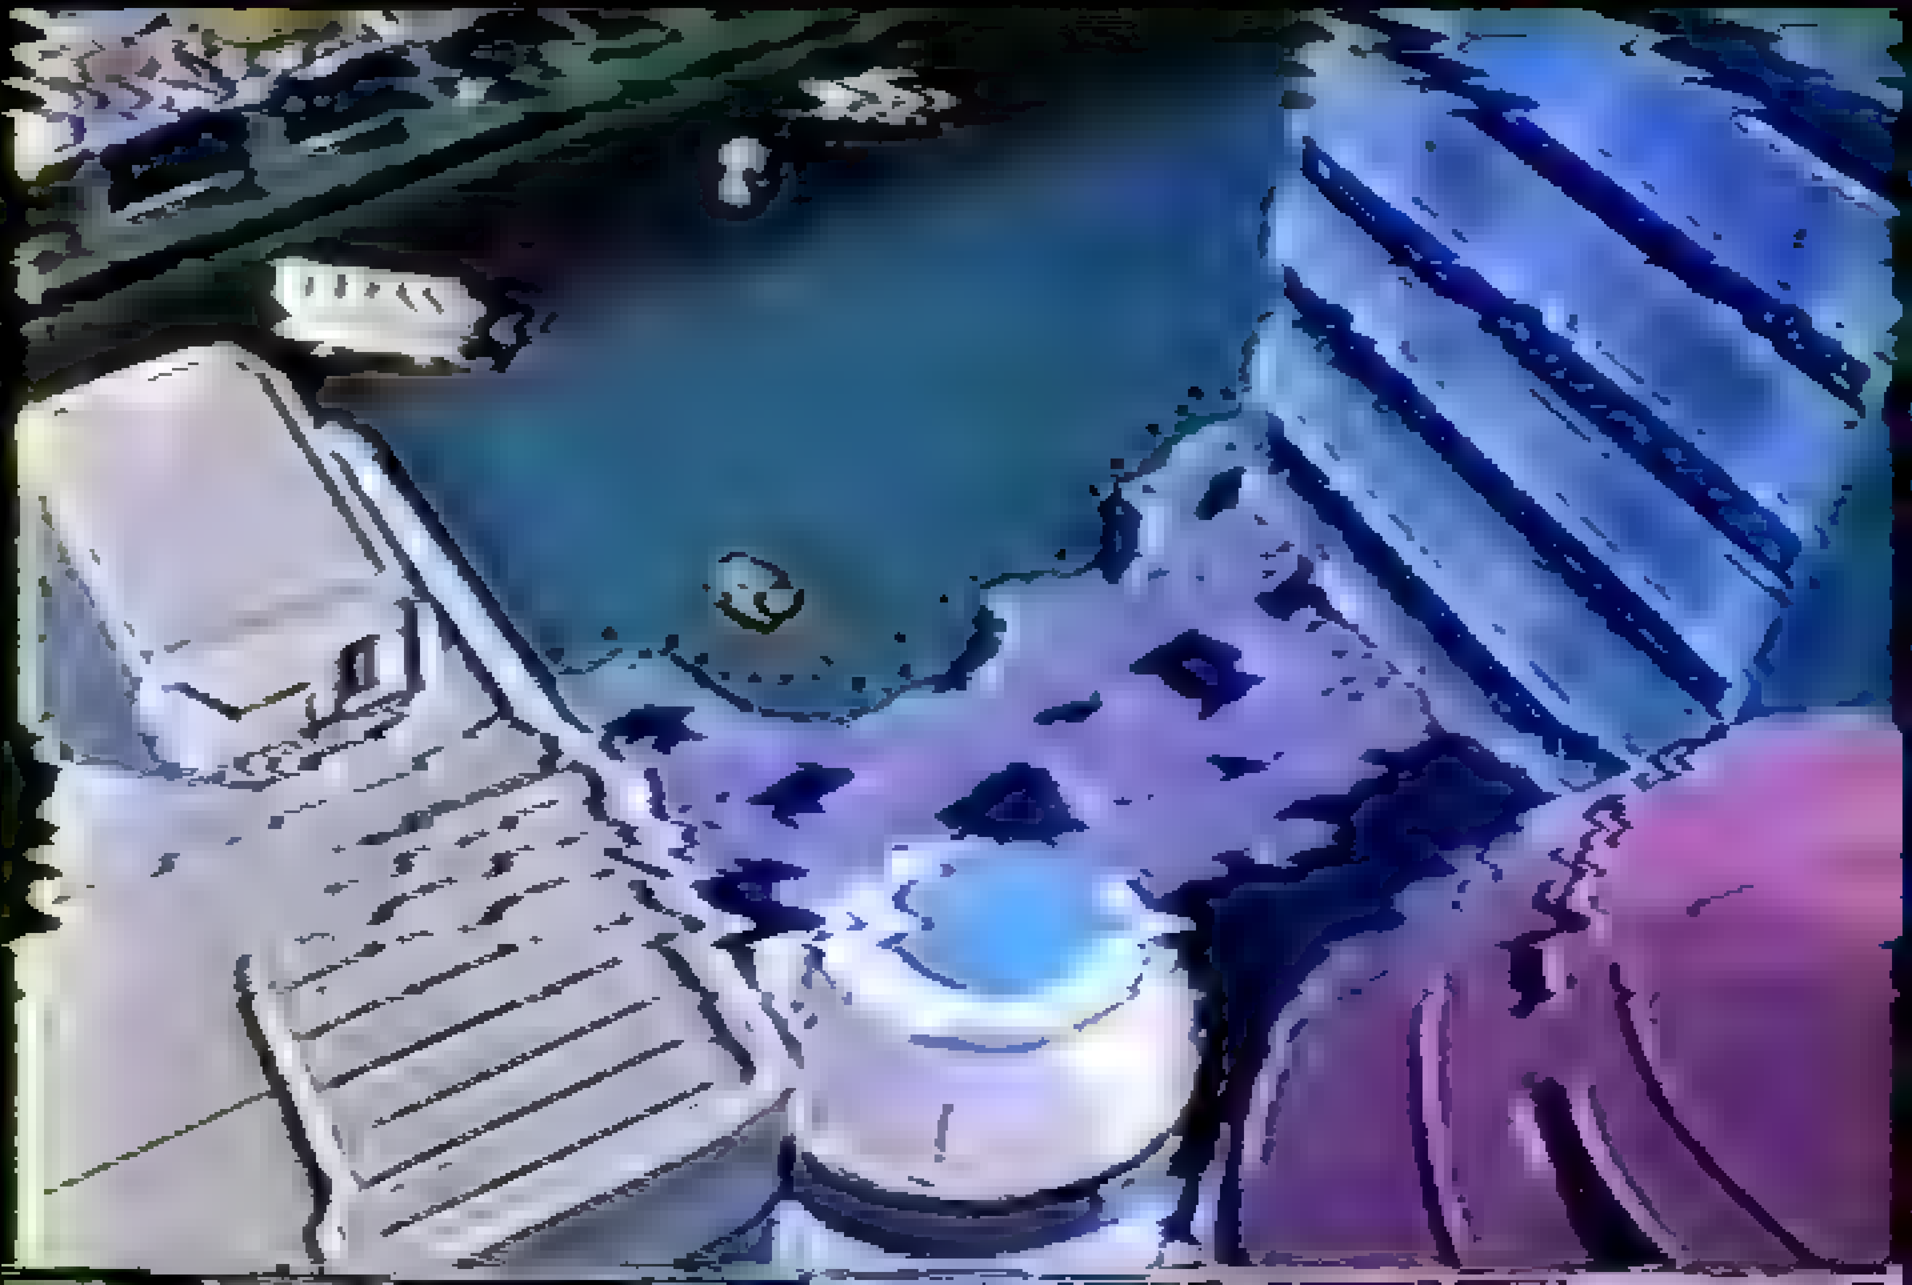

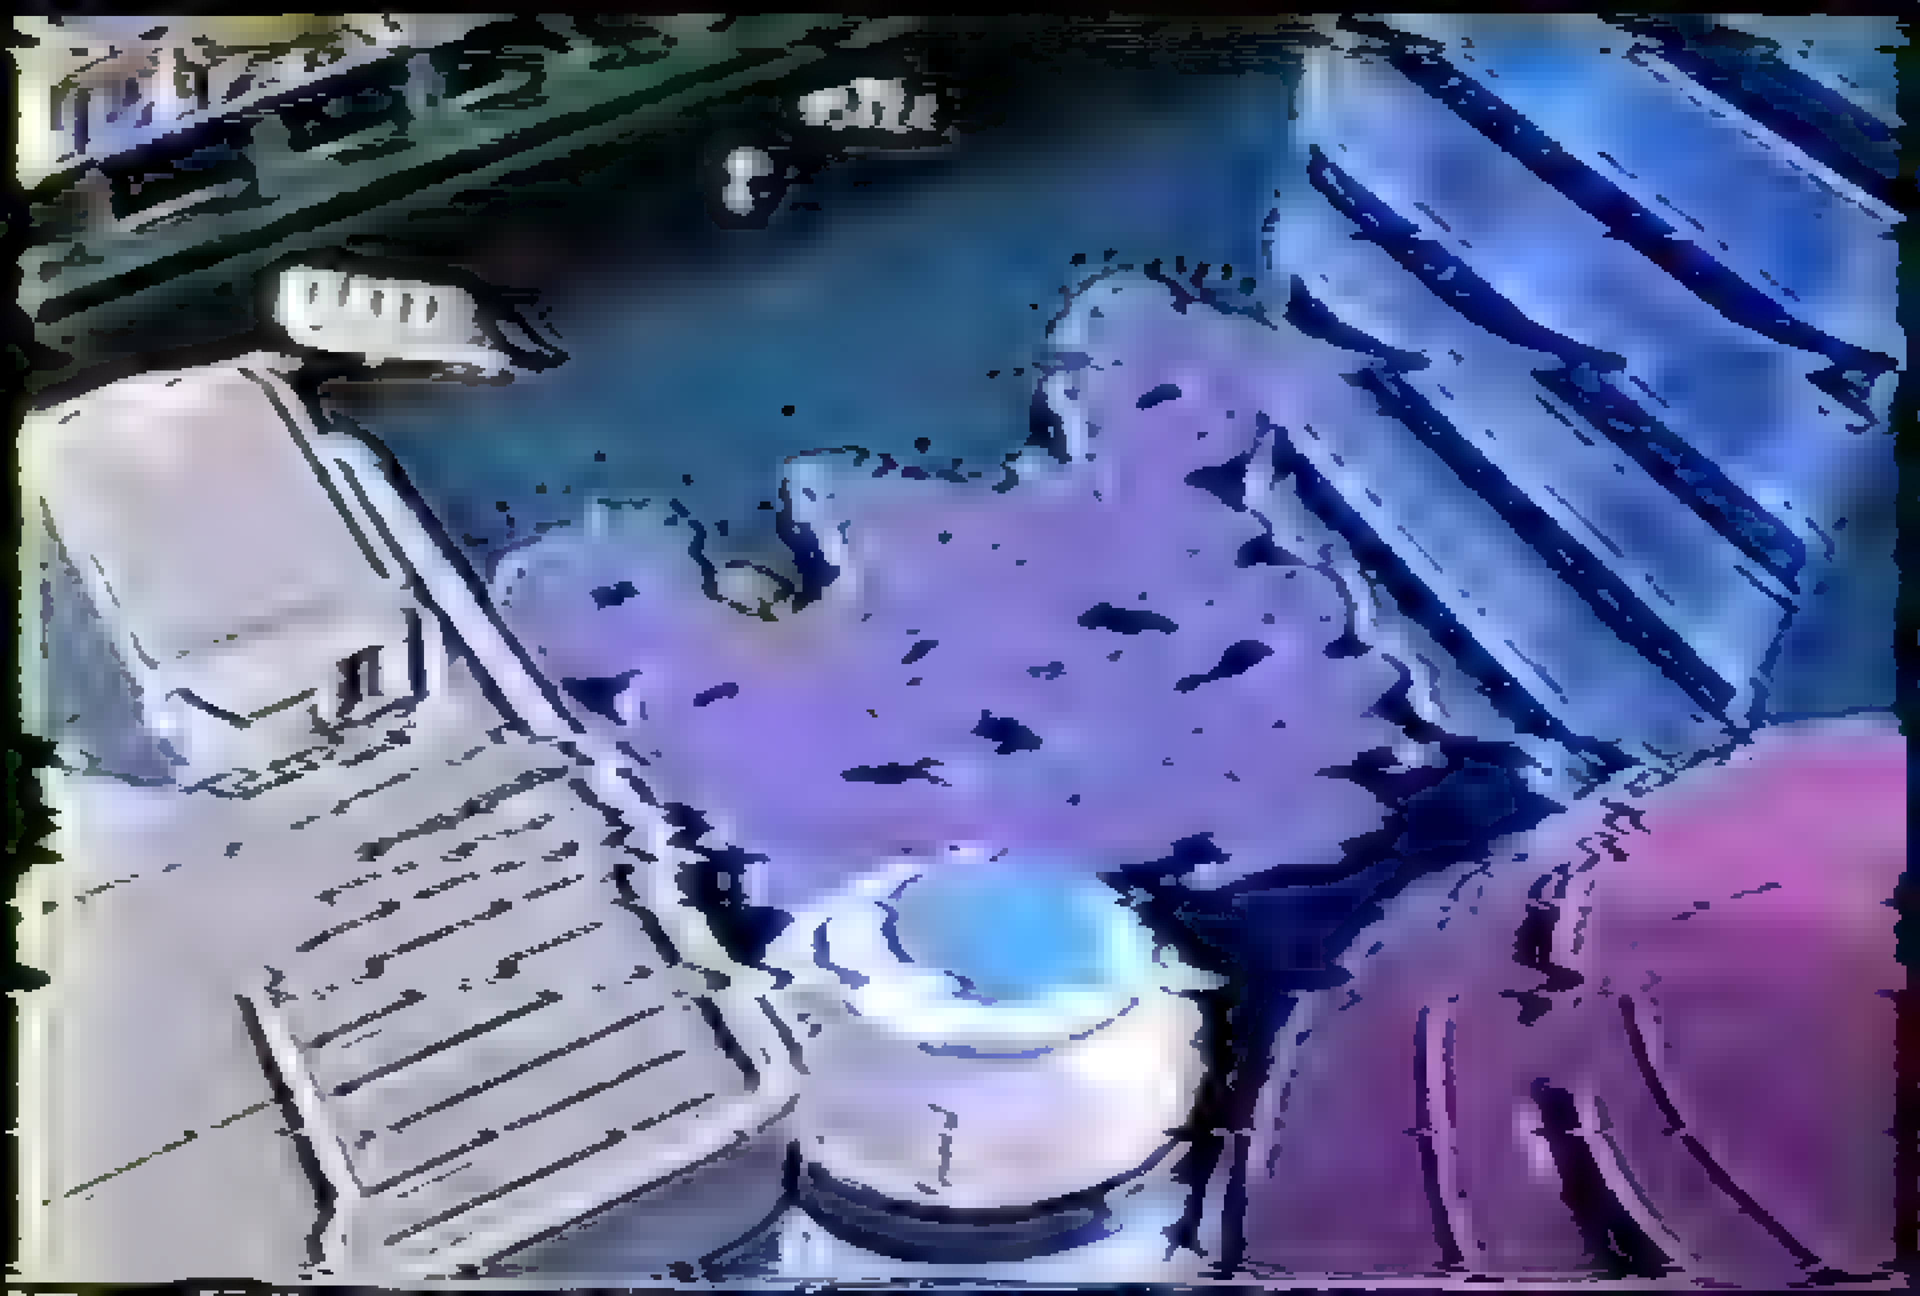

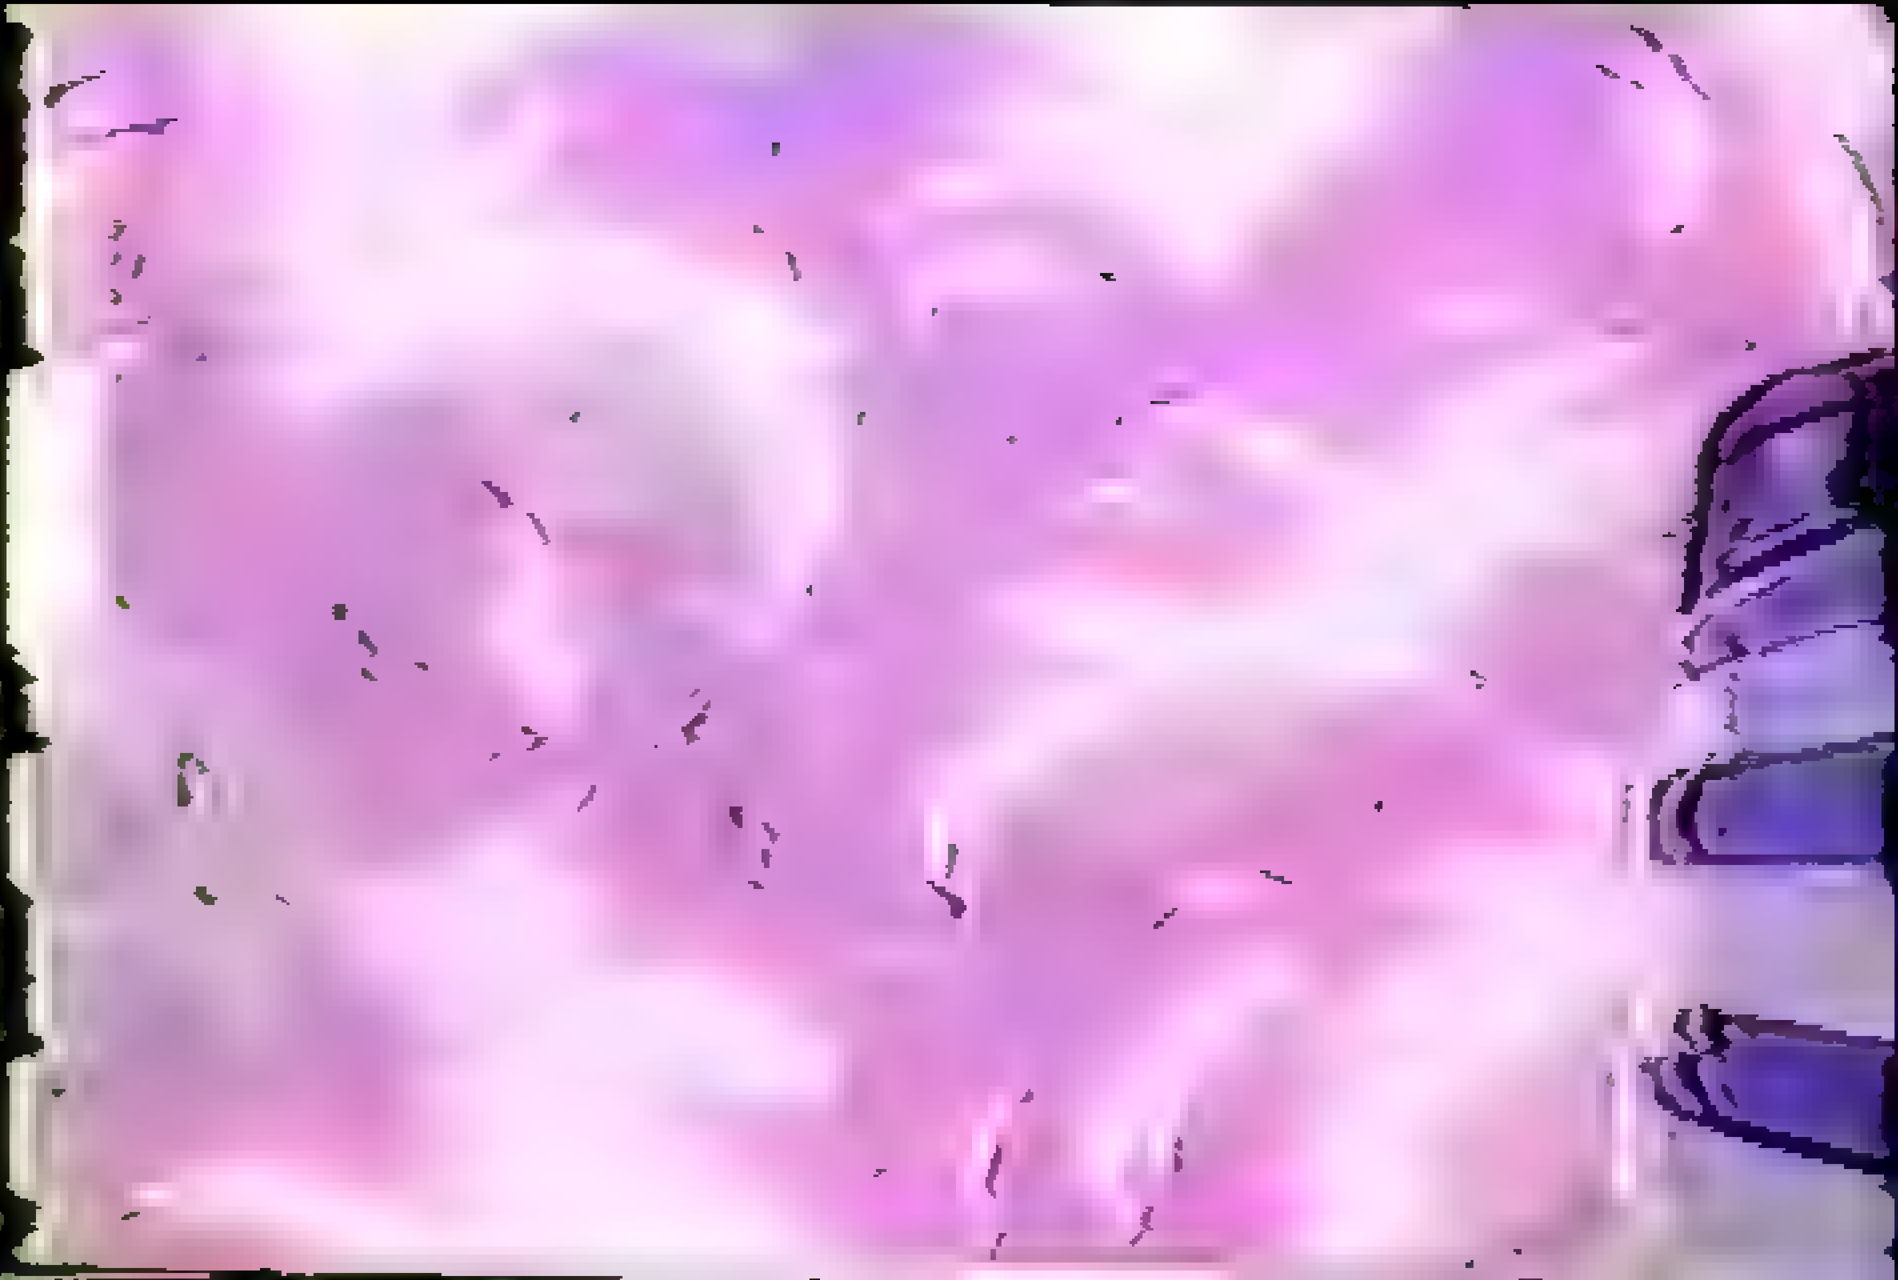

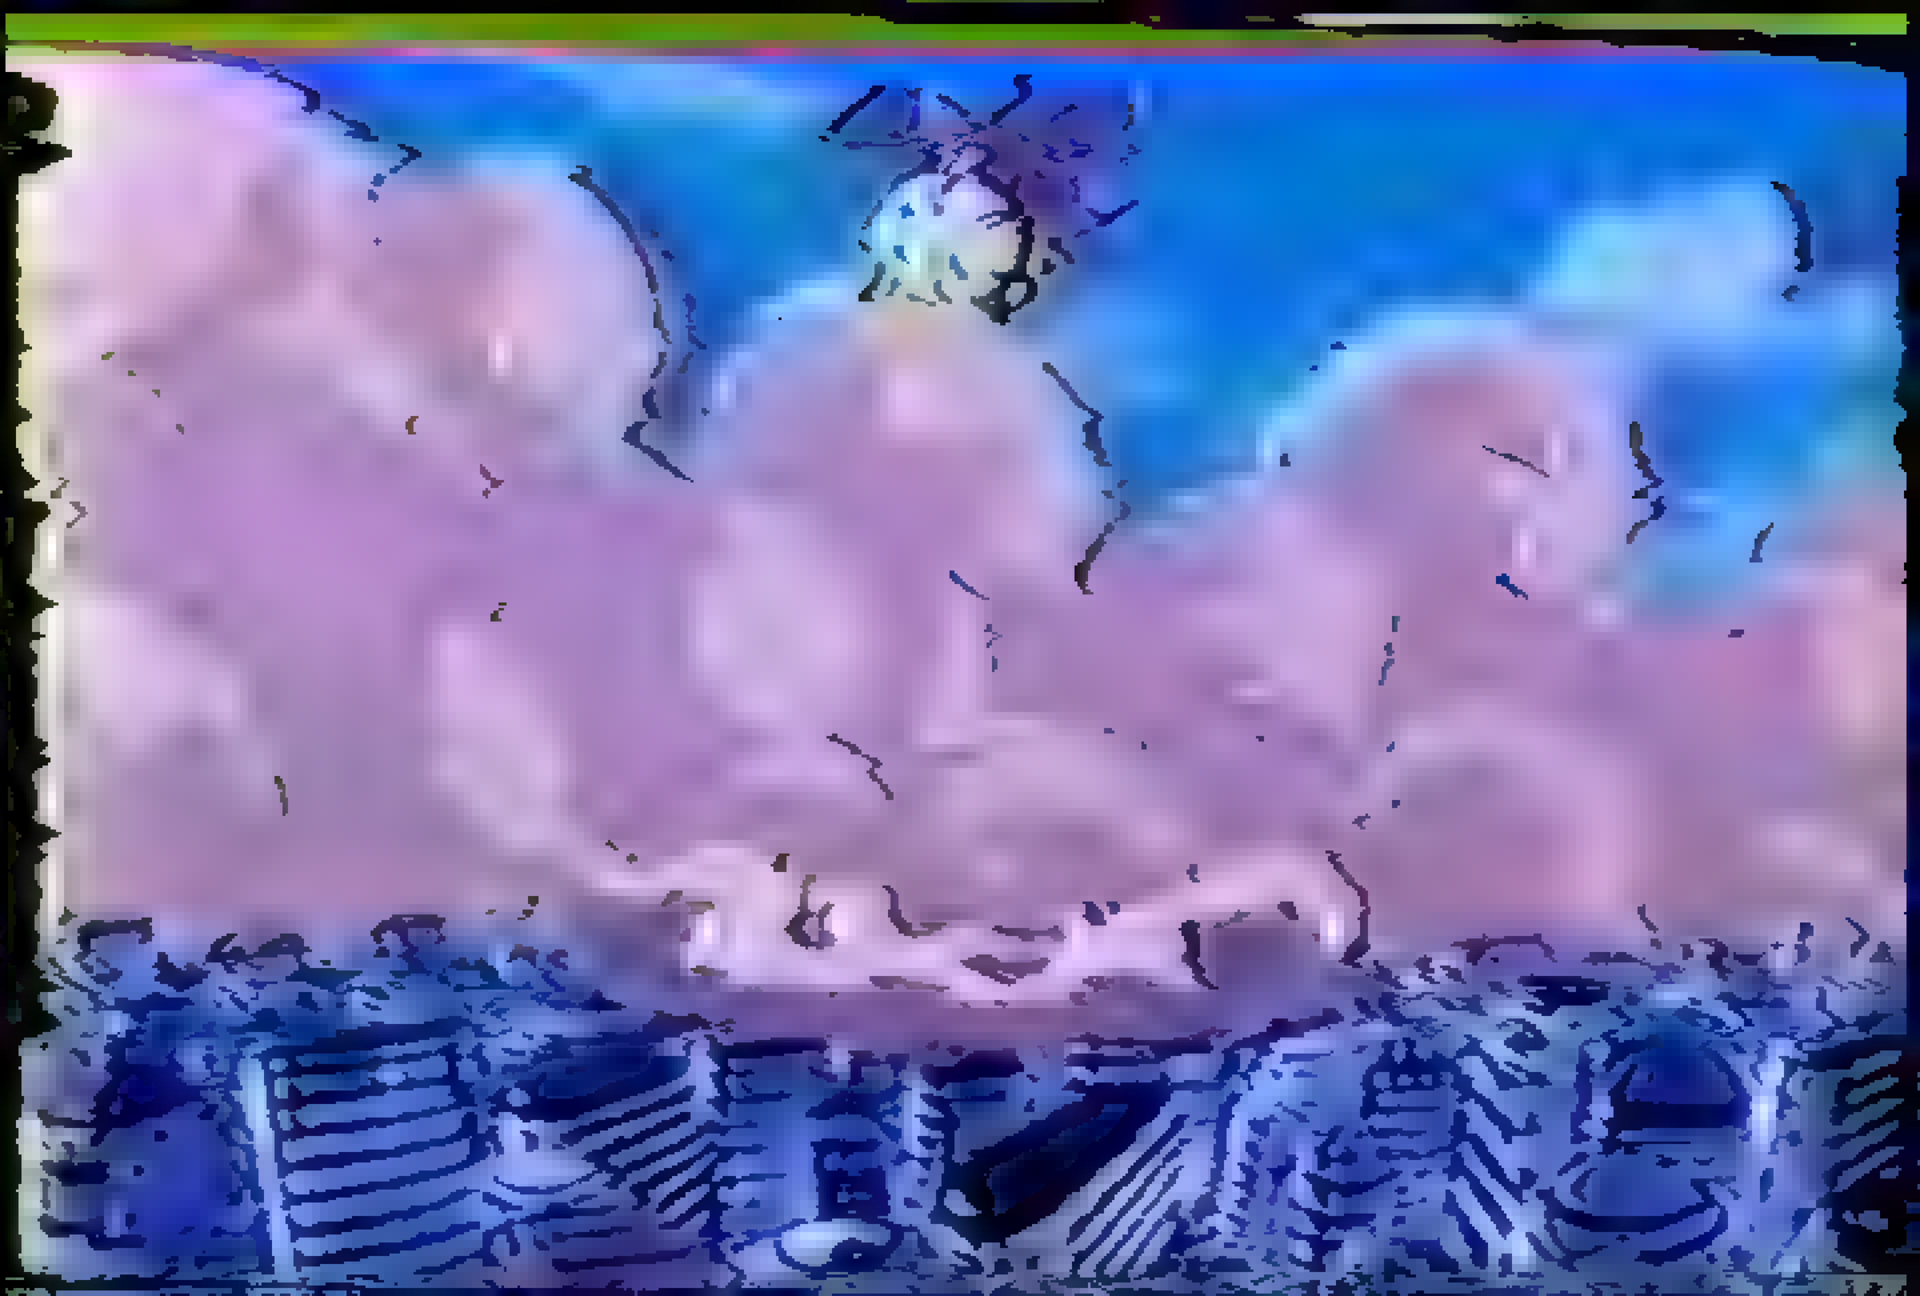

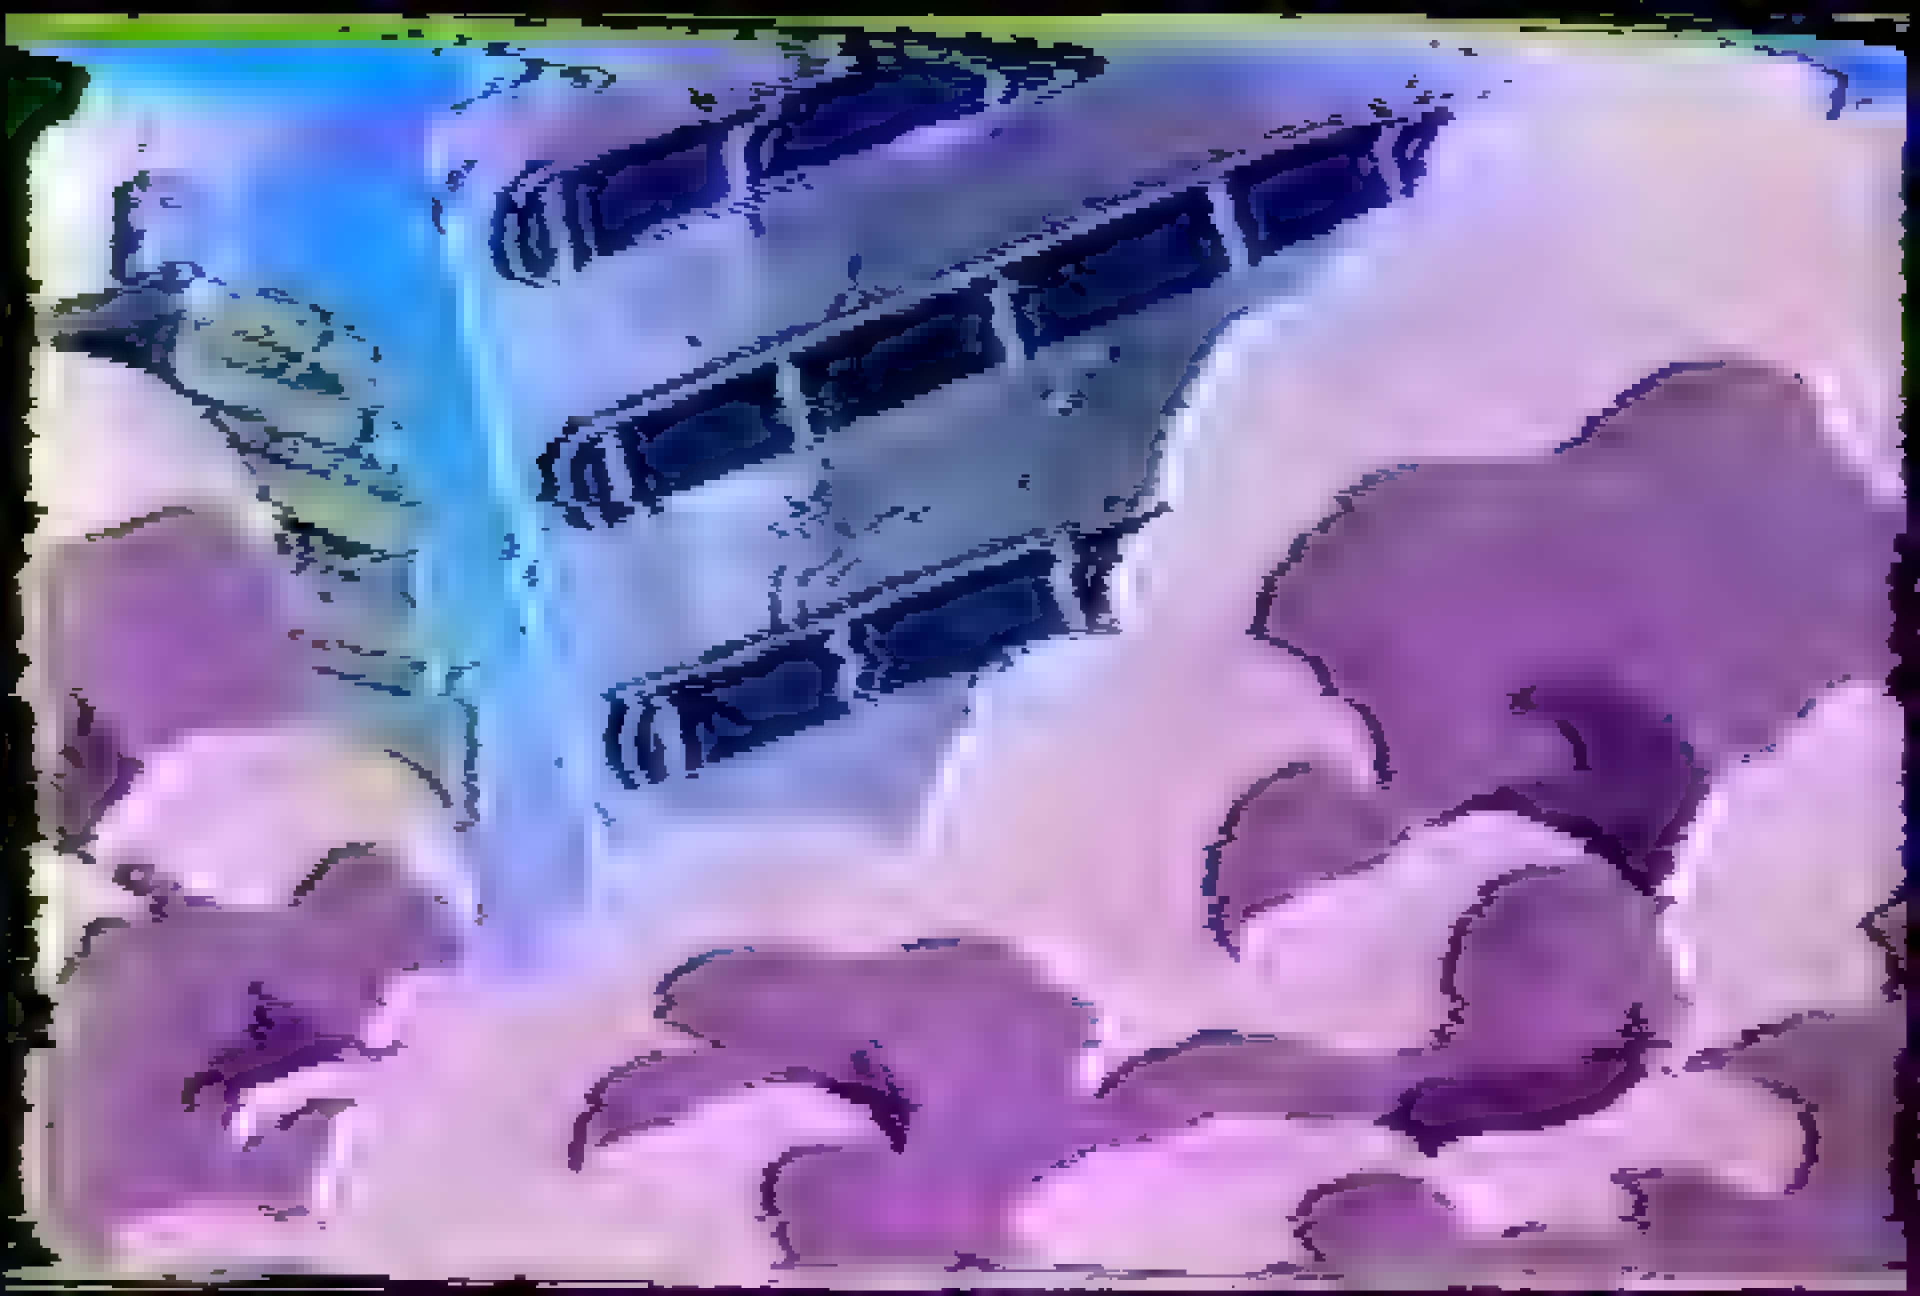

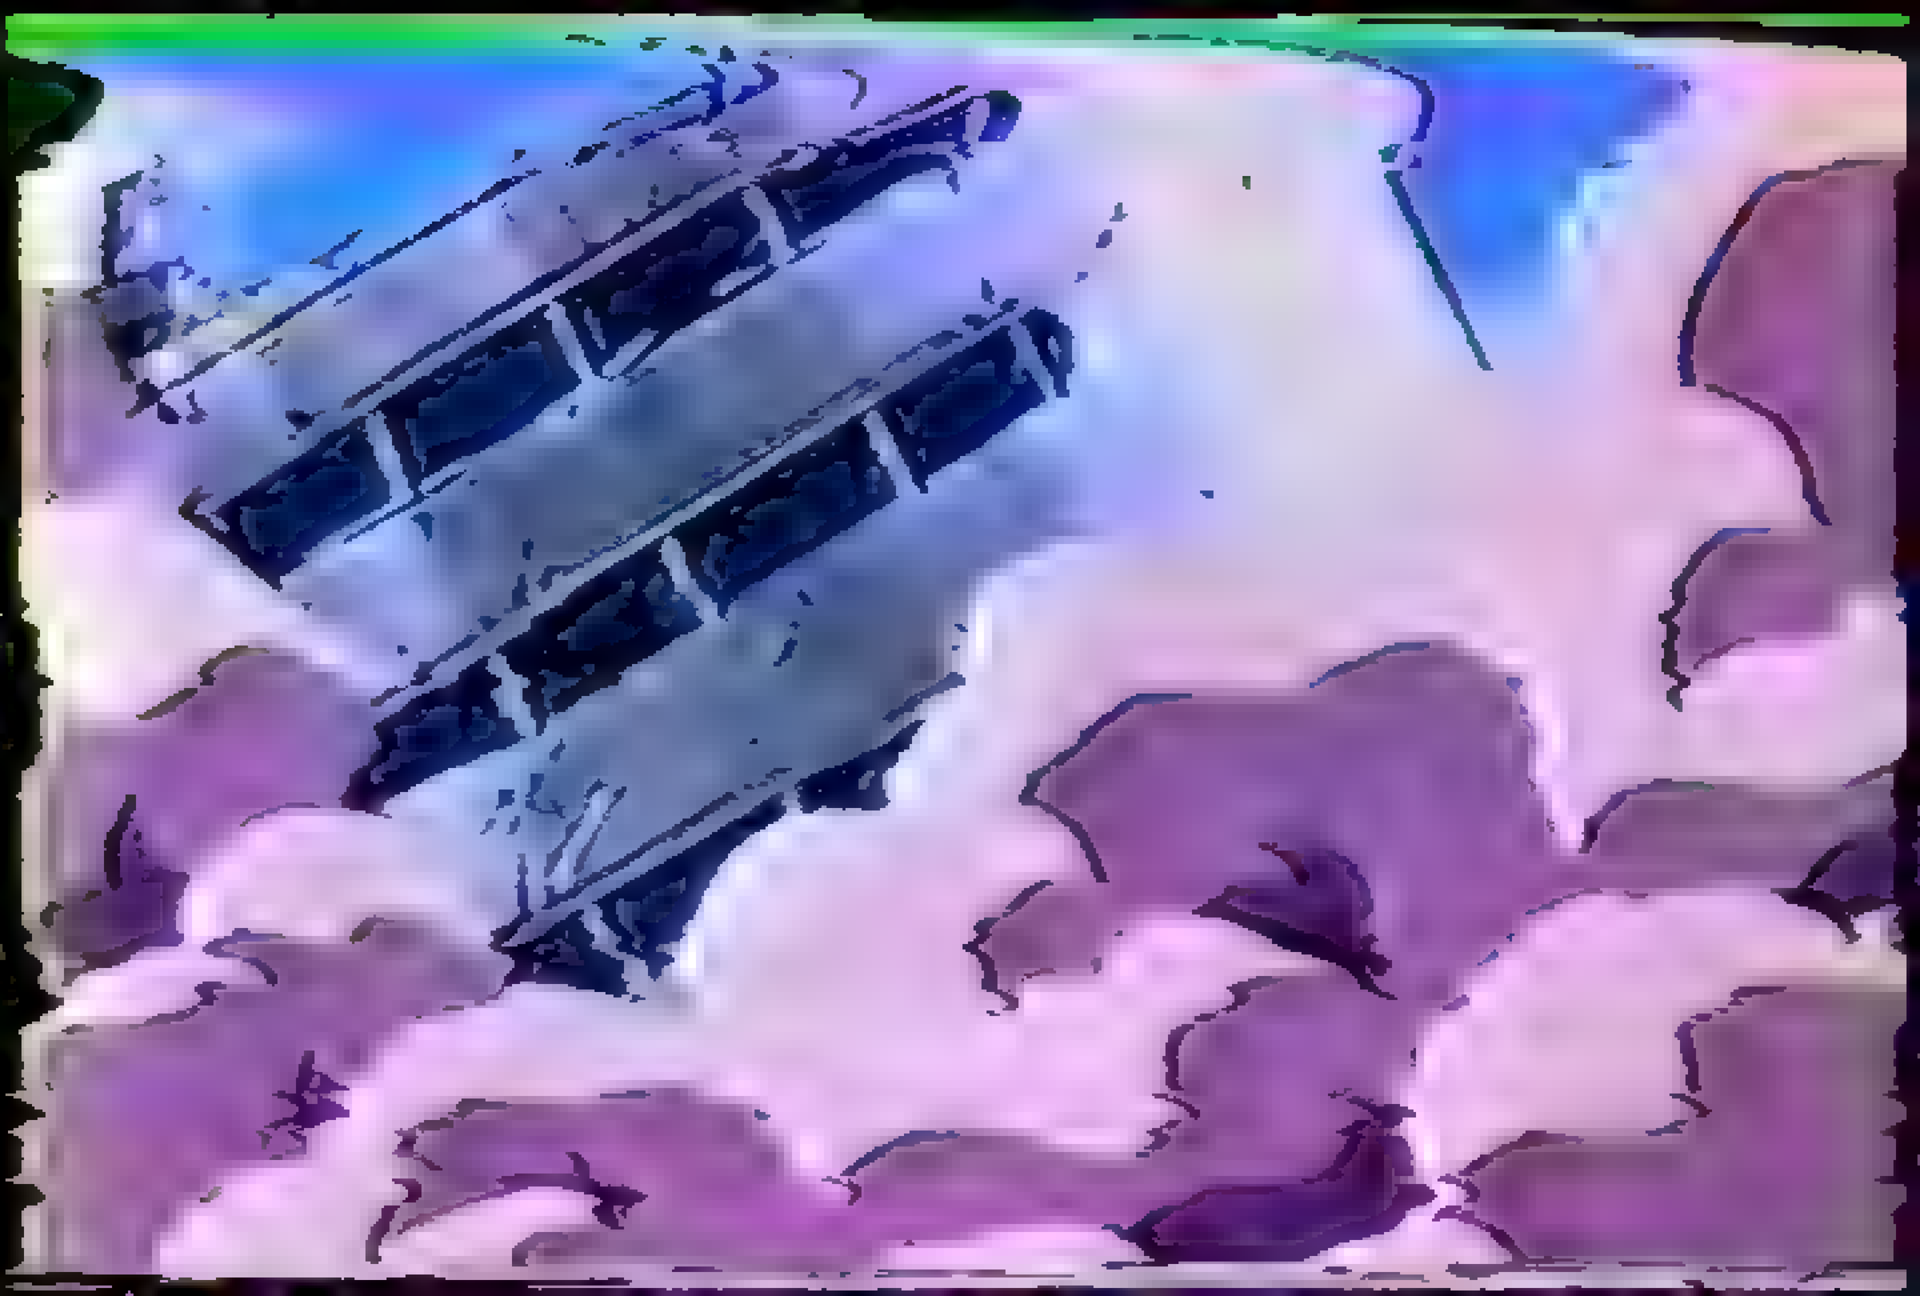

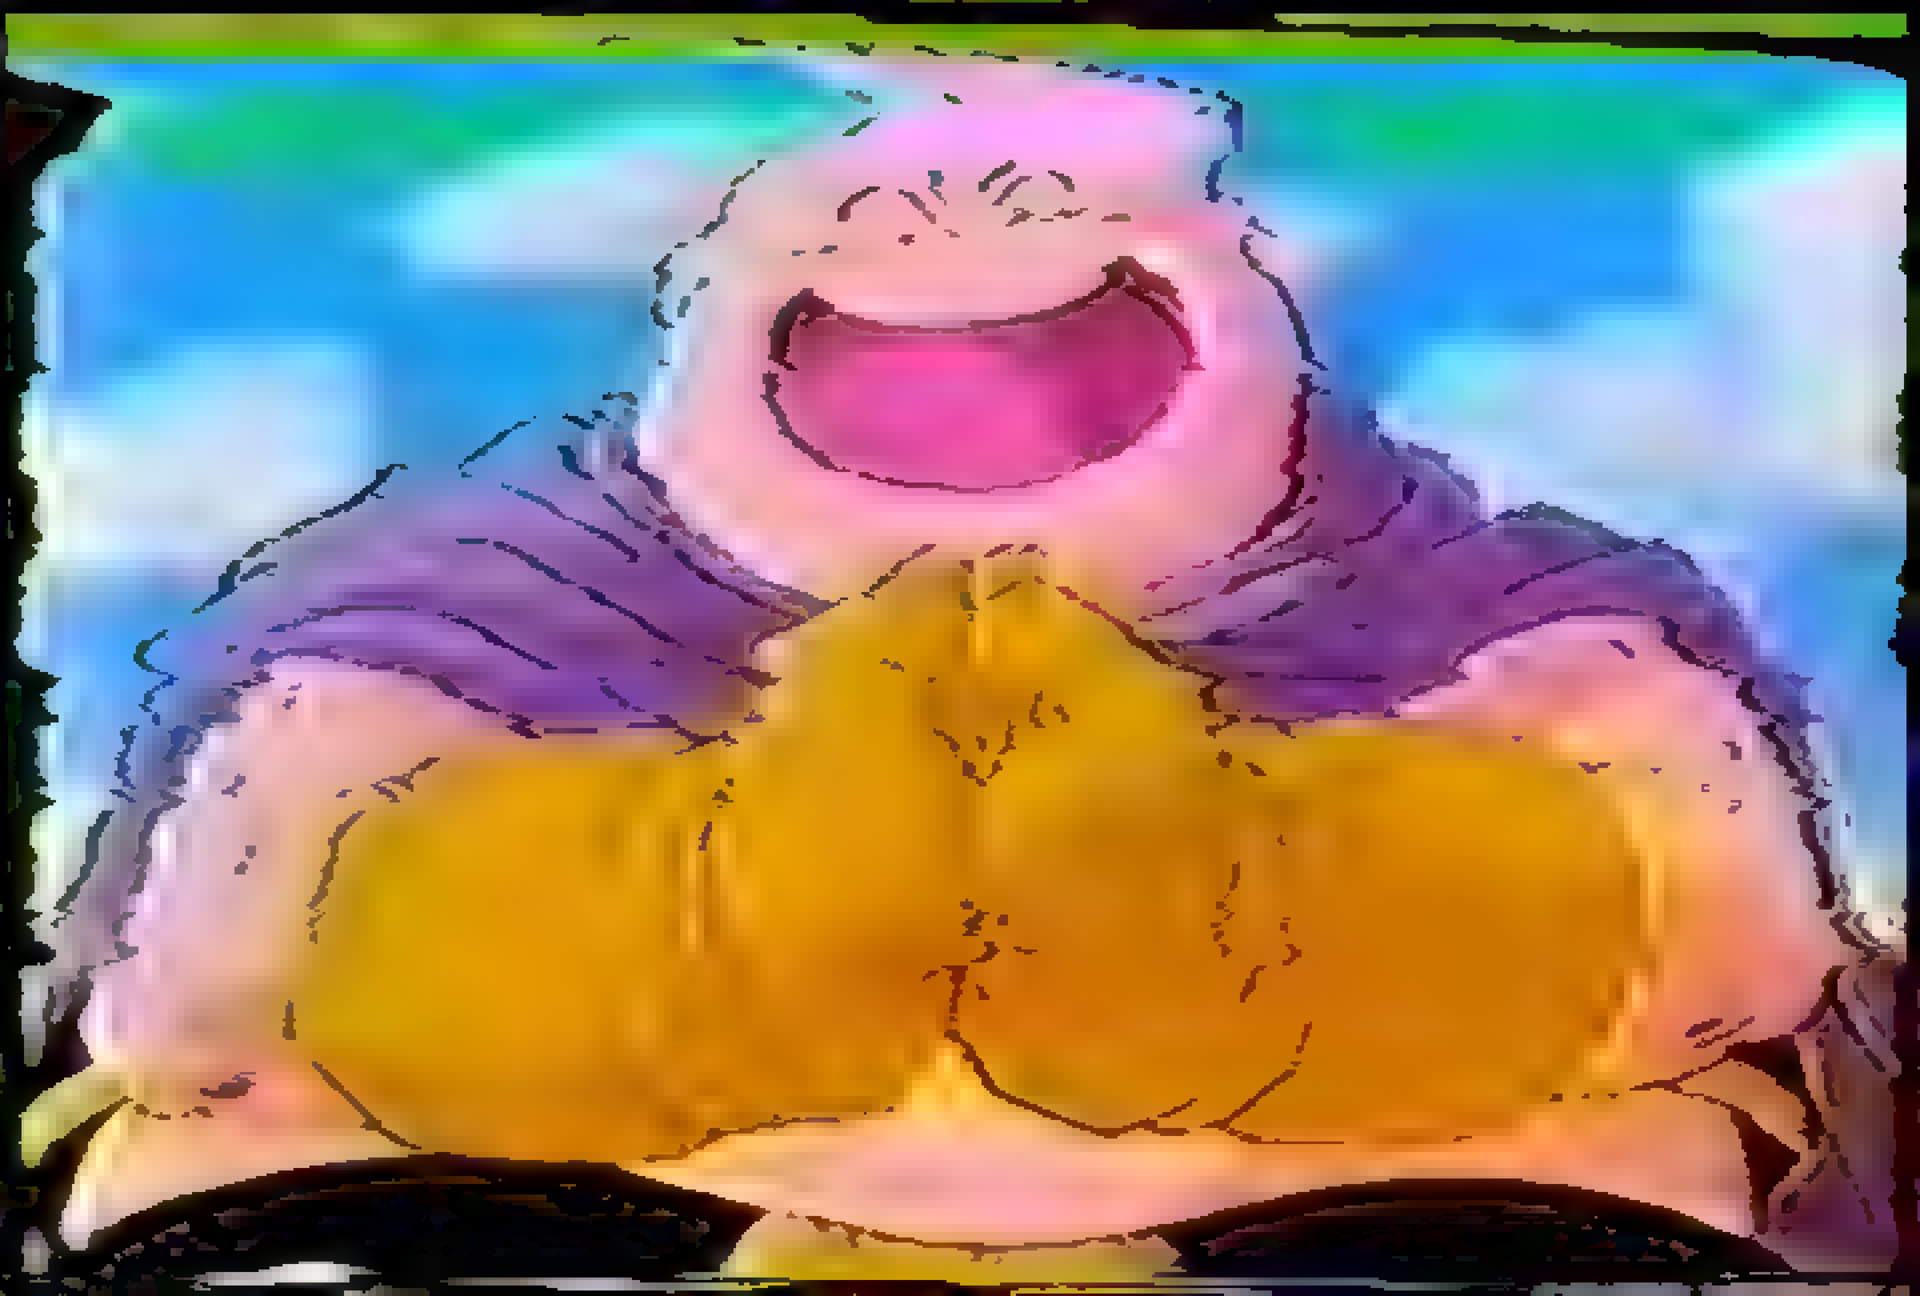

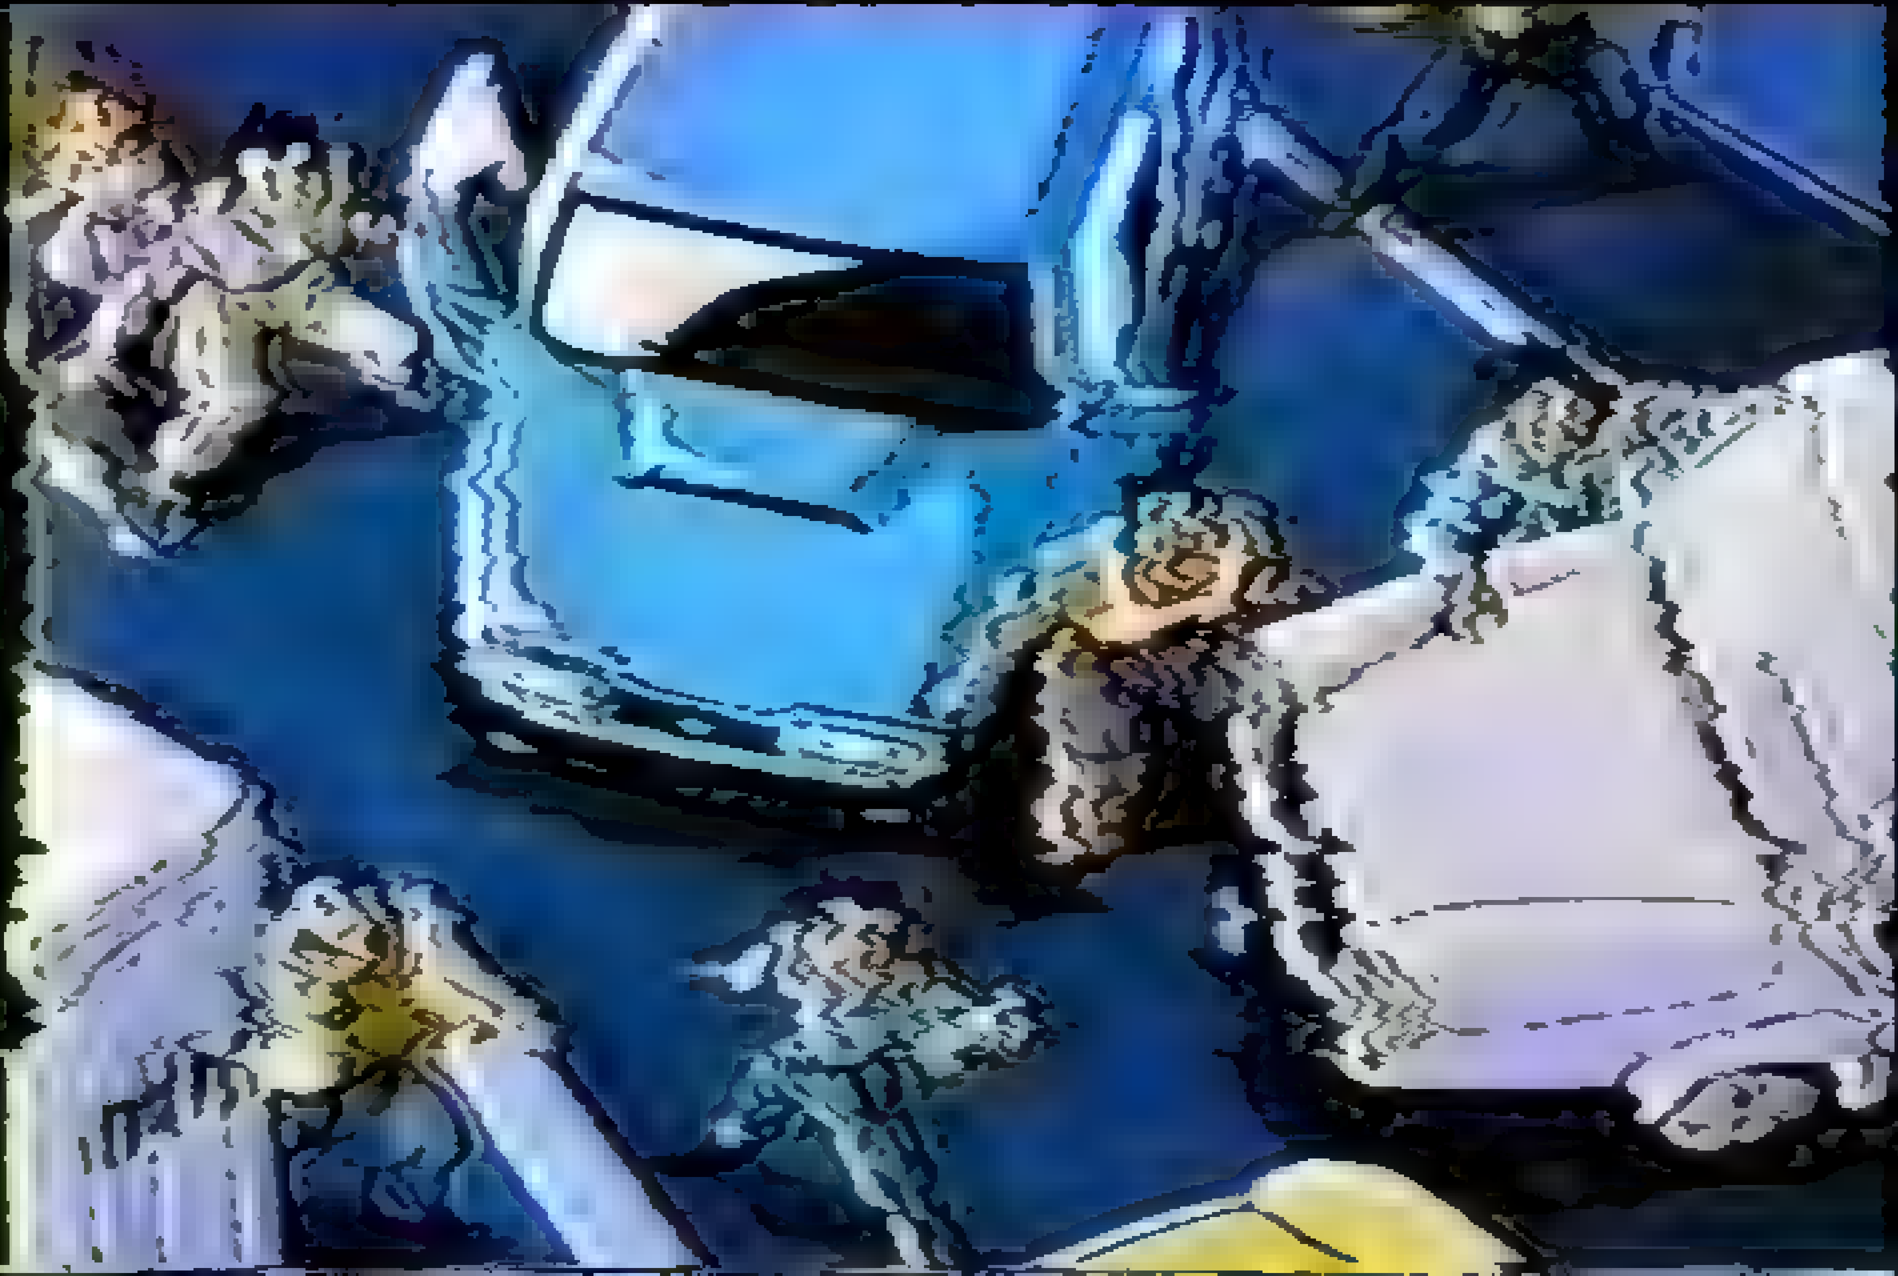

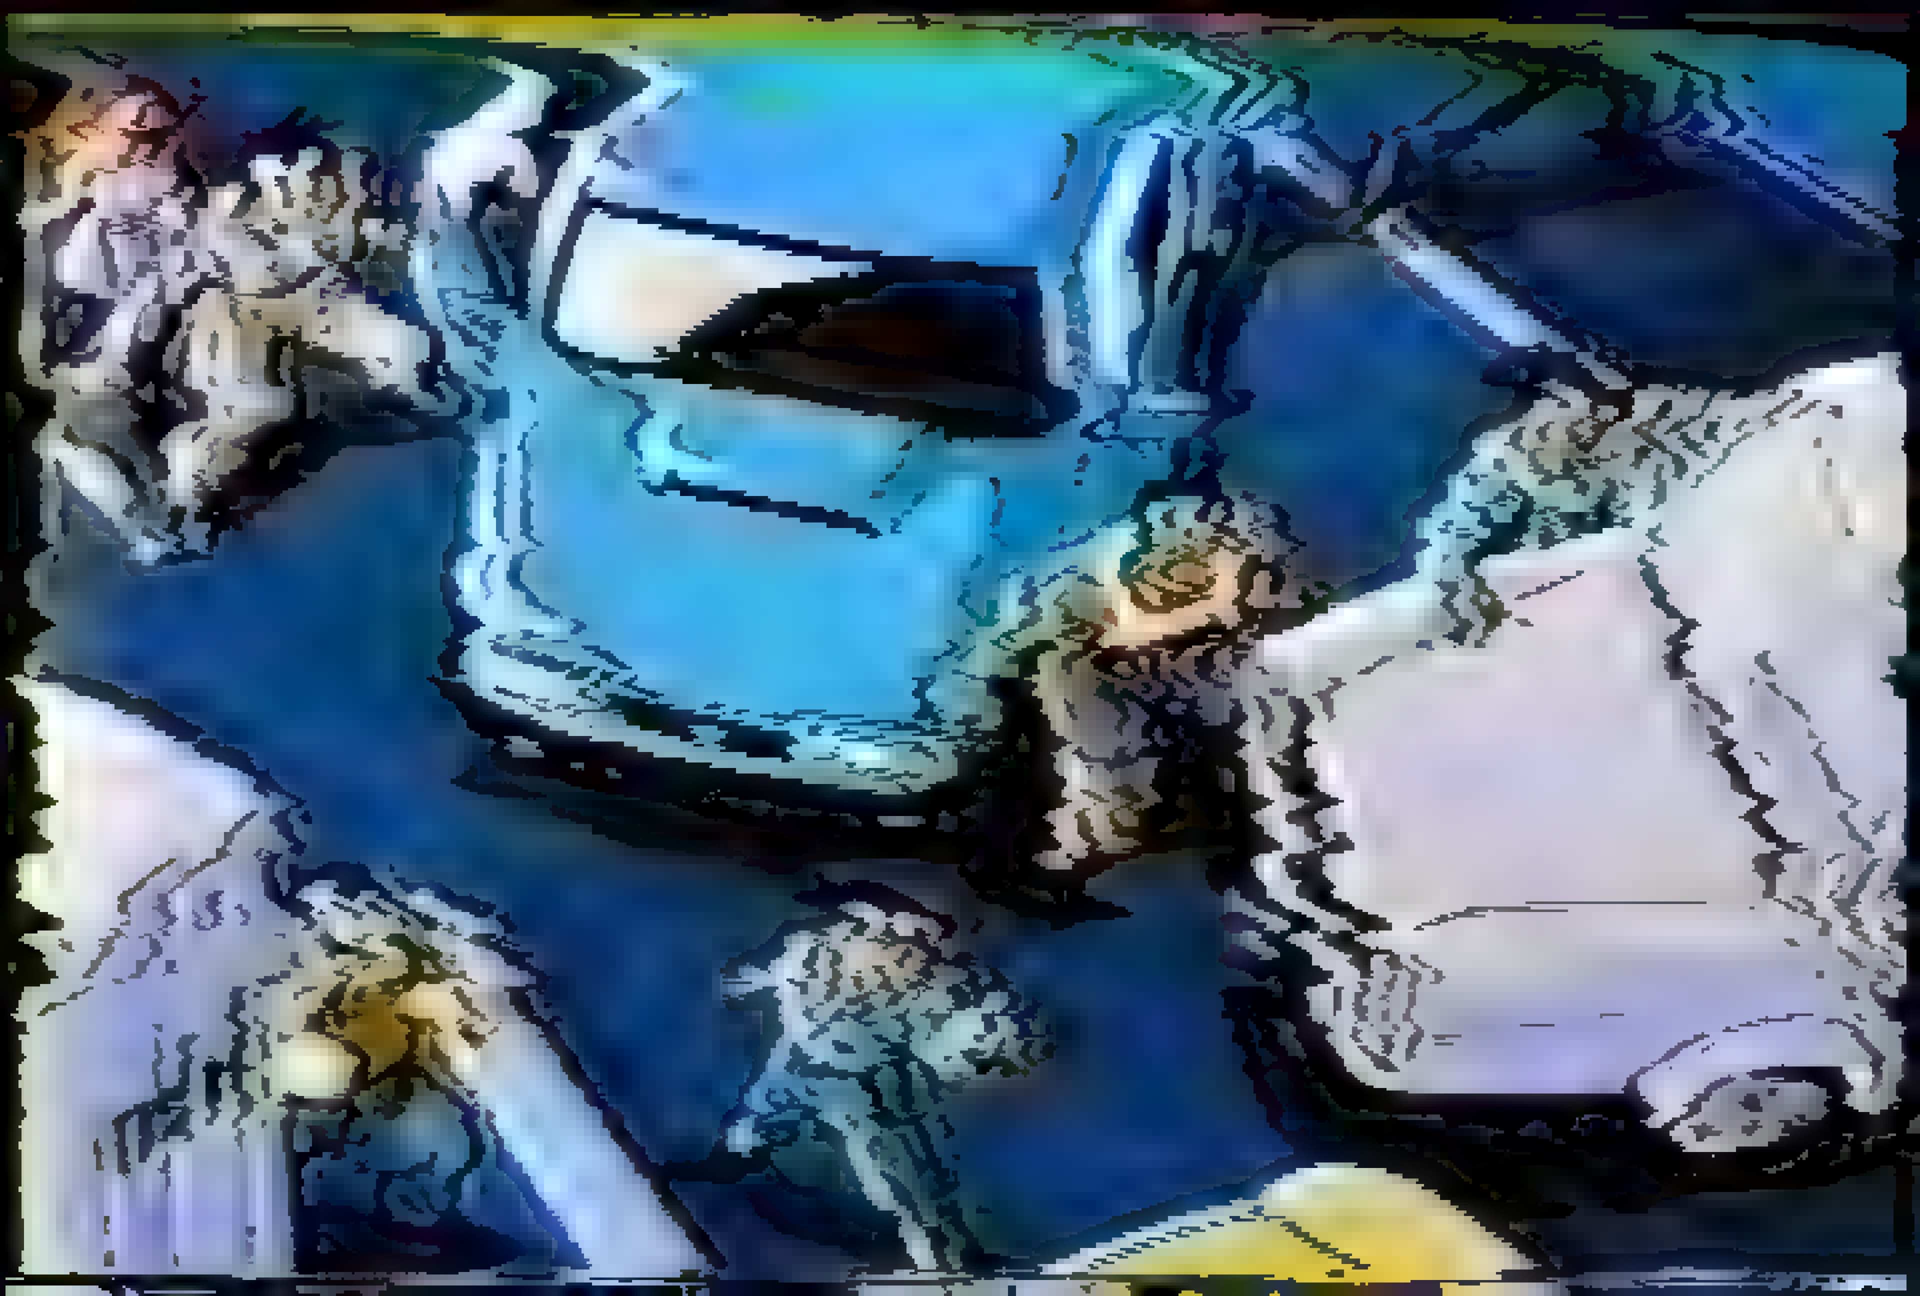

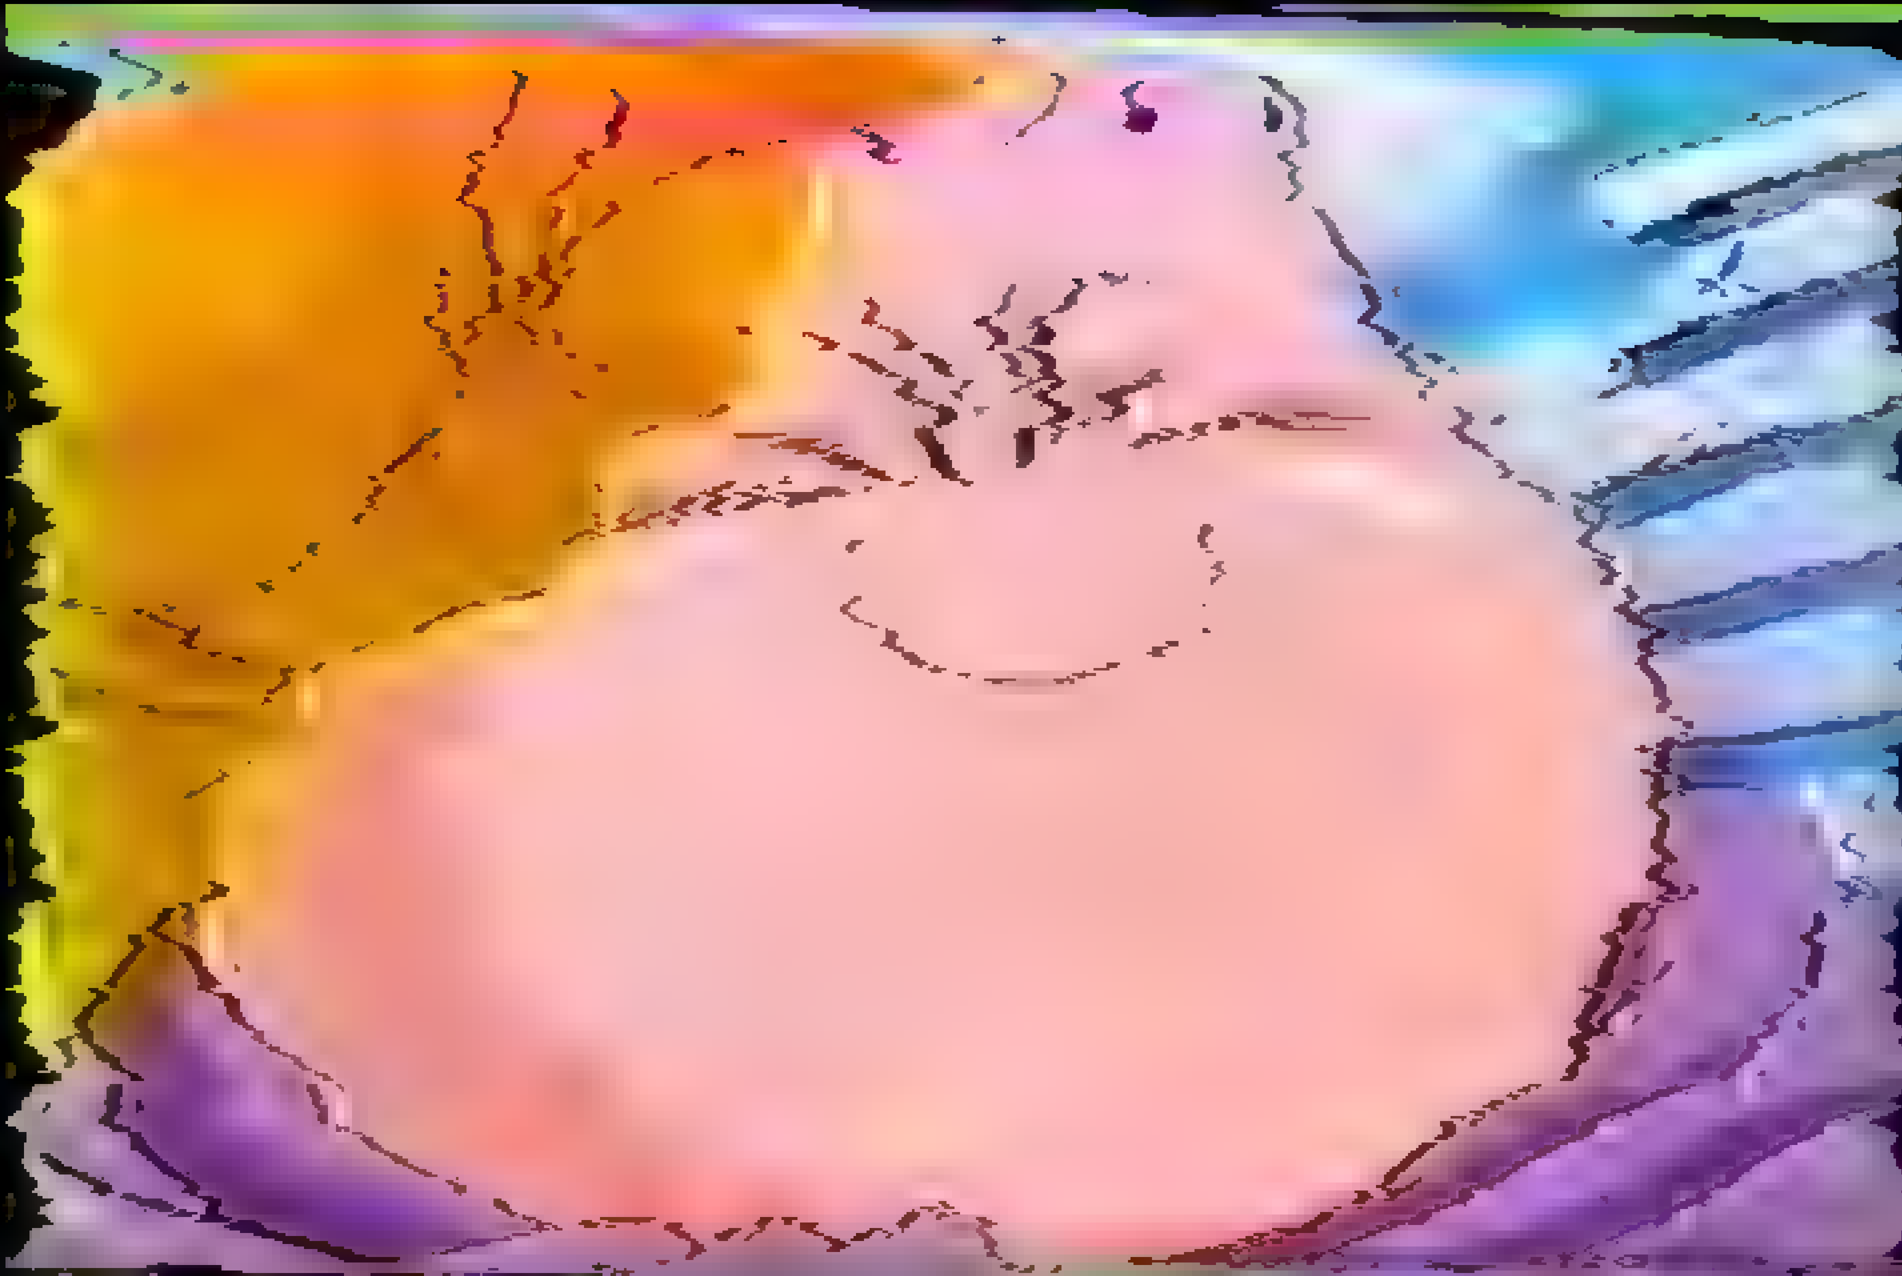

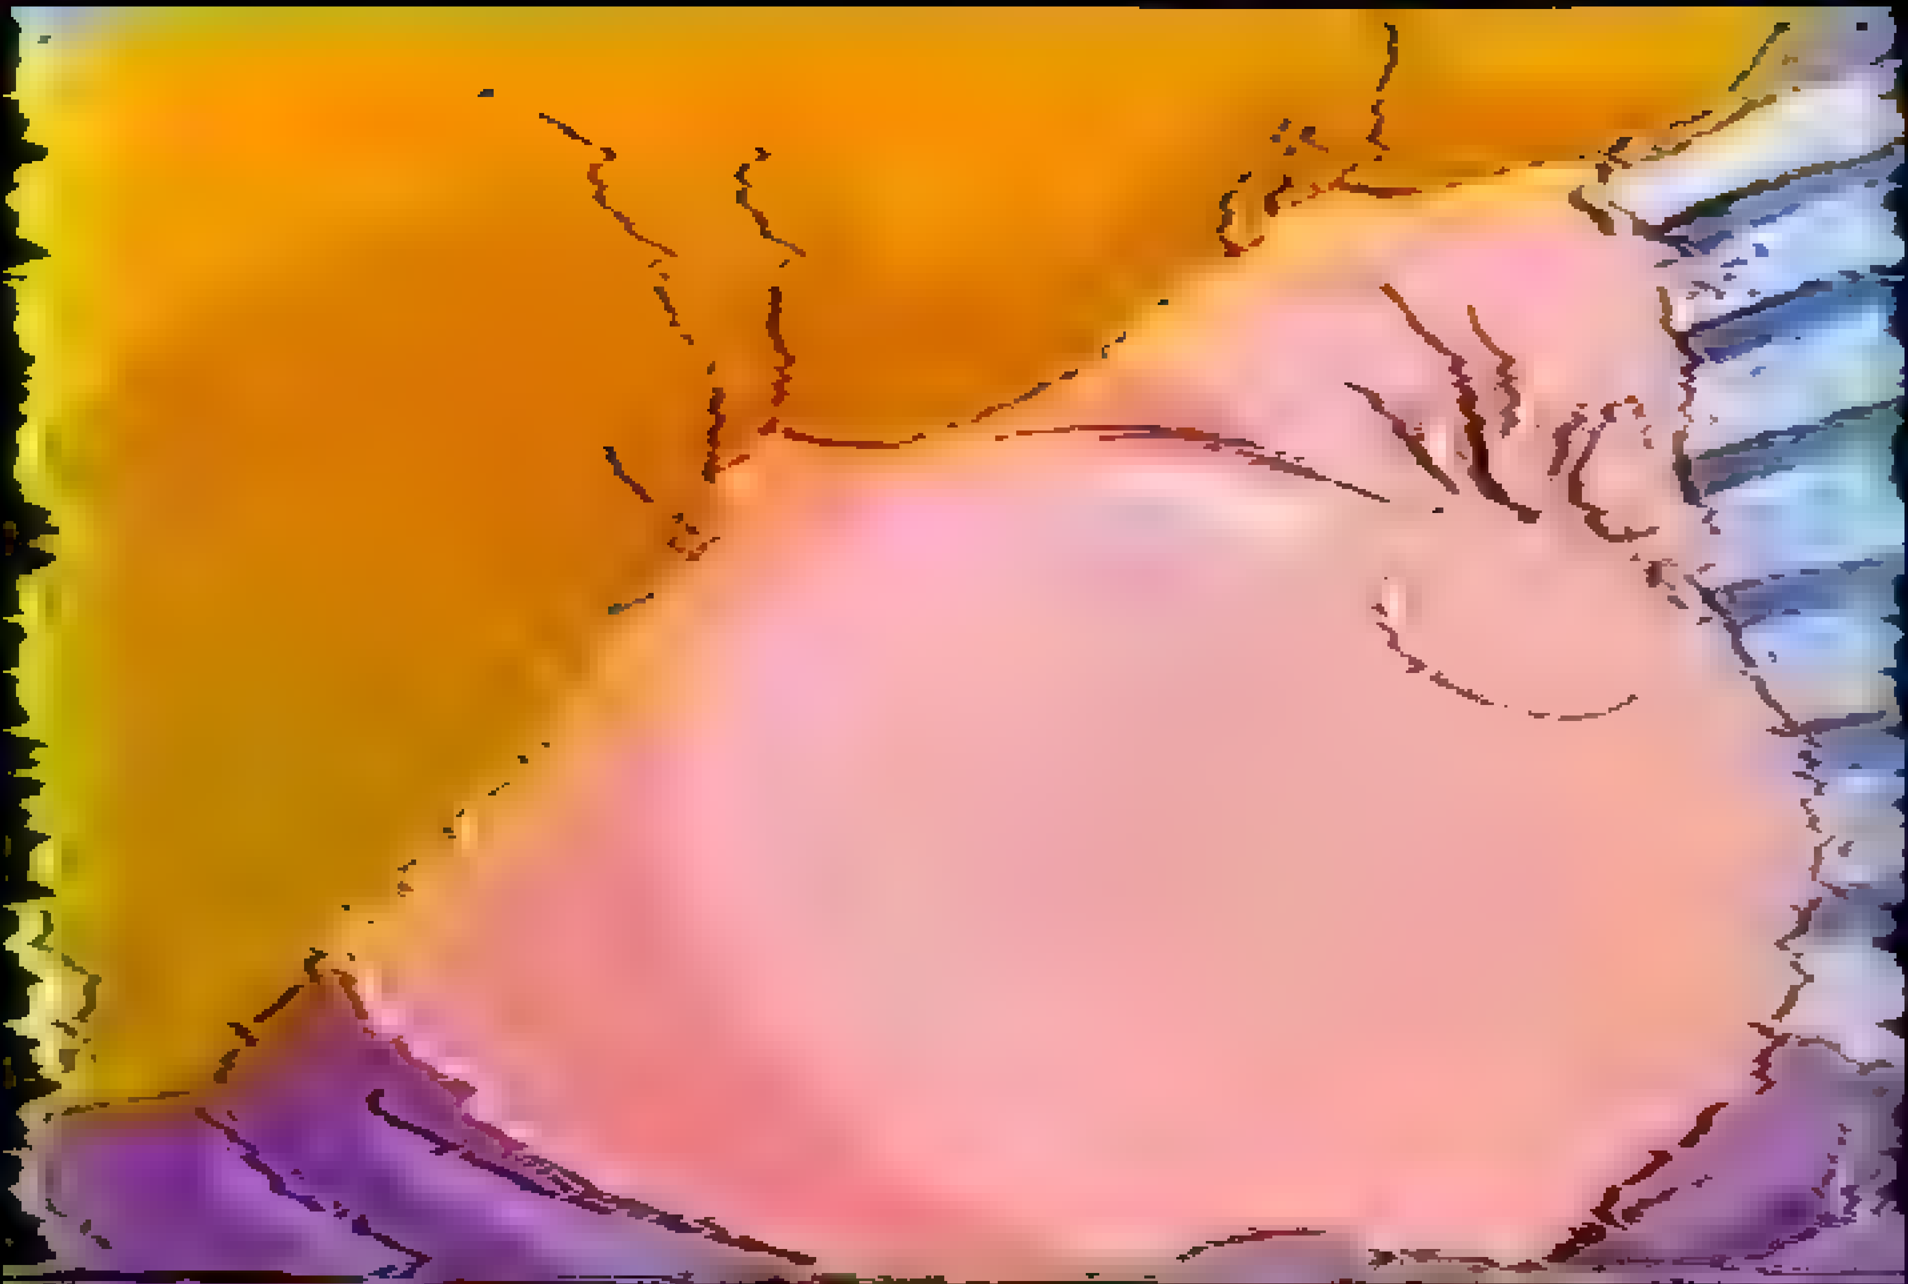

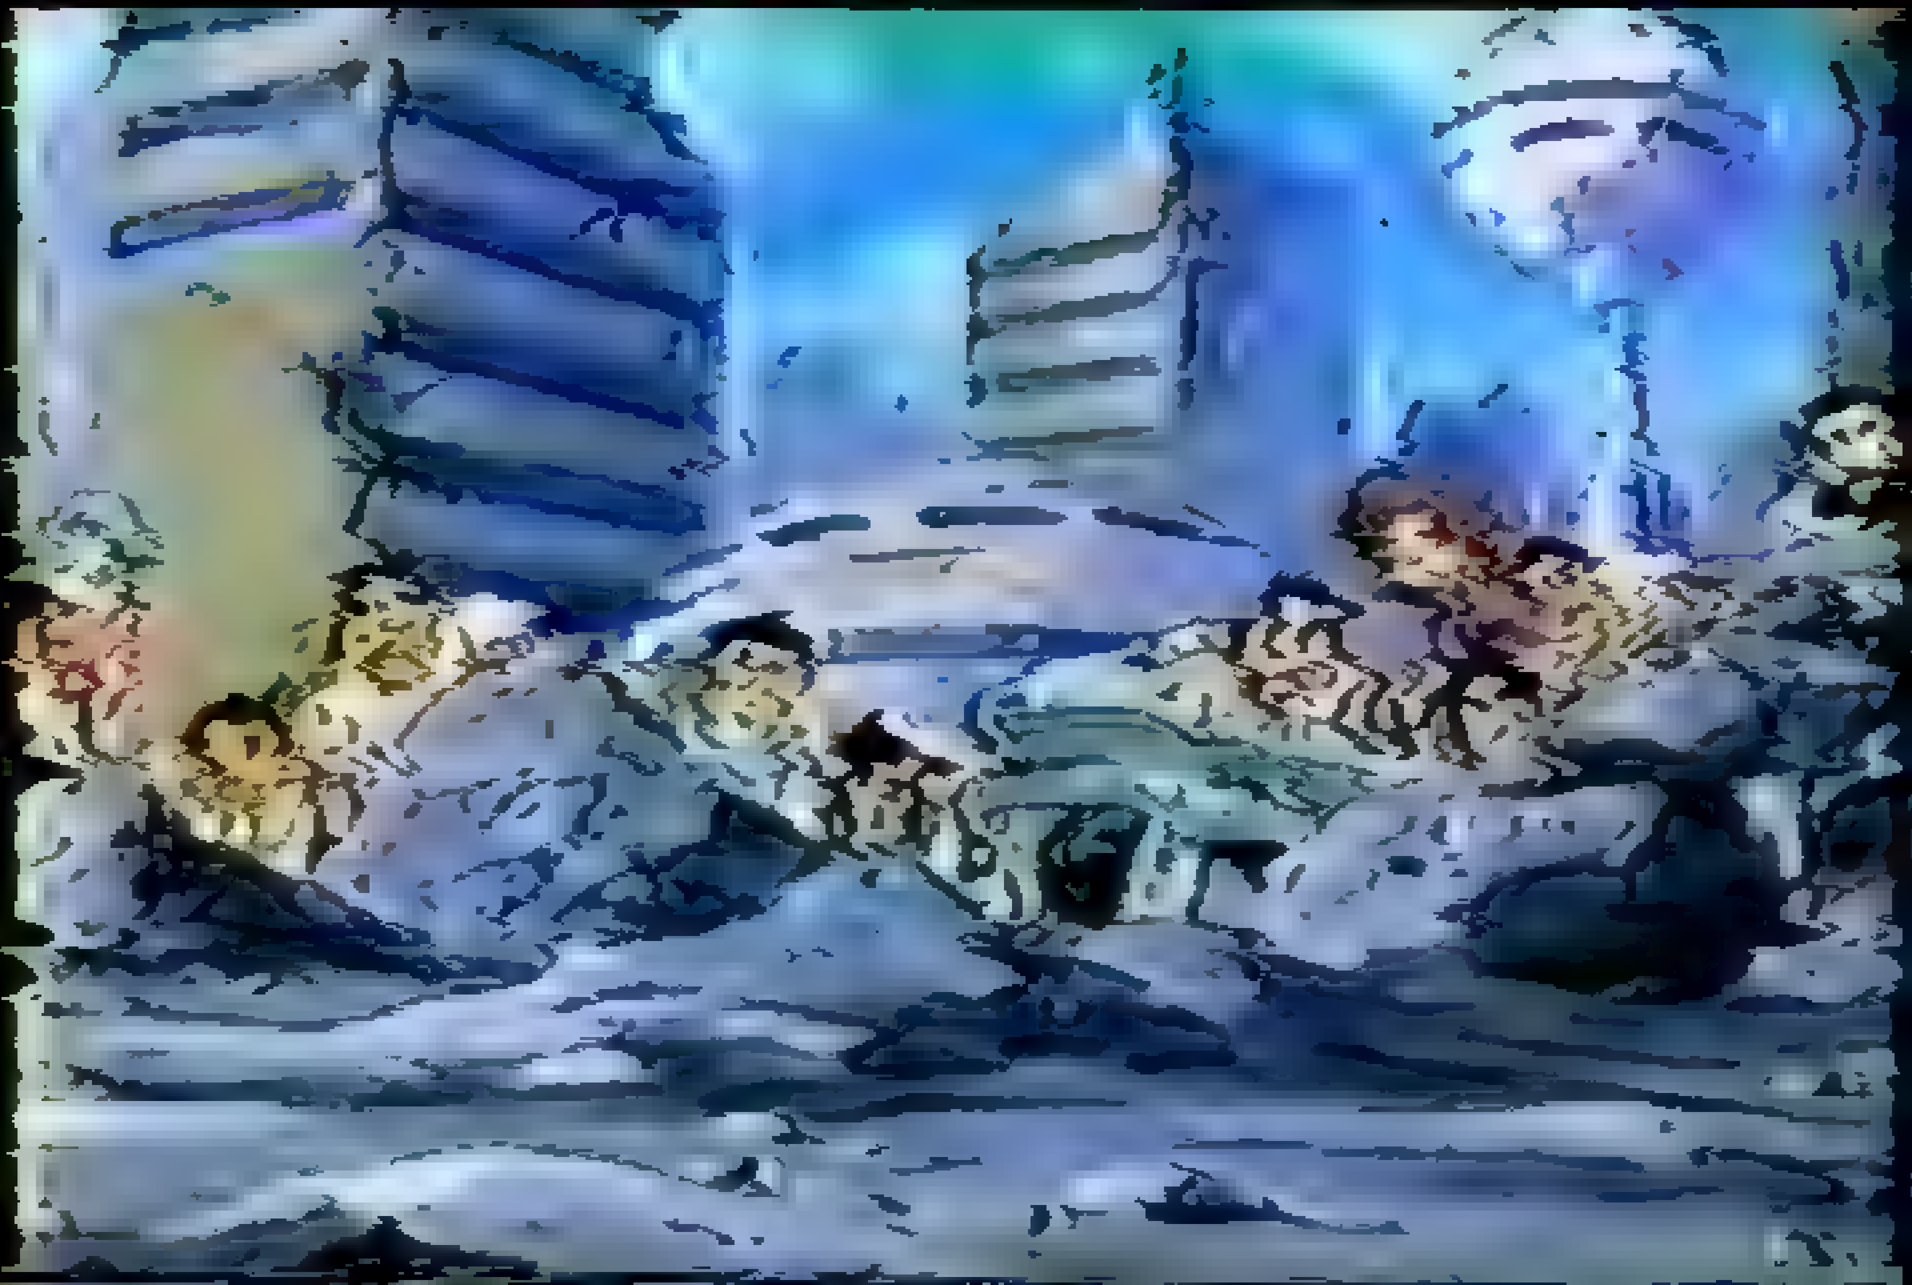

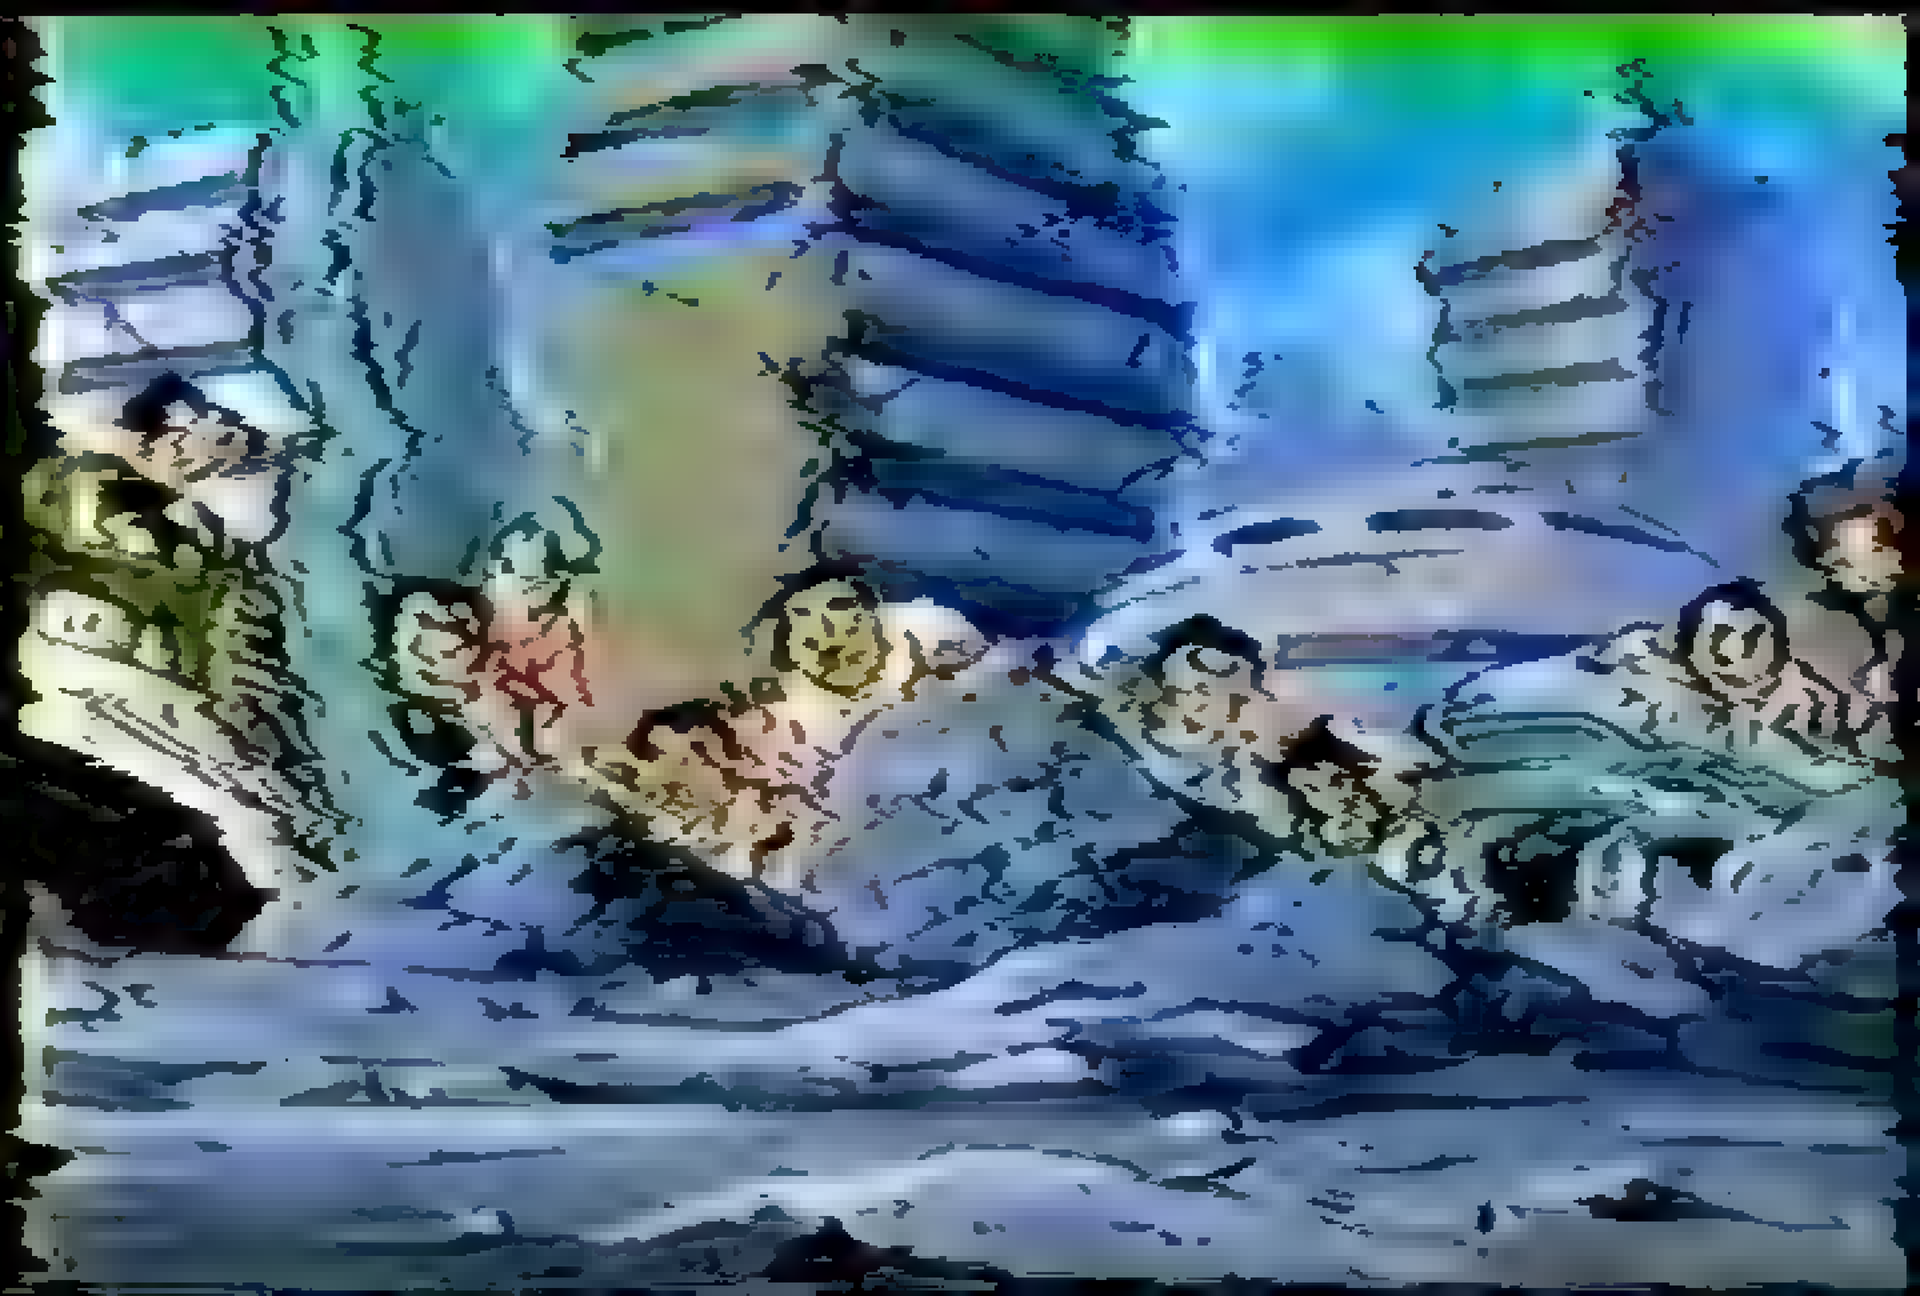

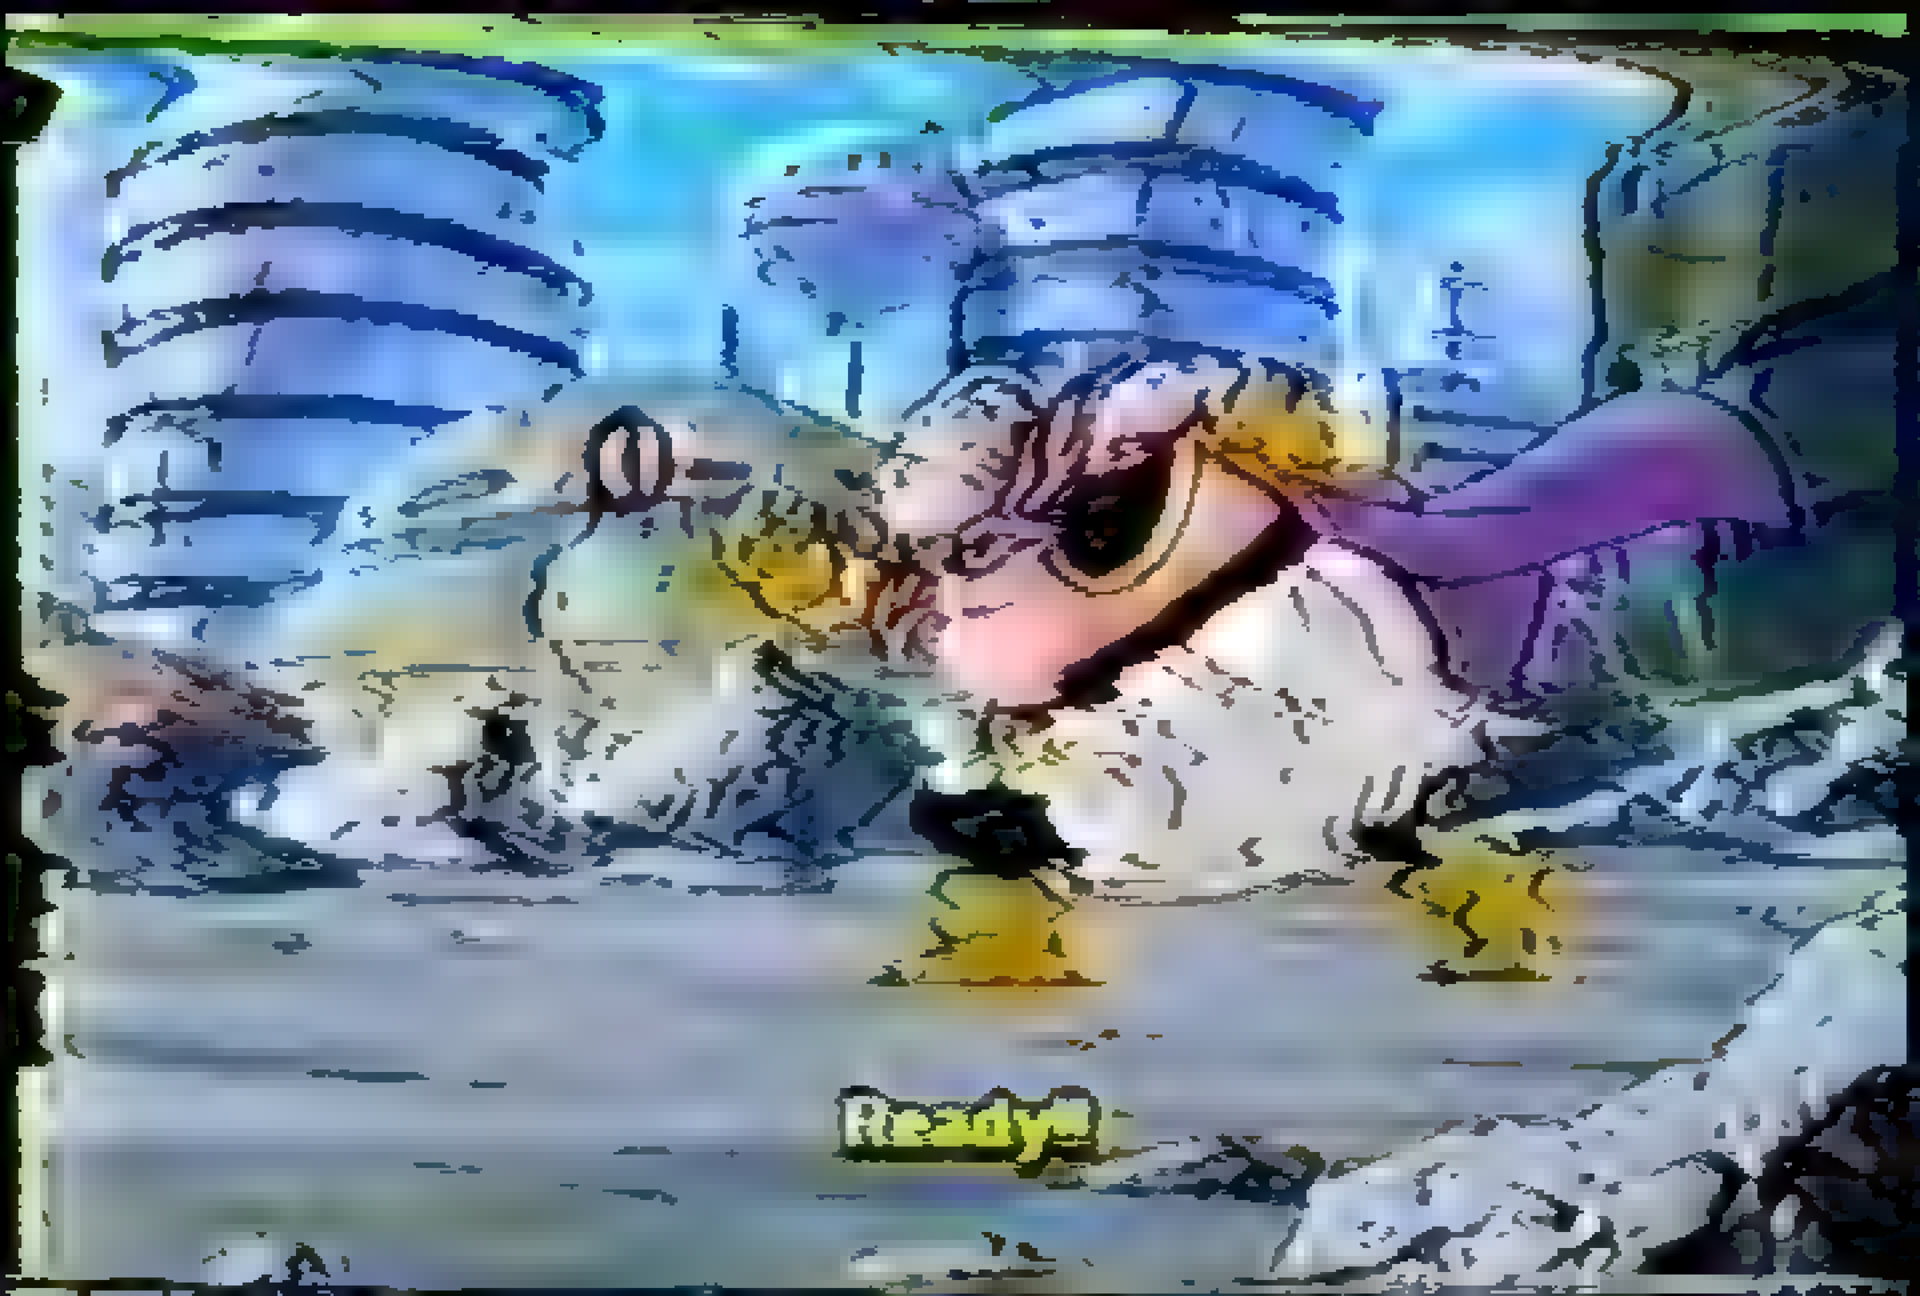

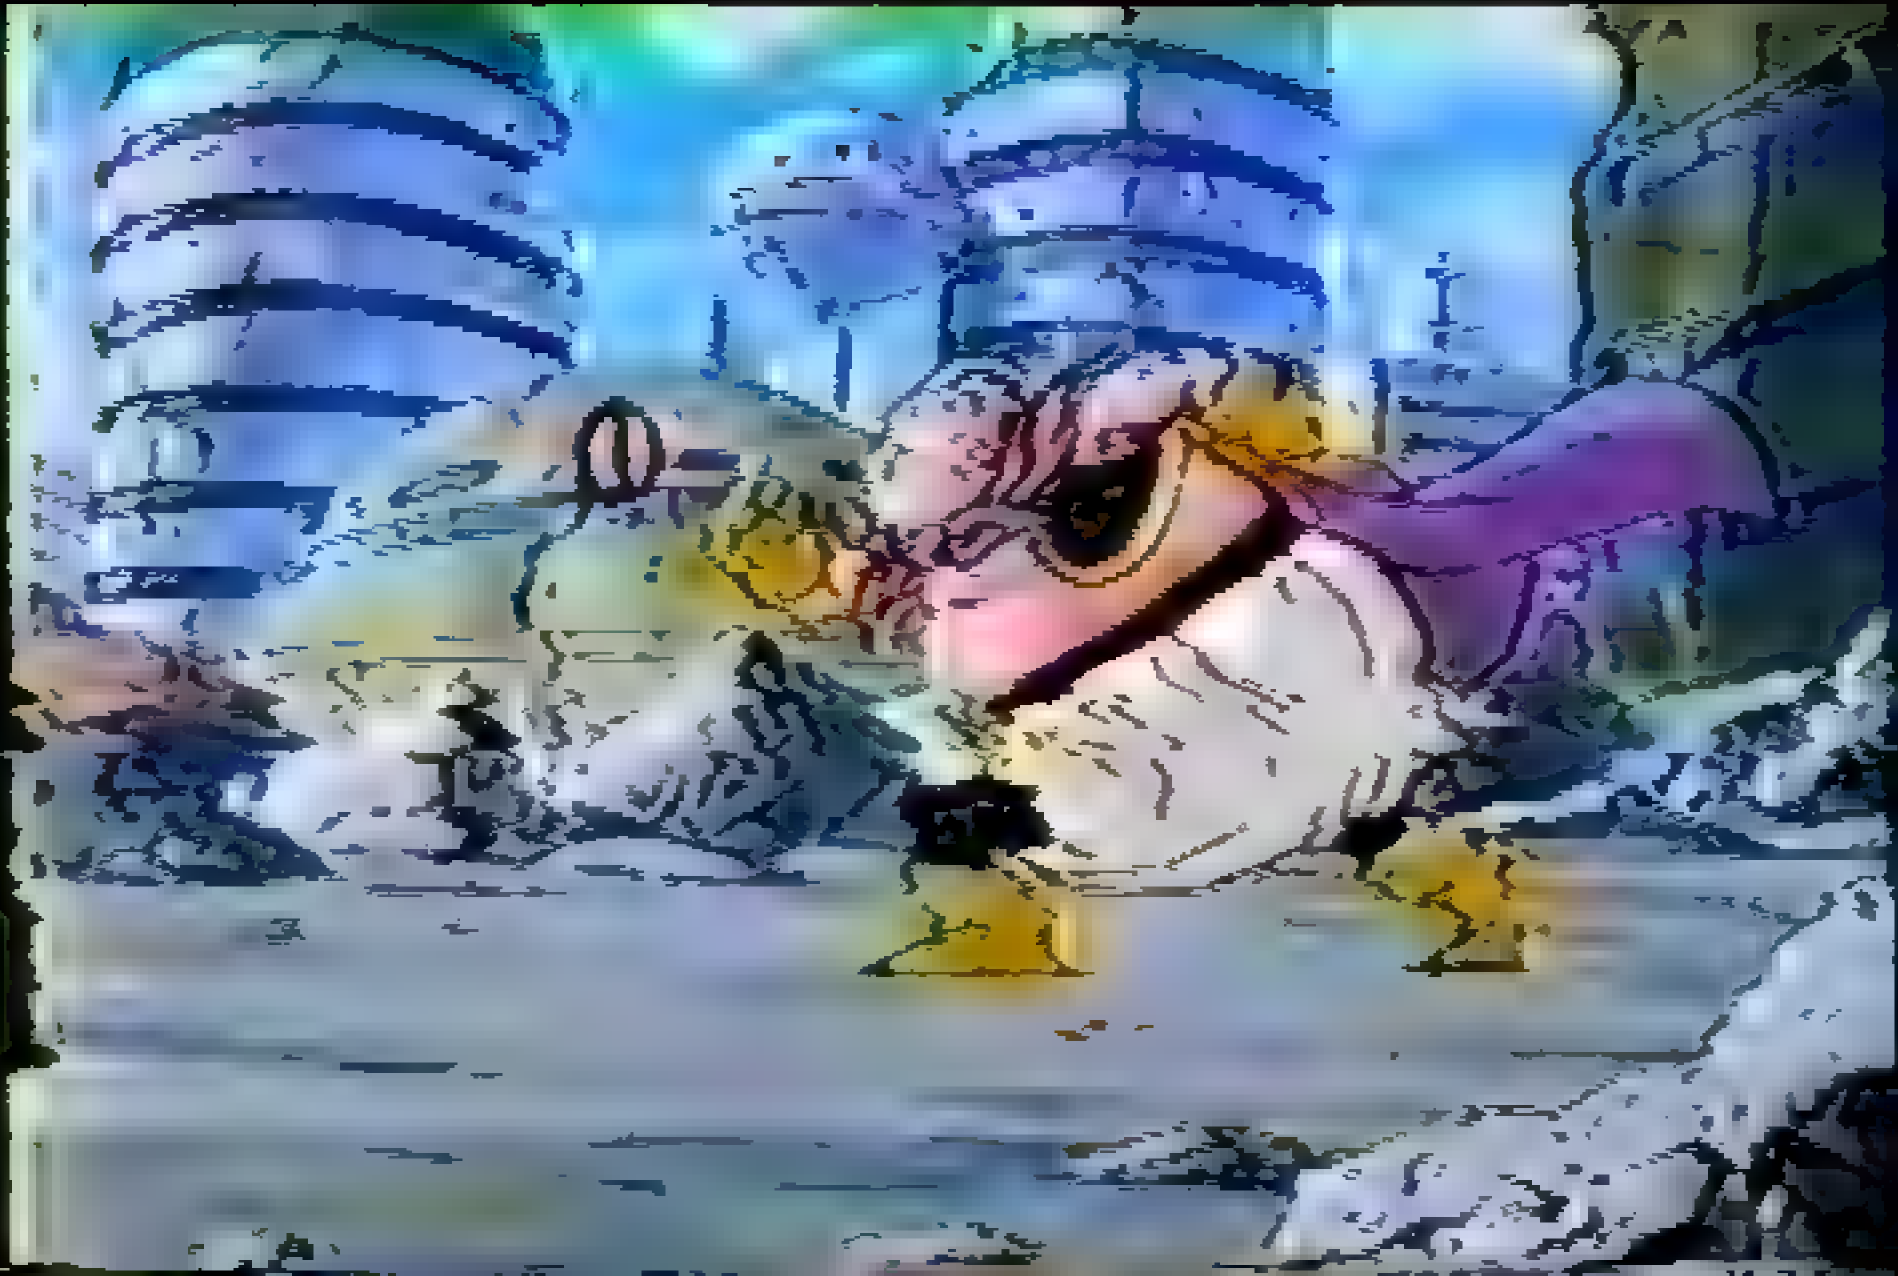

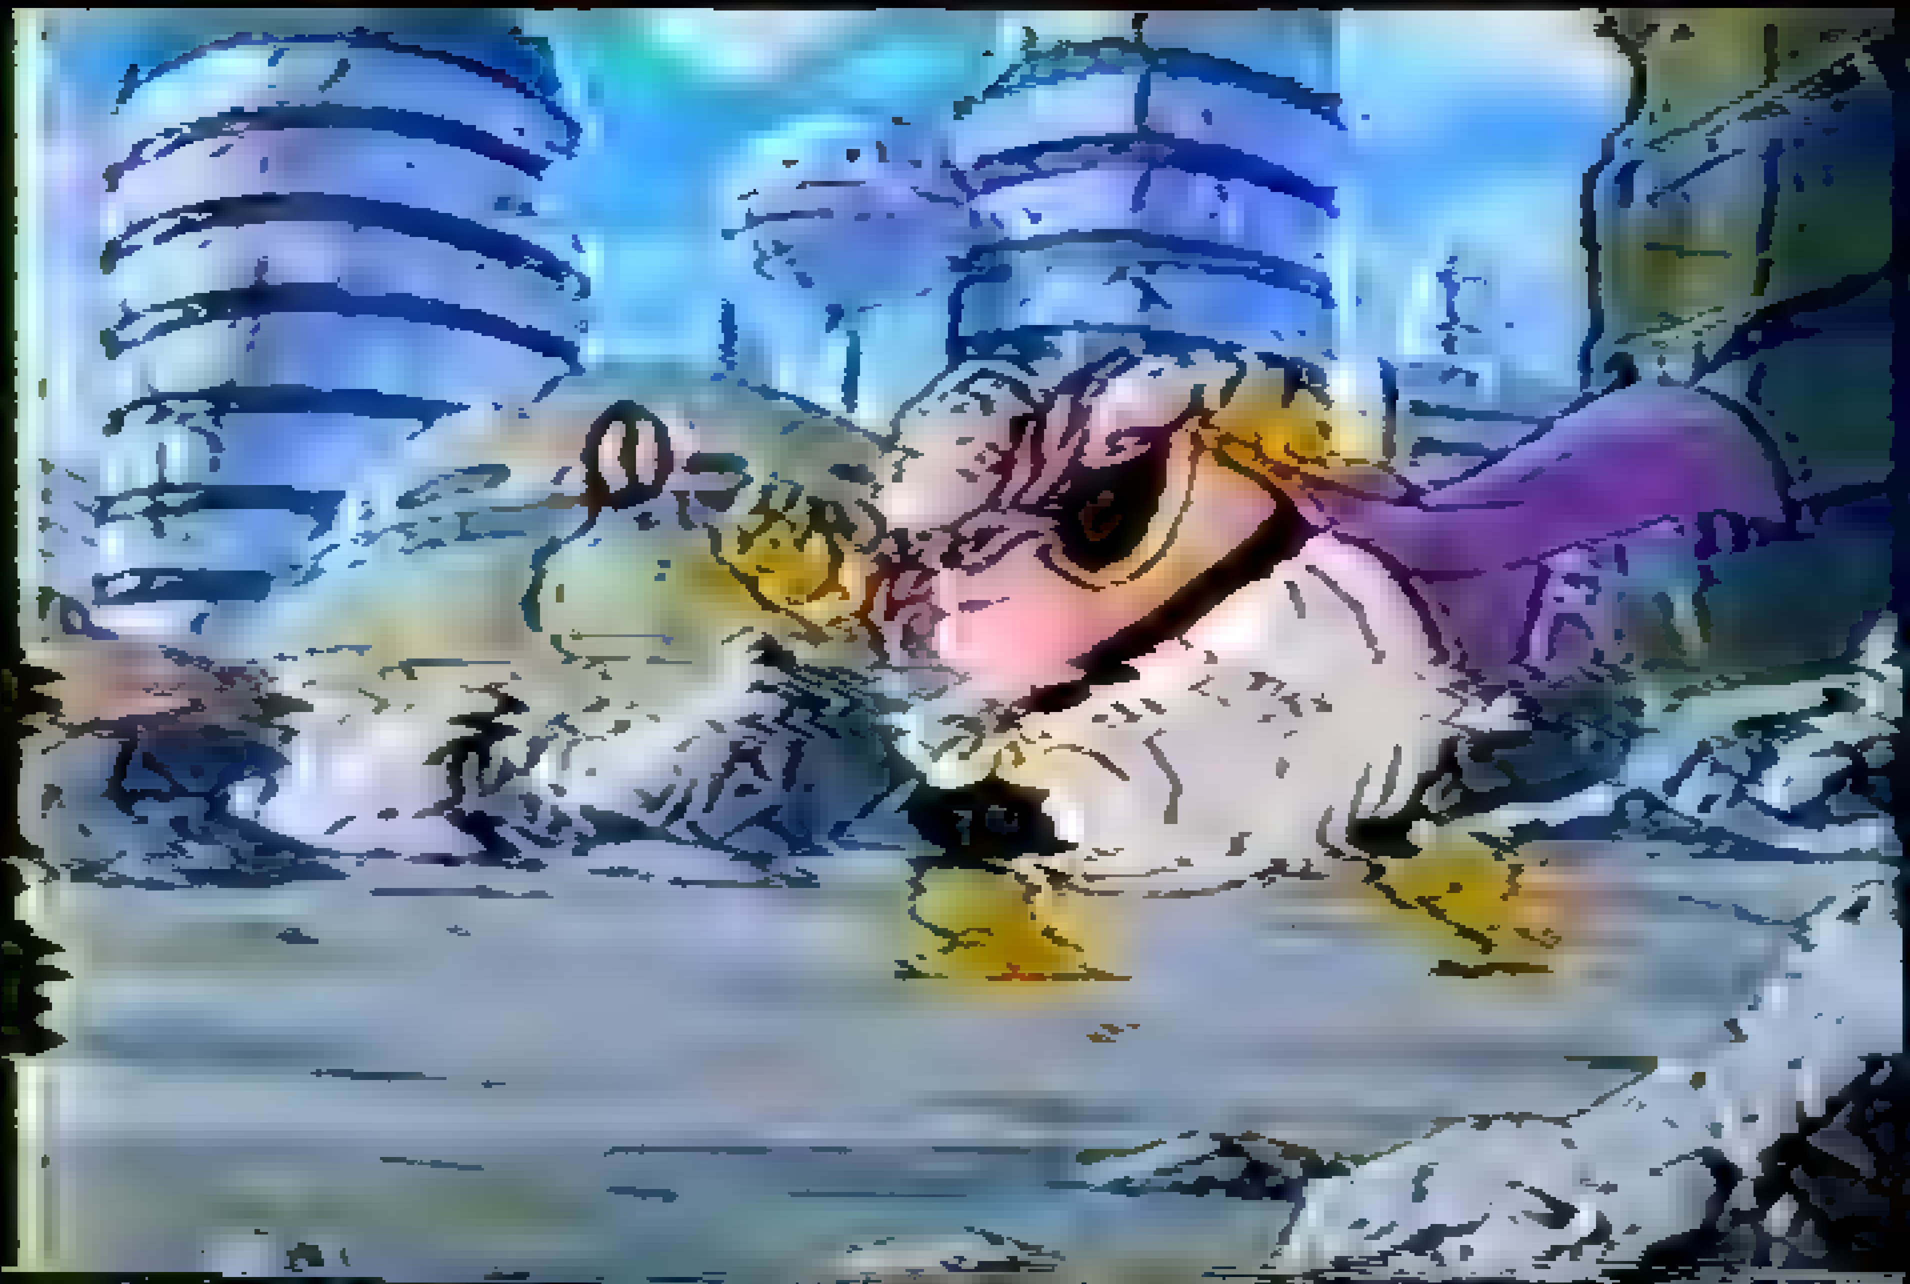

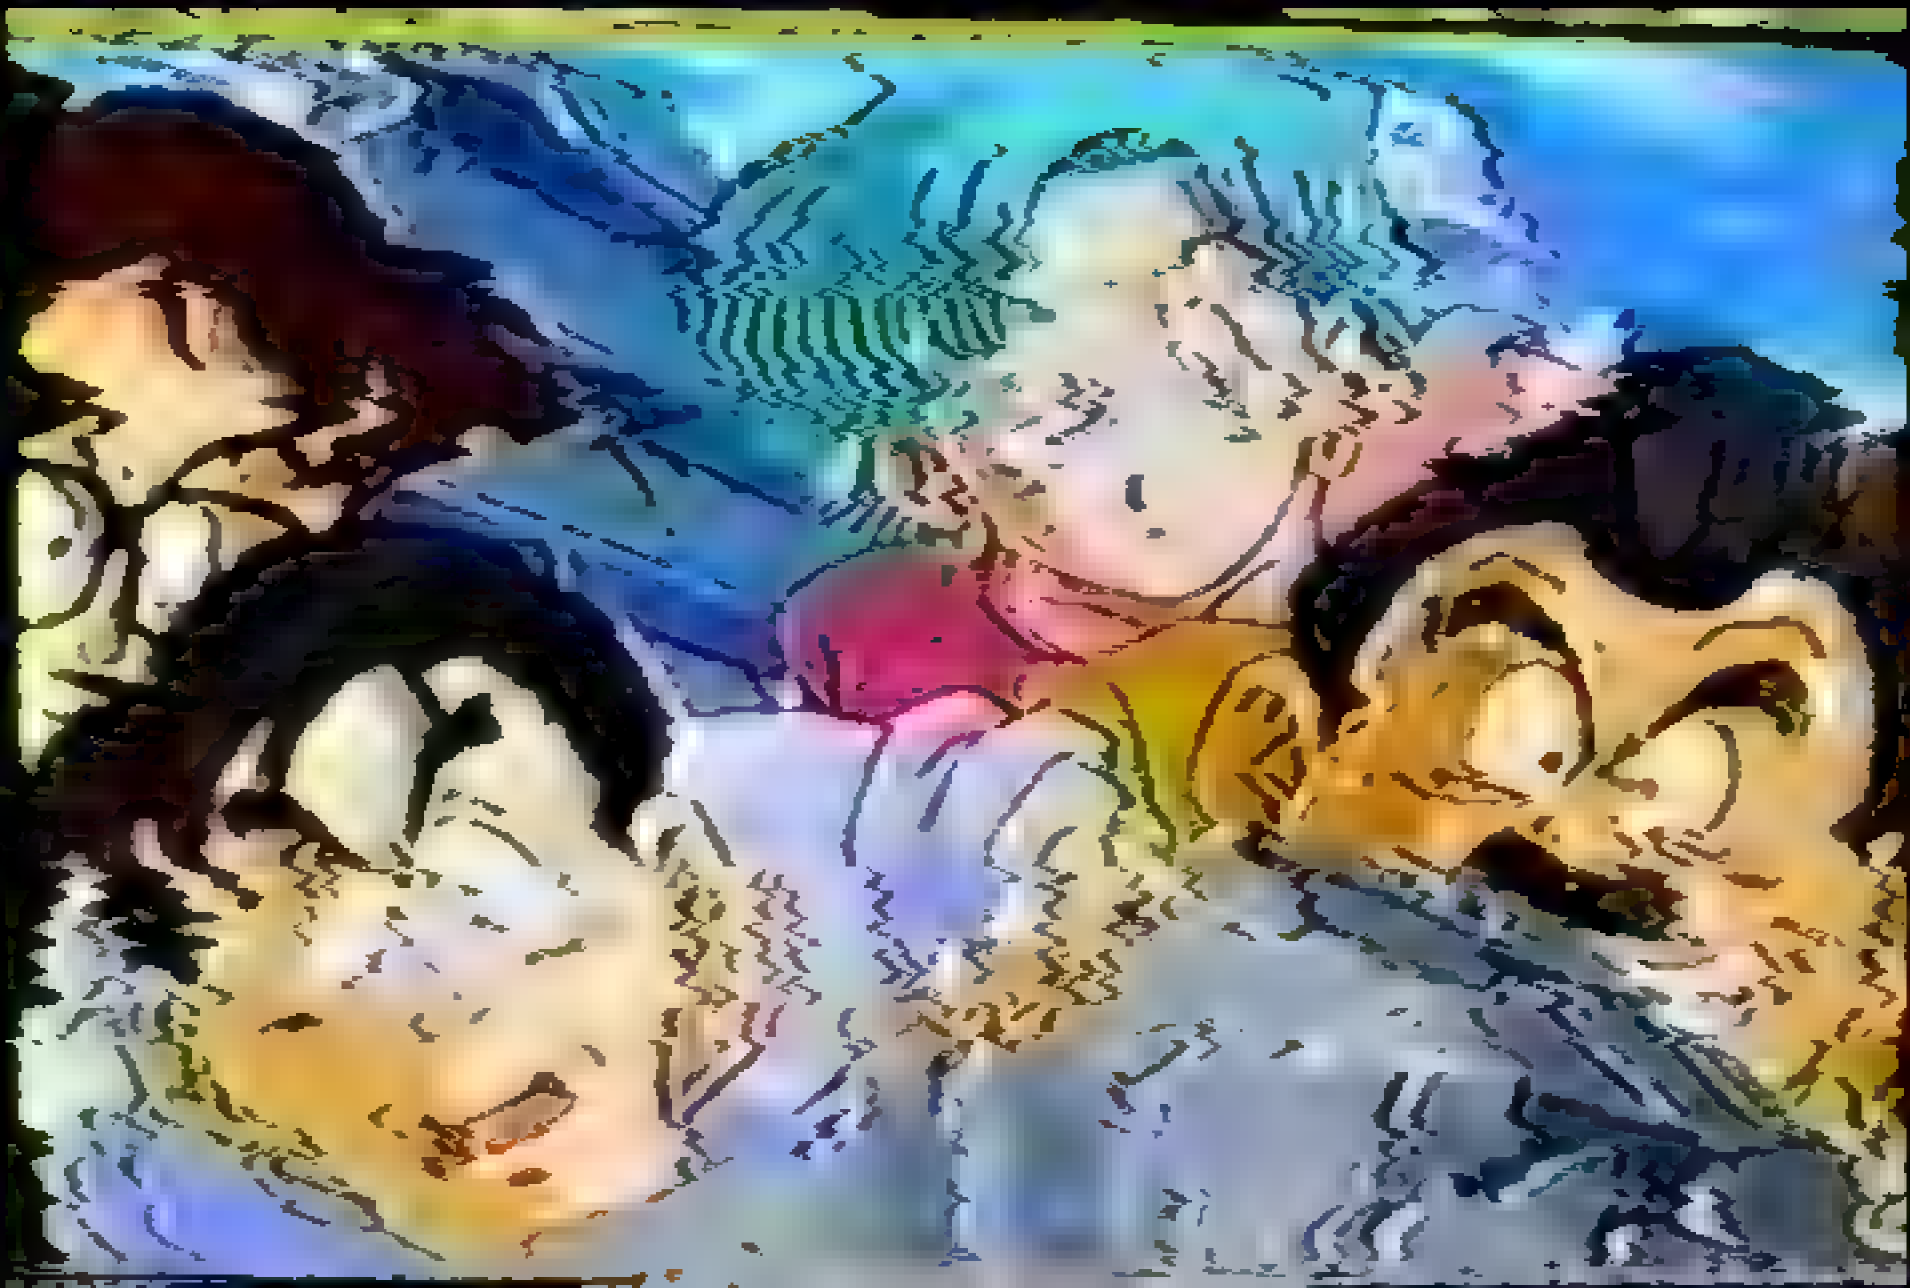

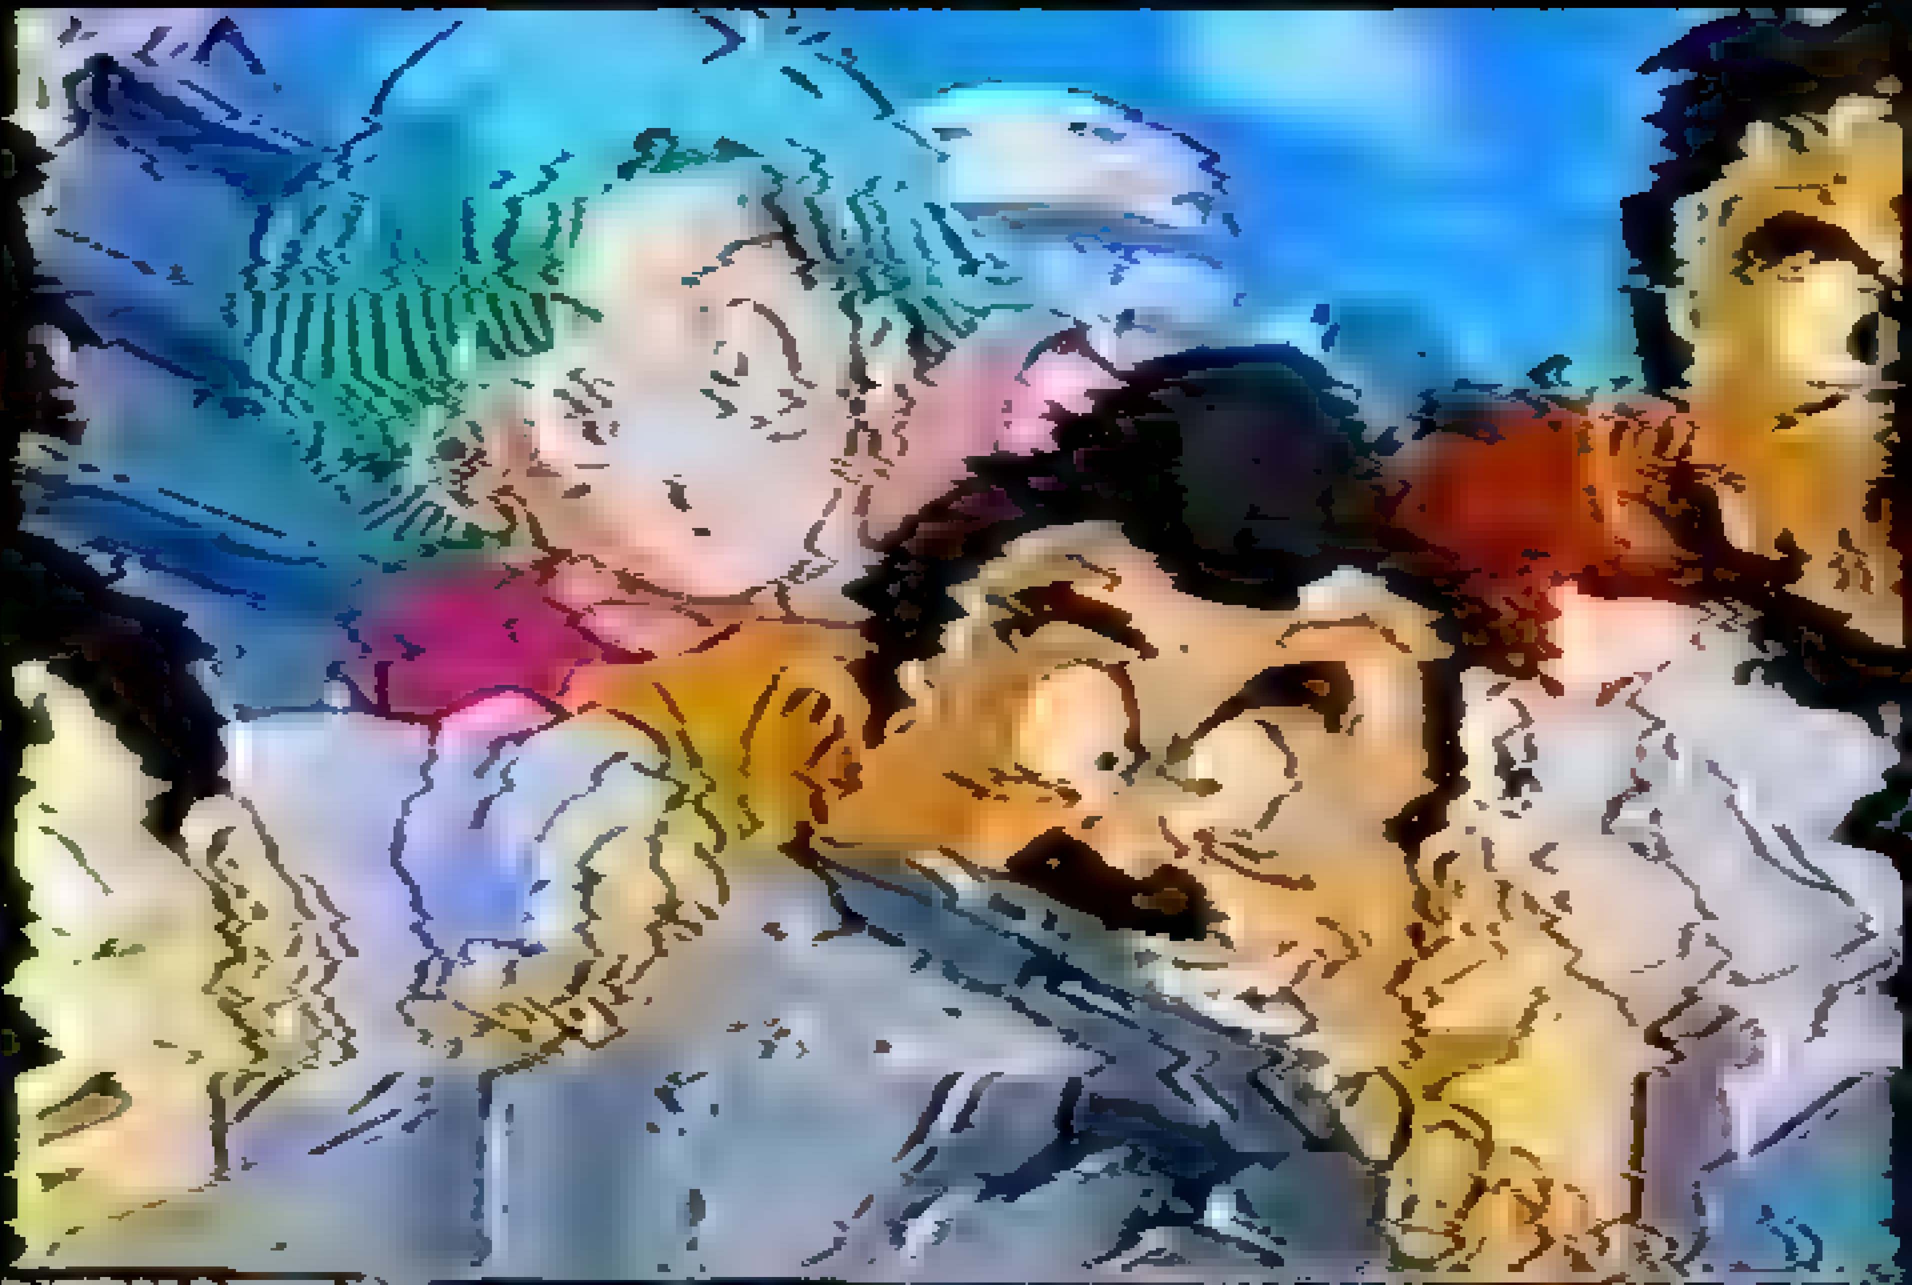

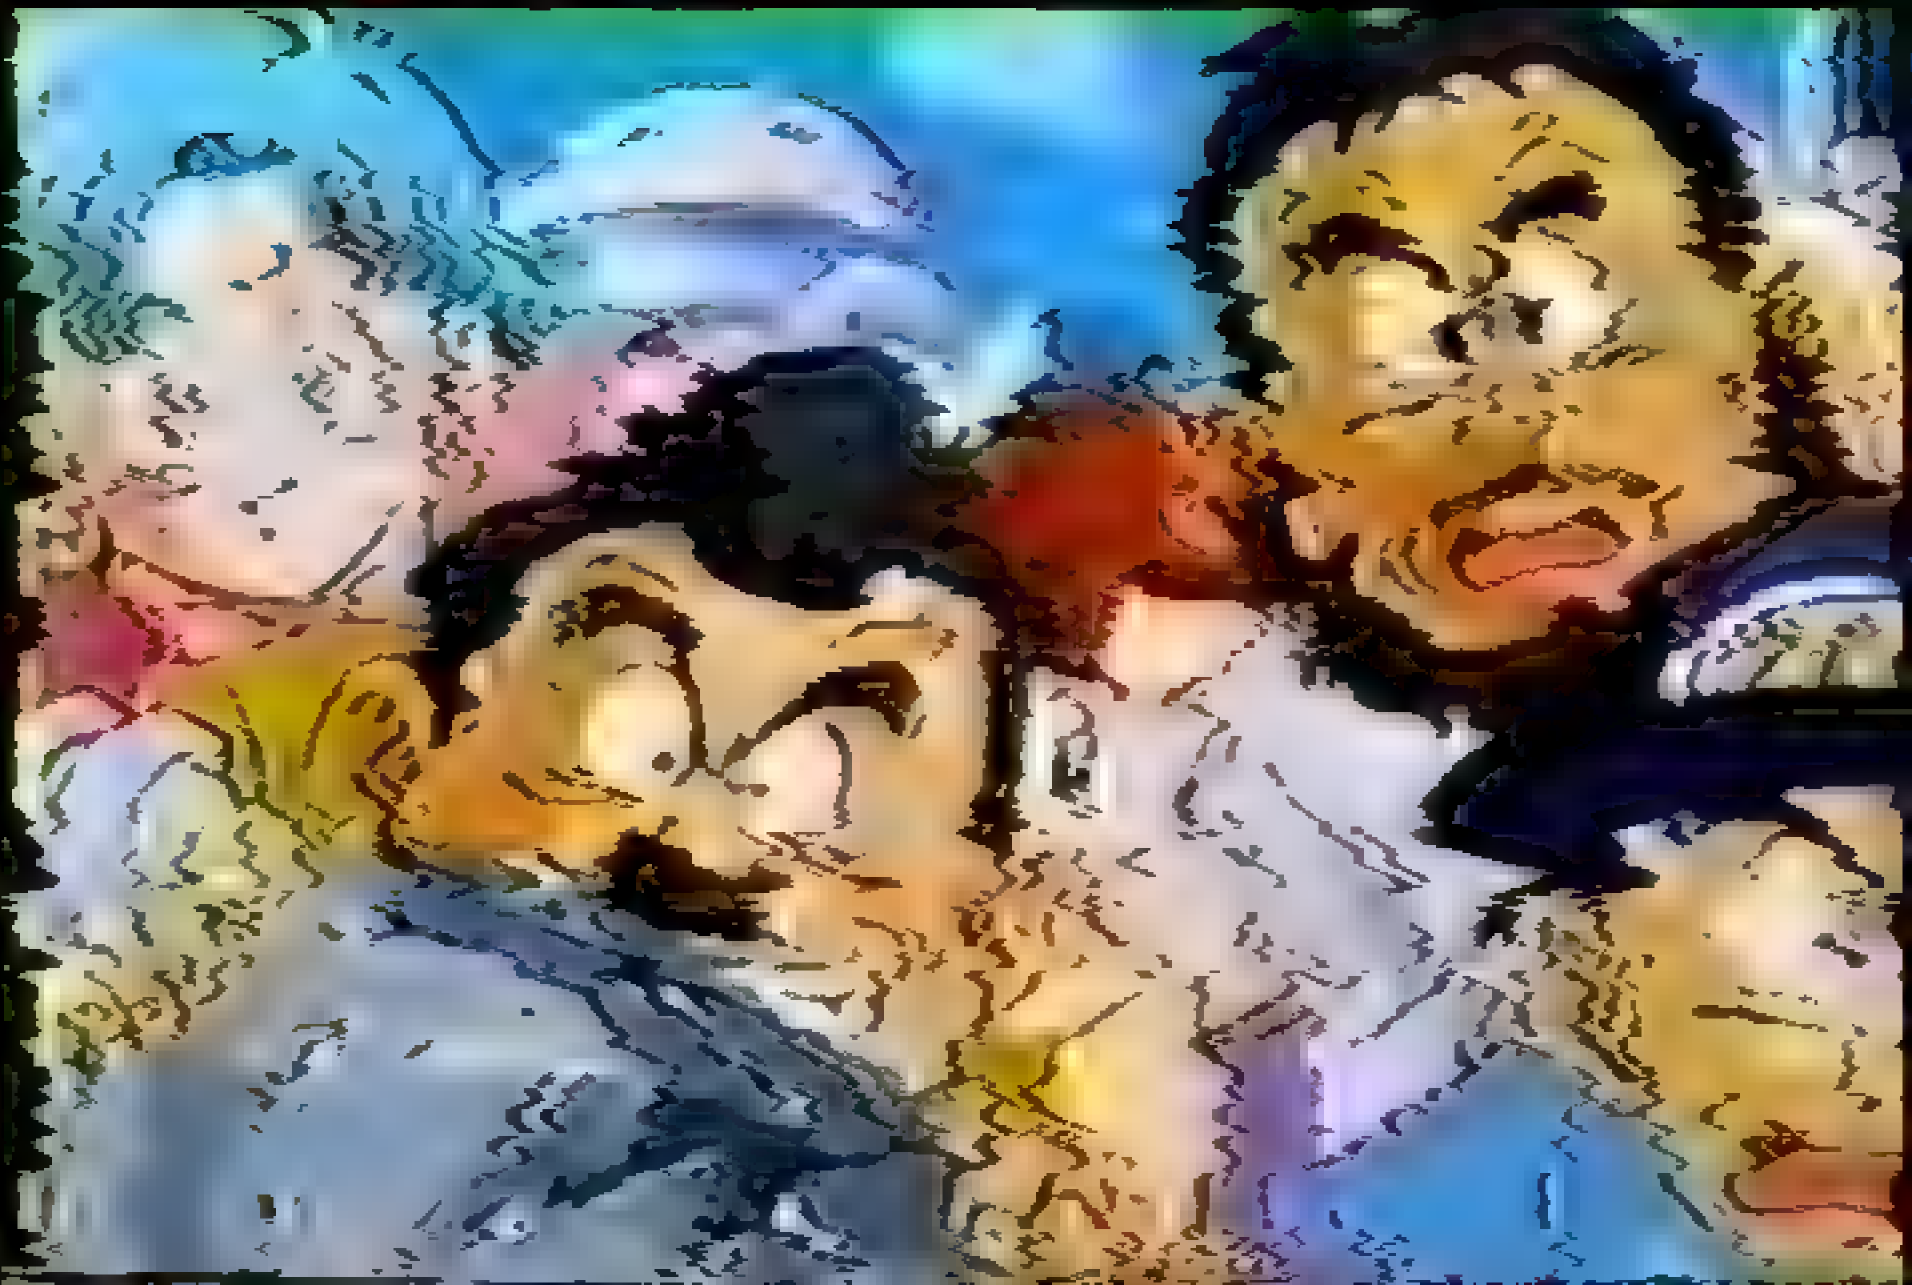

Ready

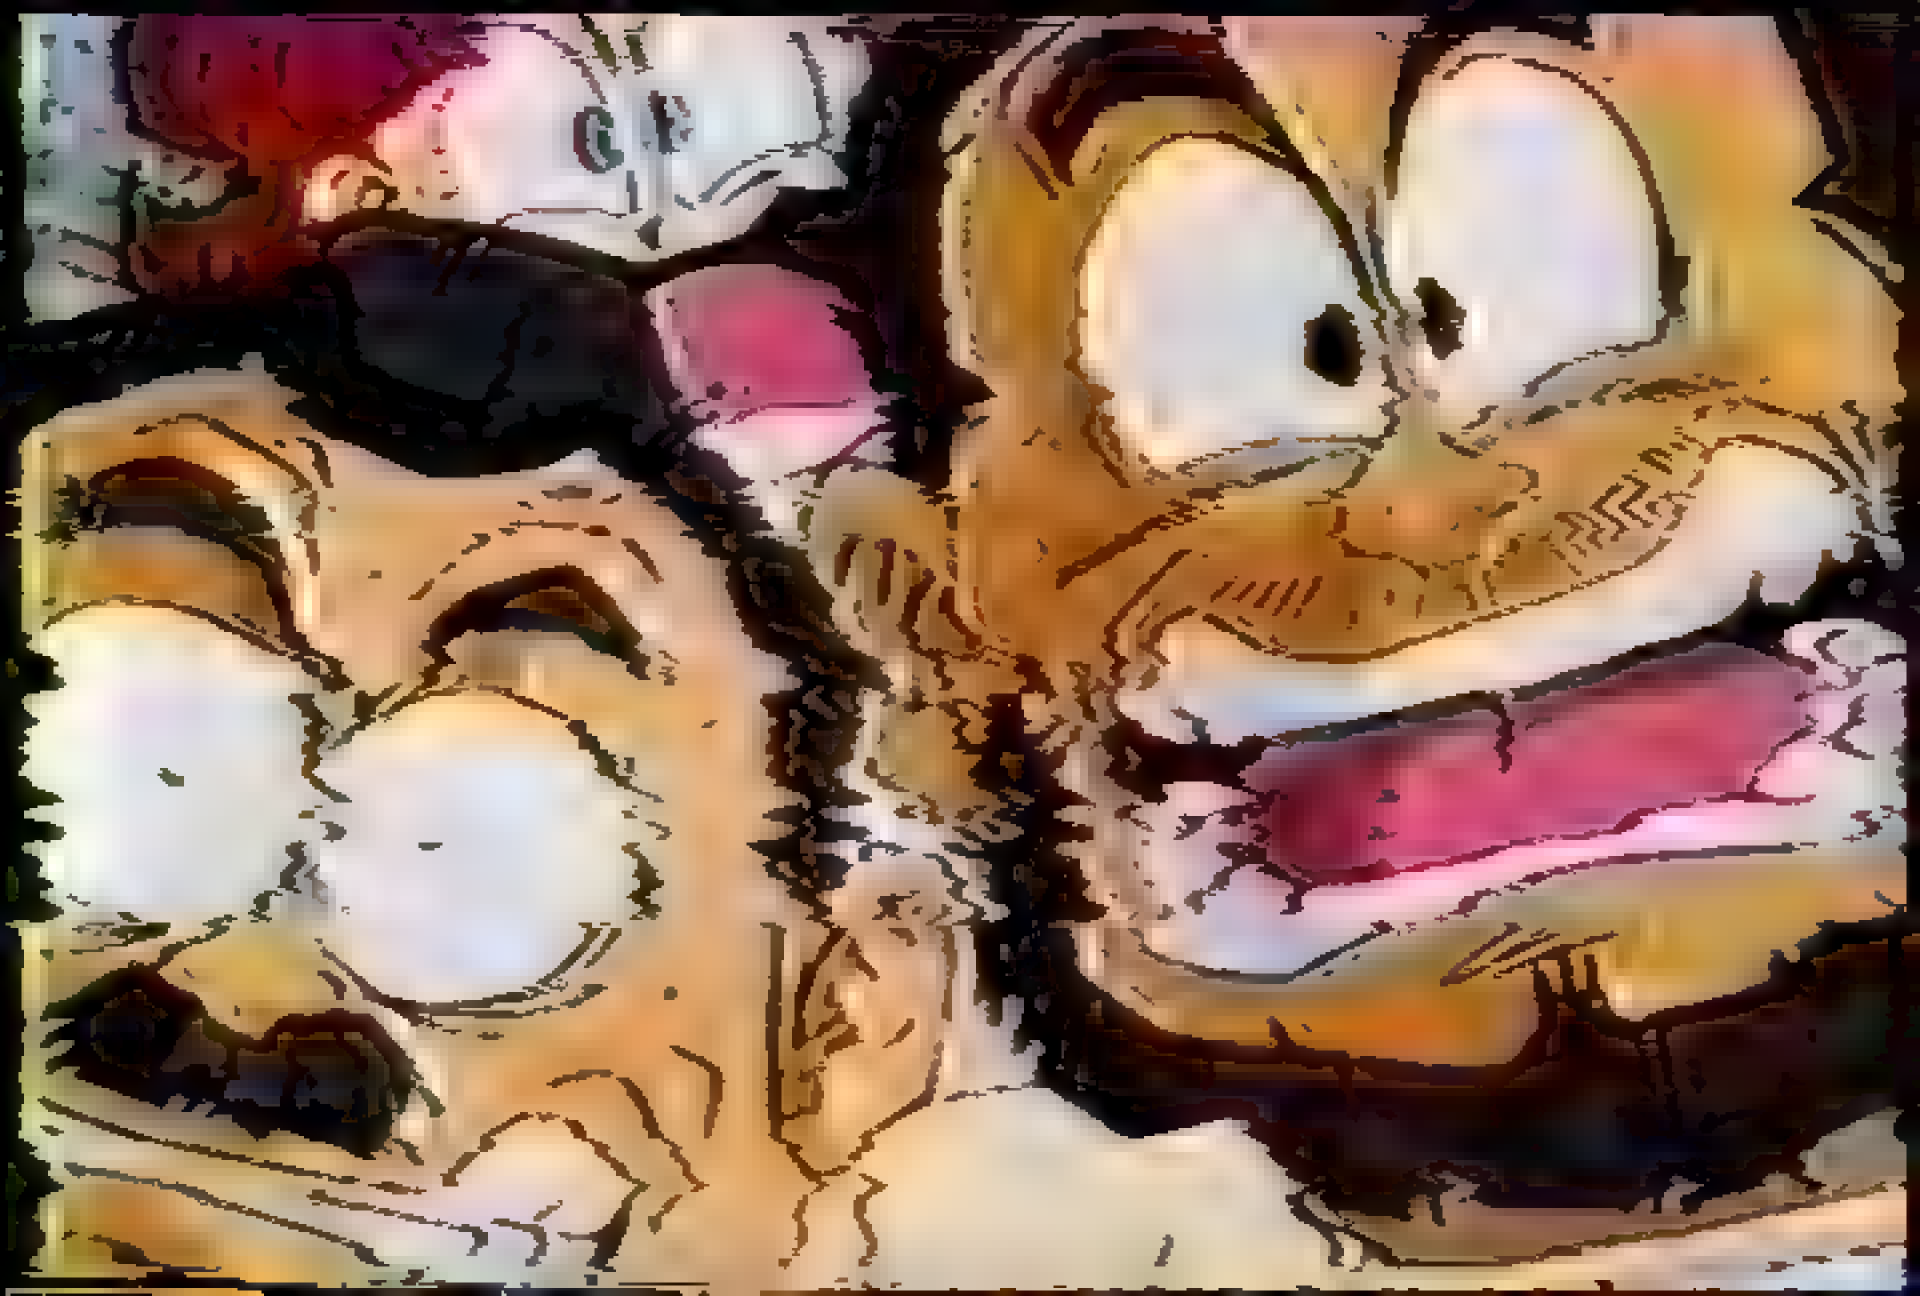

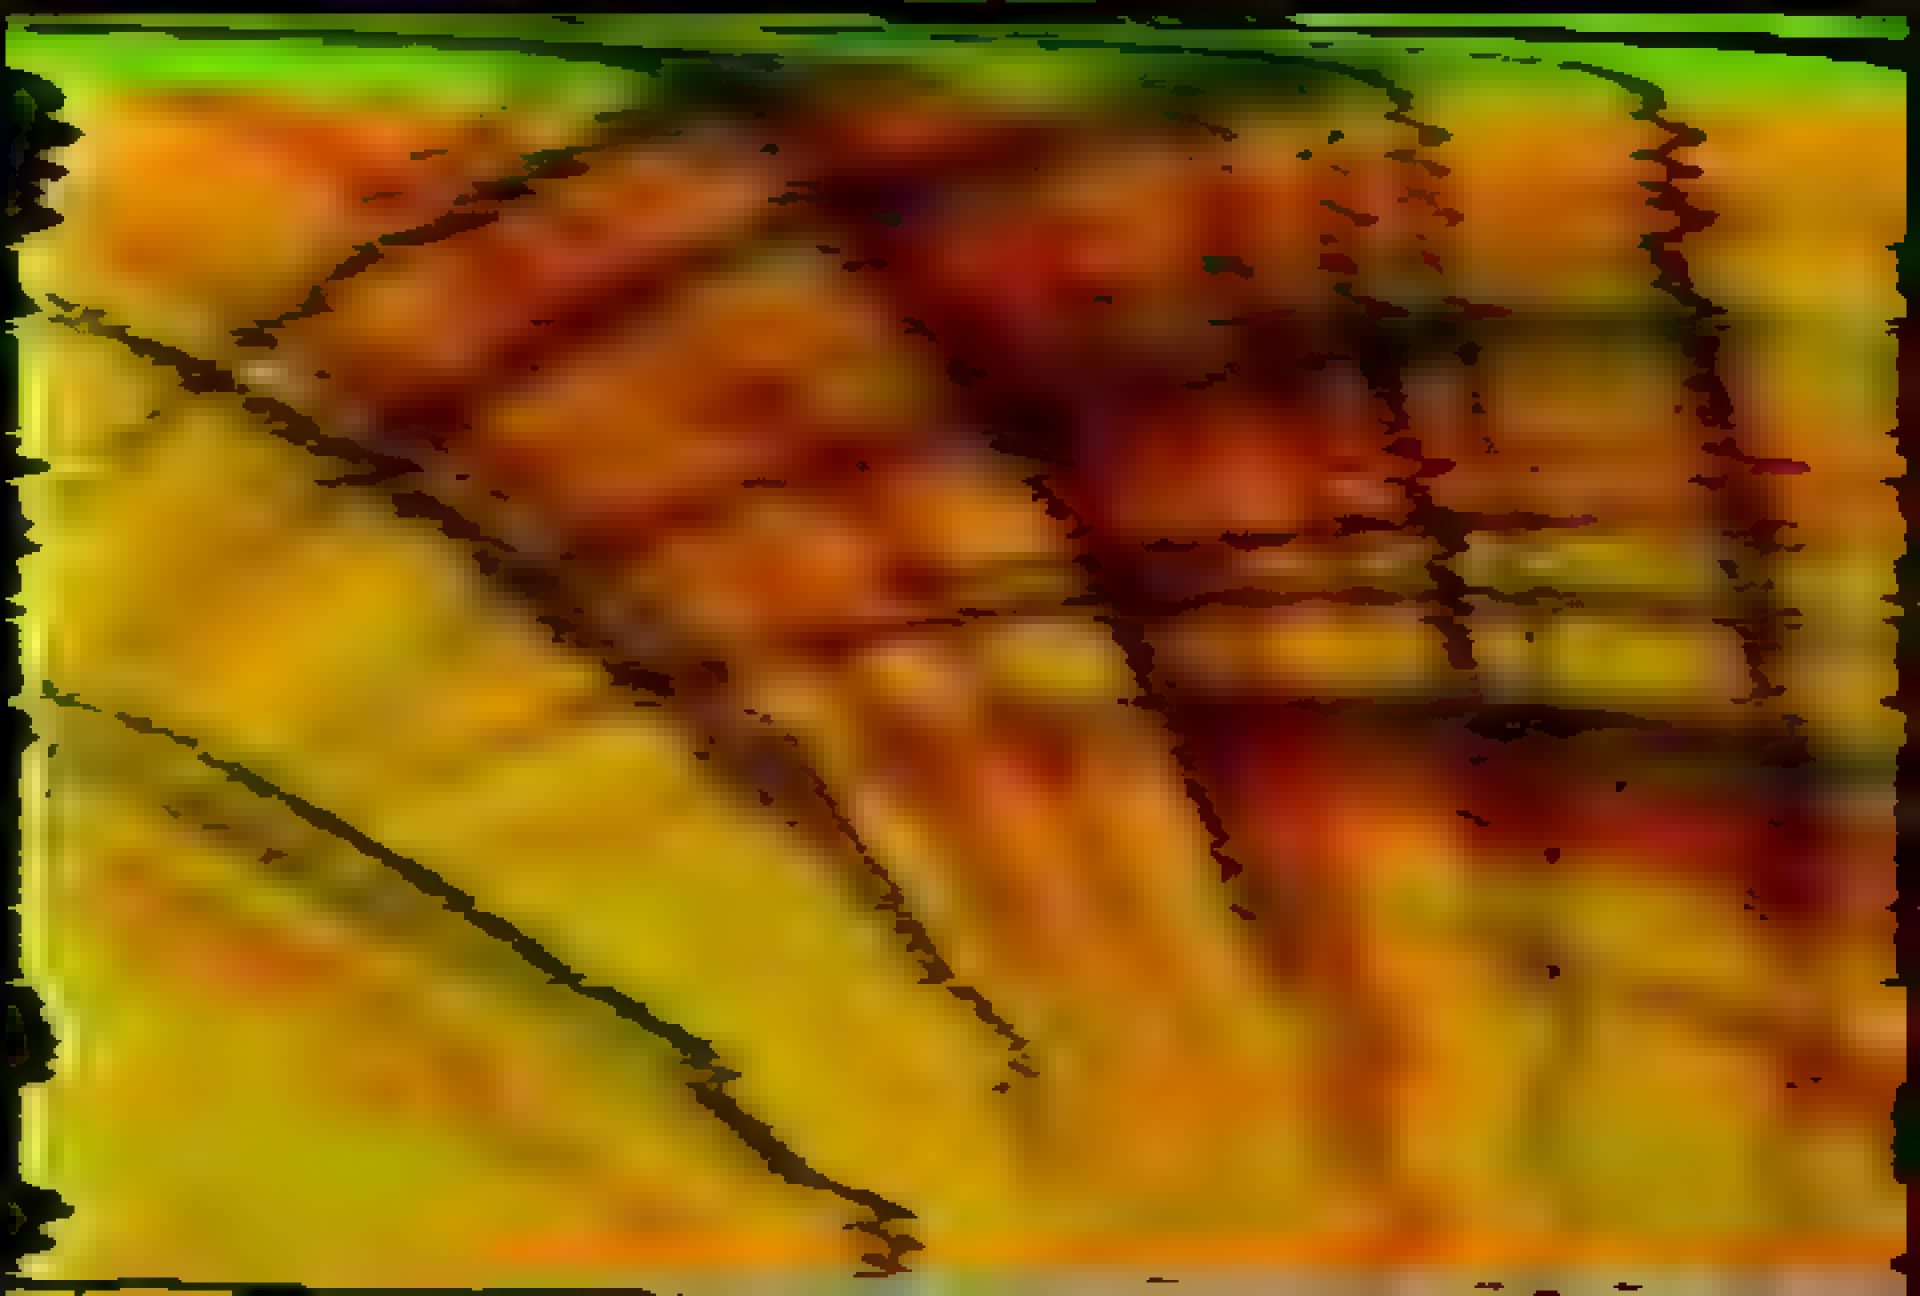

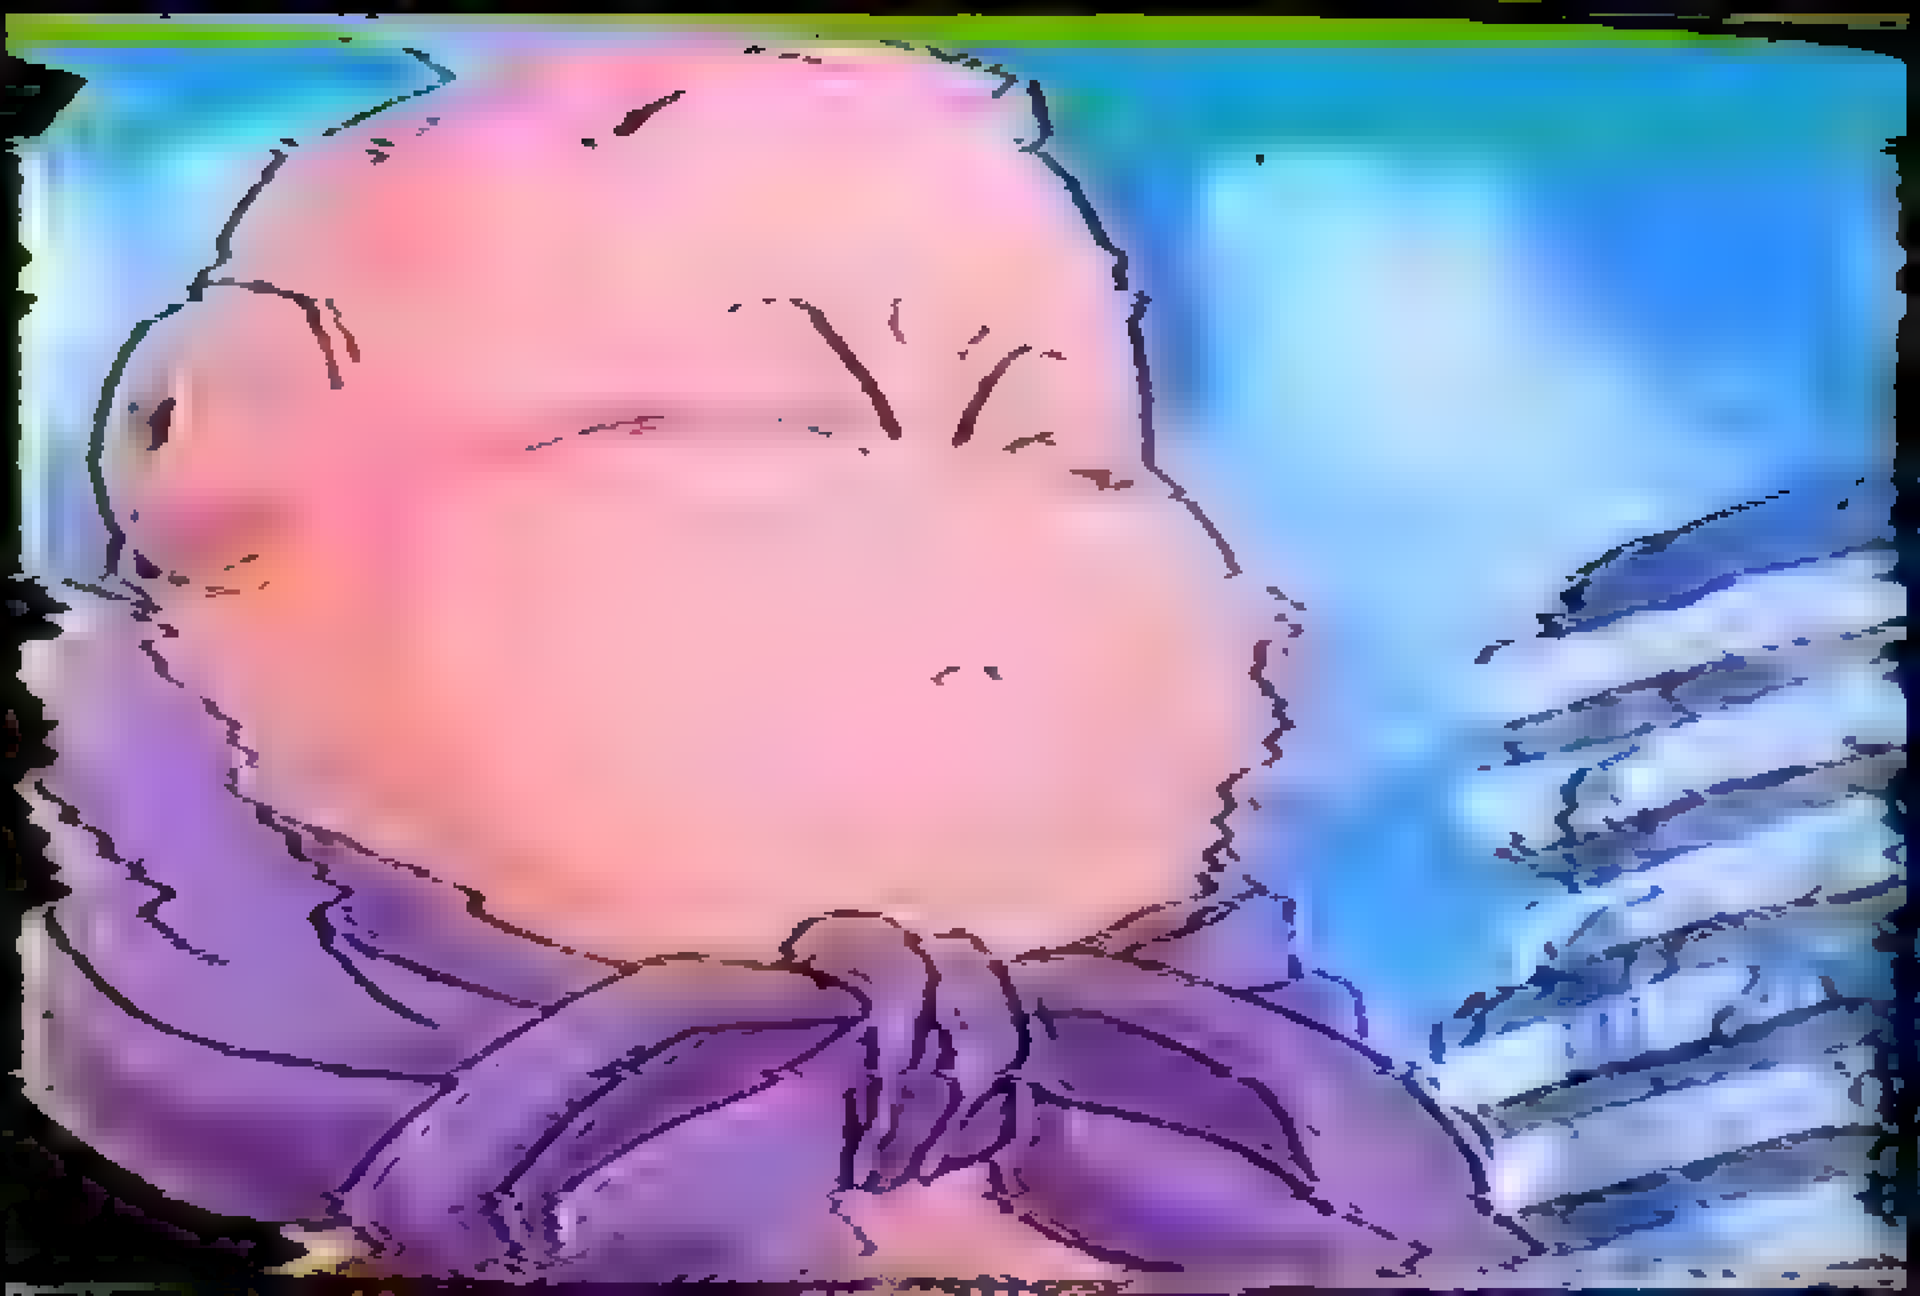

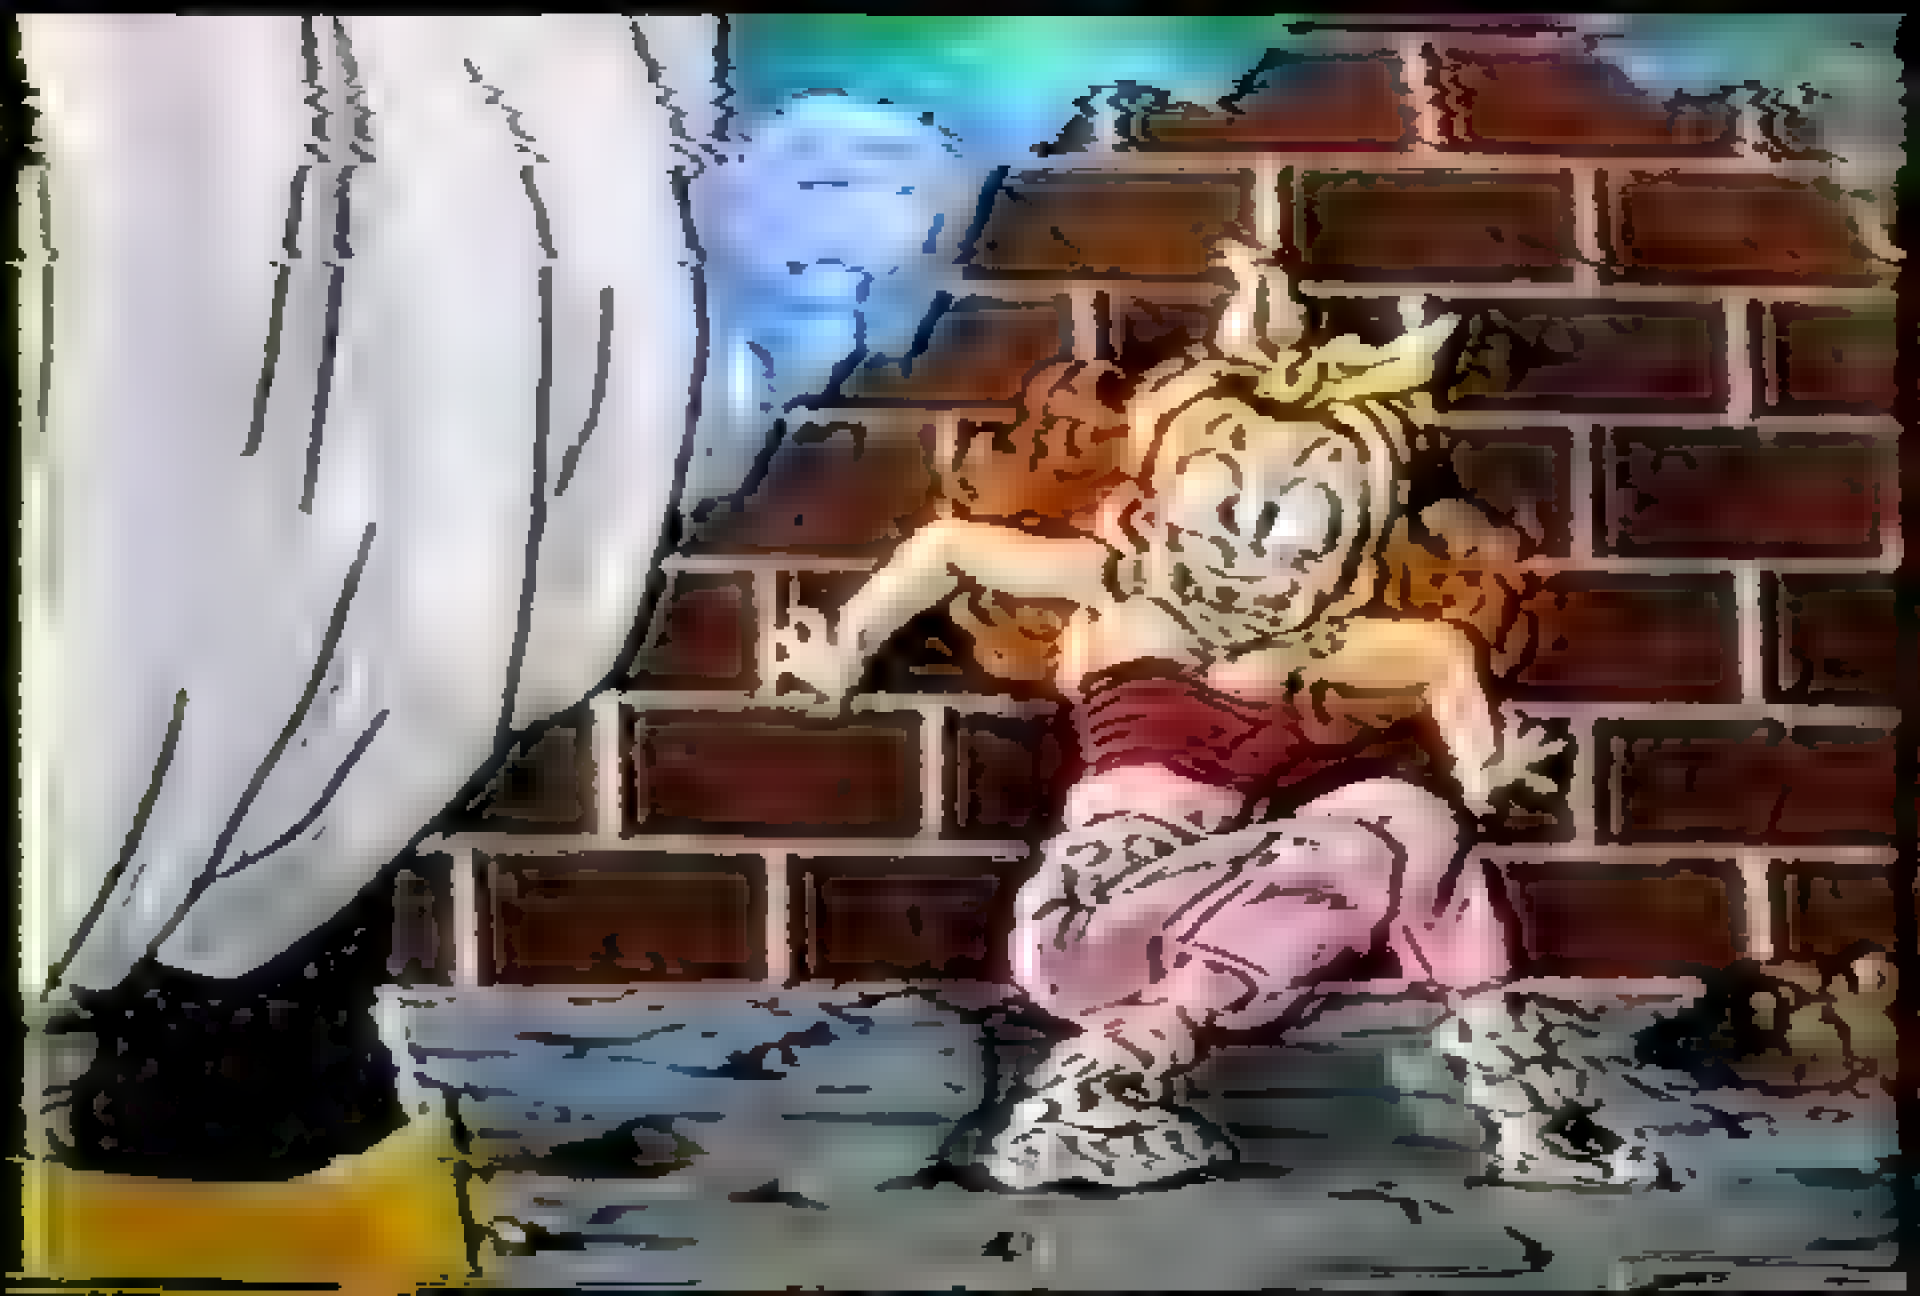

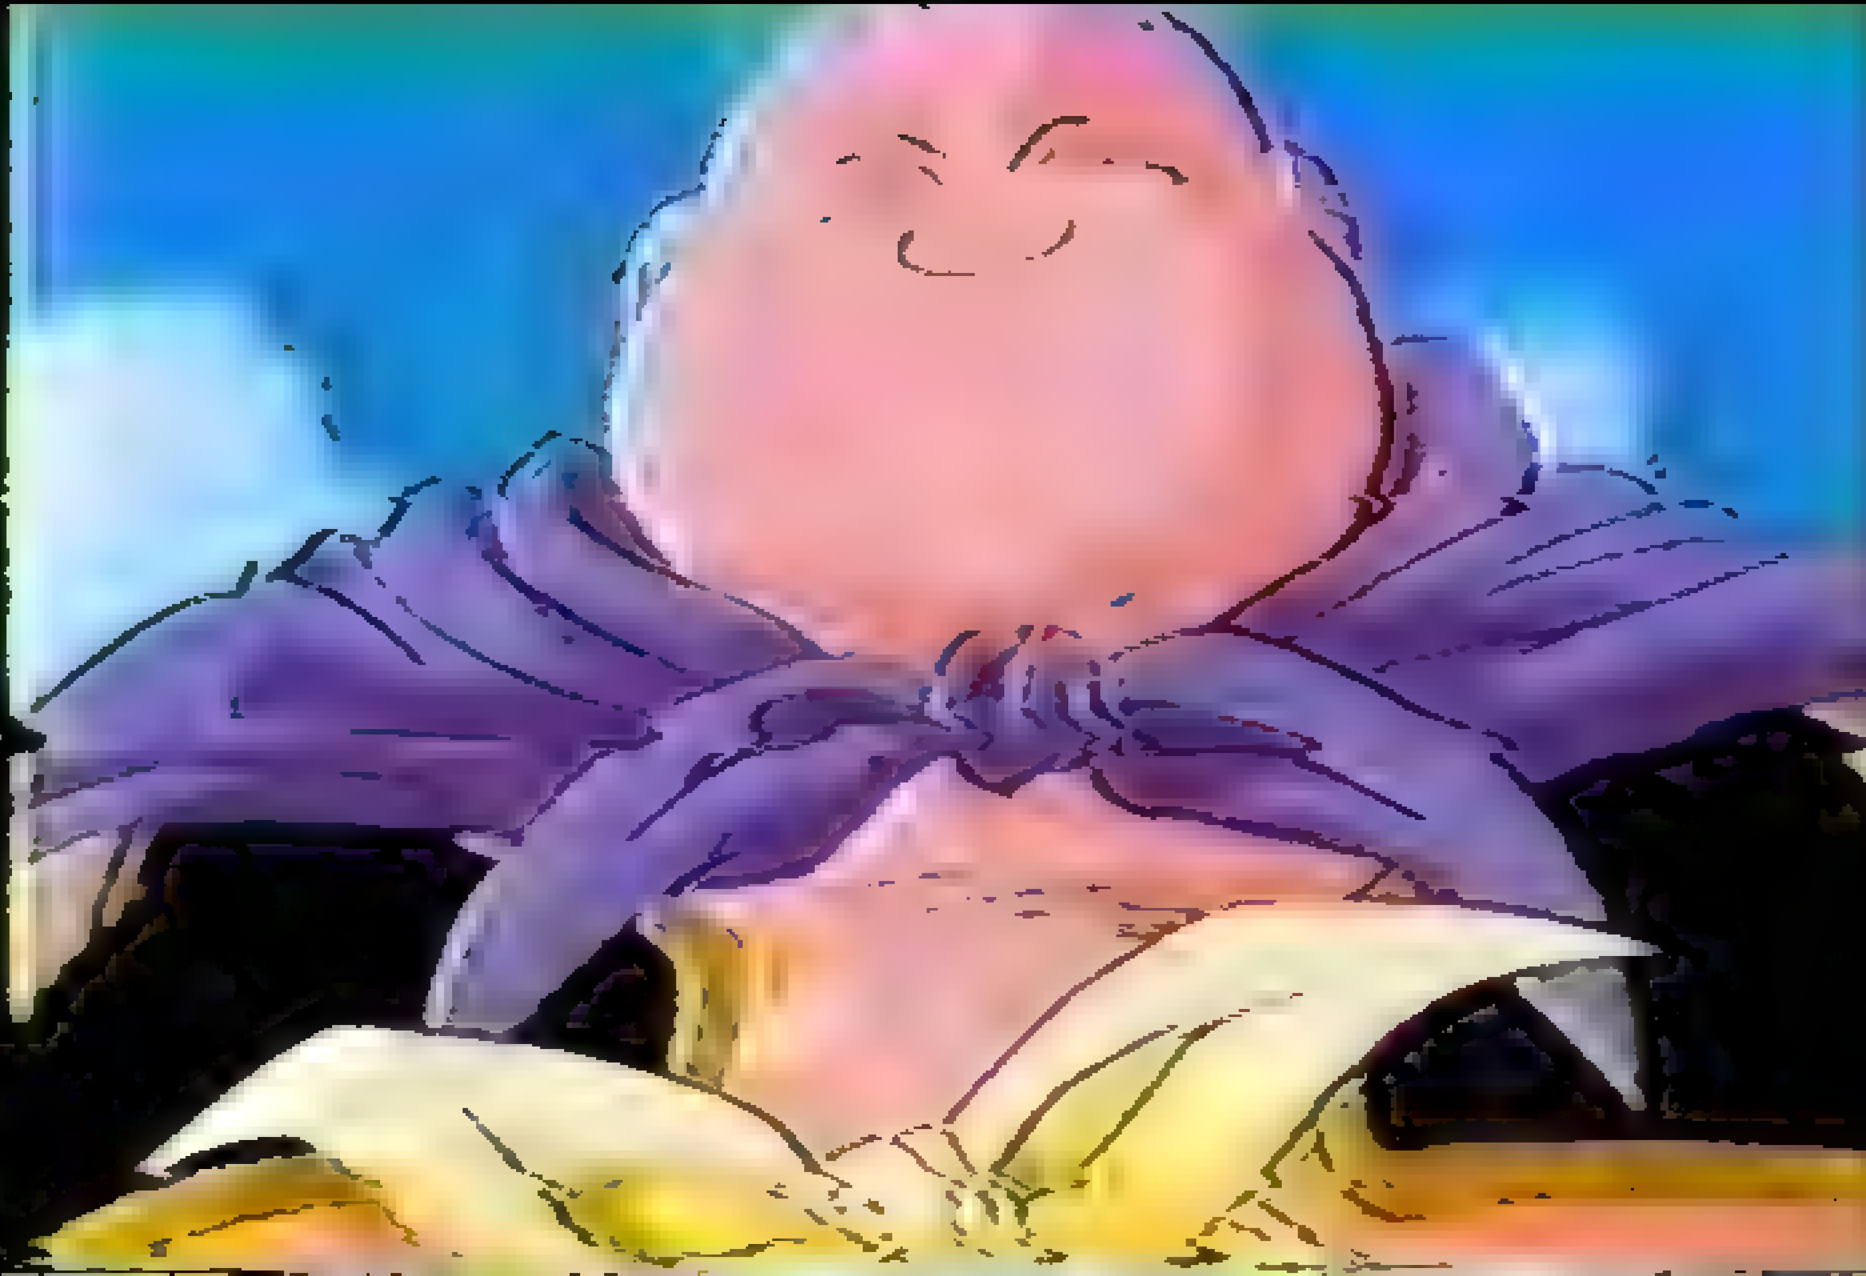

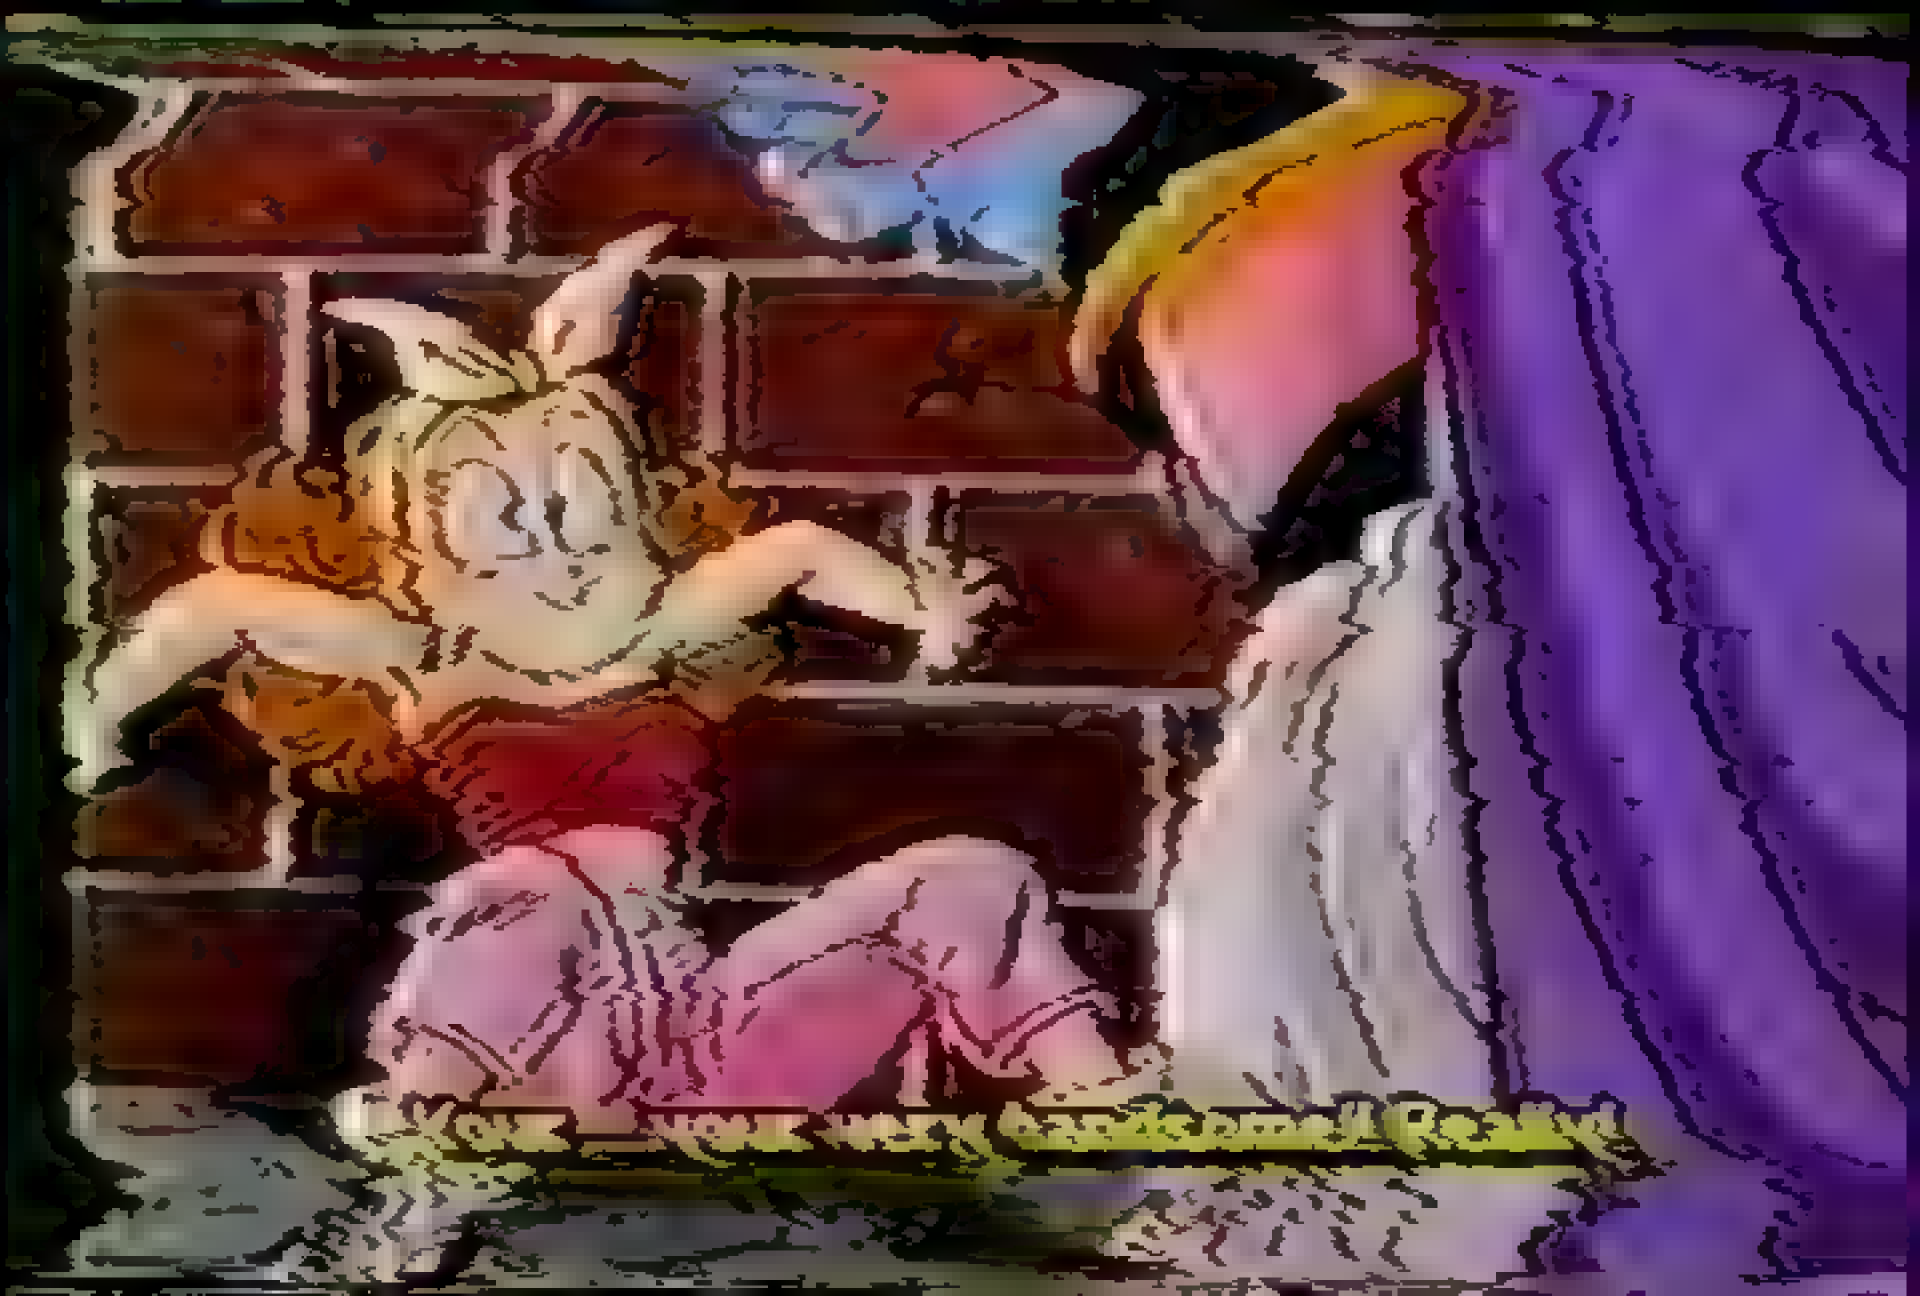

Please, don't kill me!!

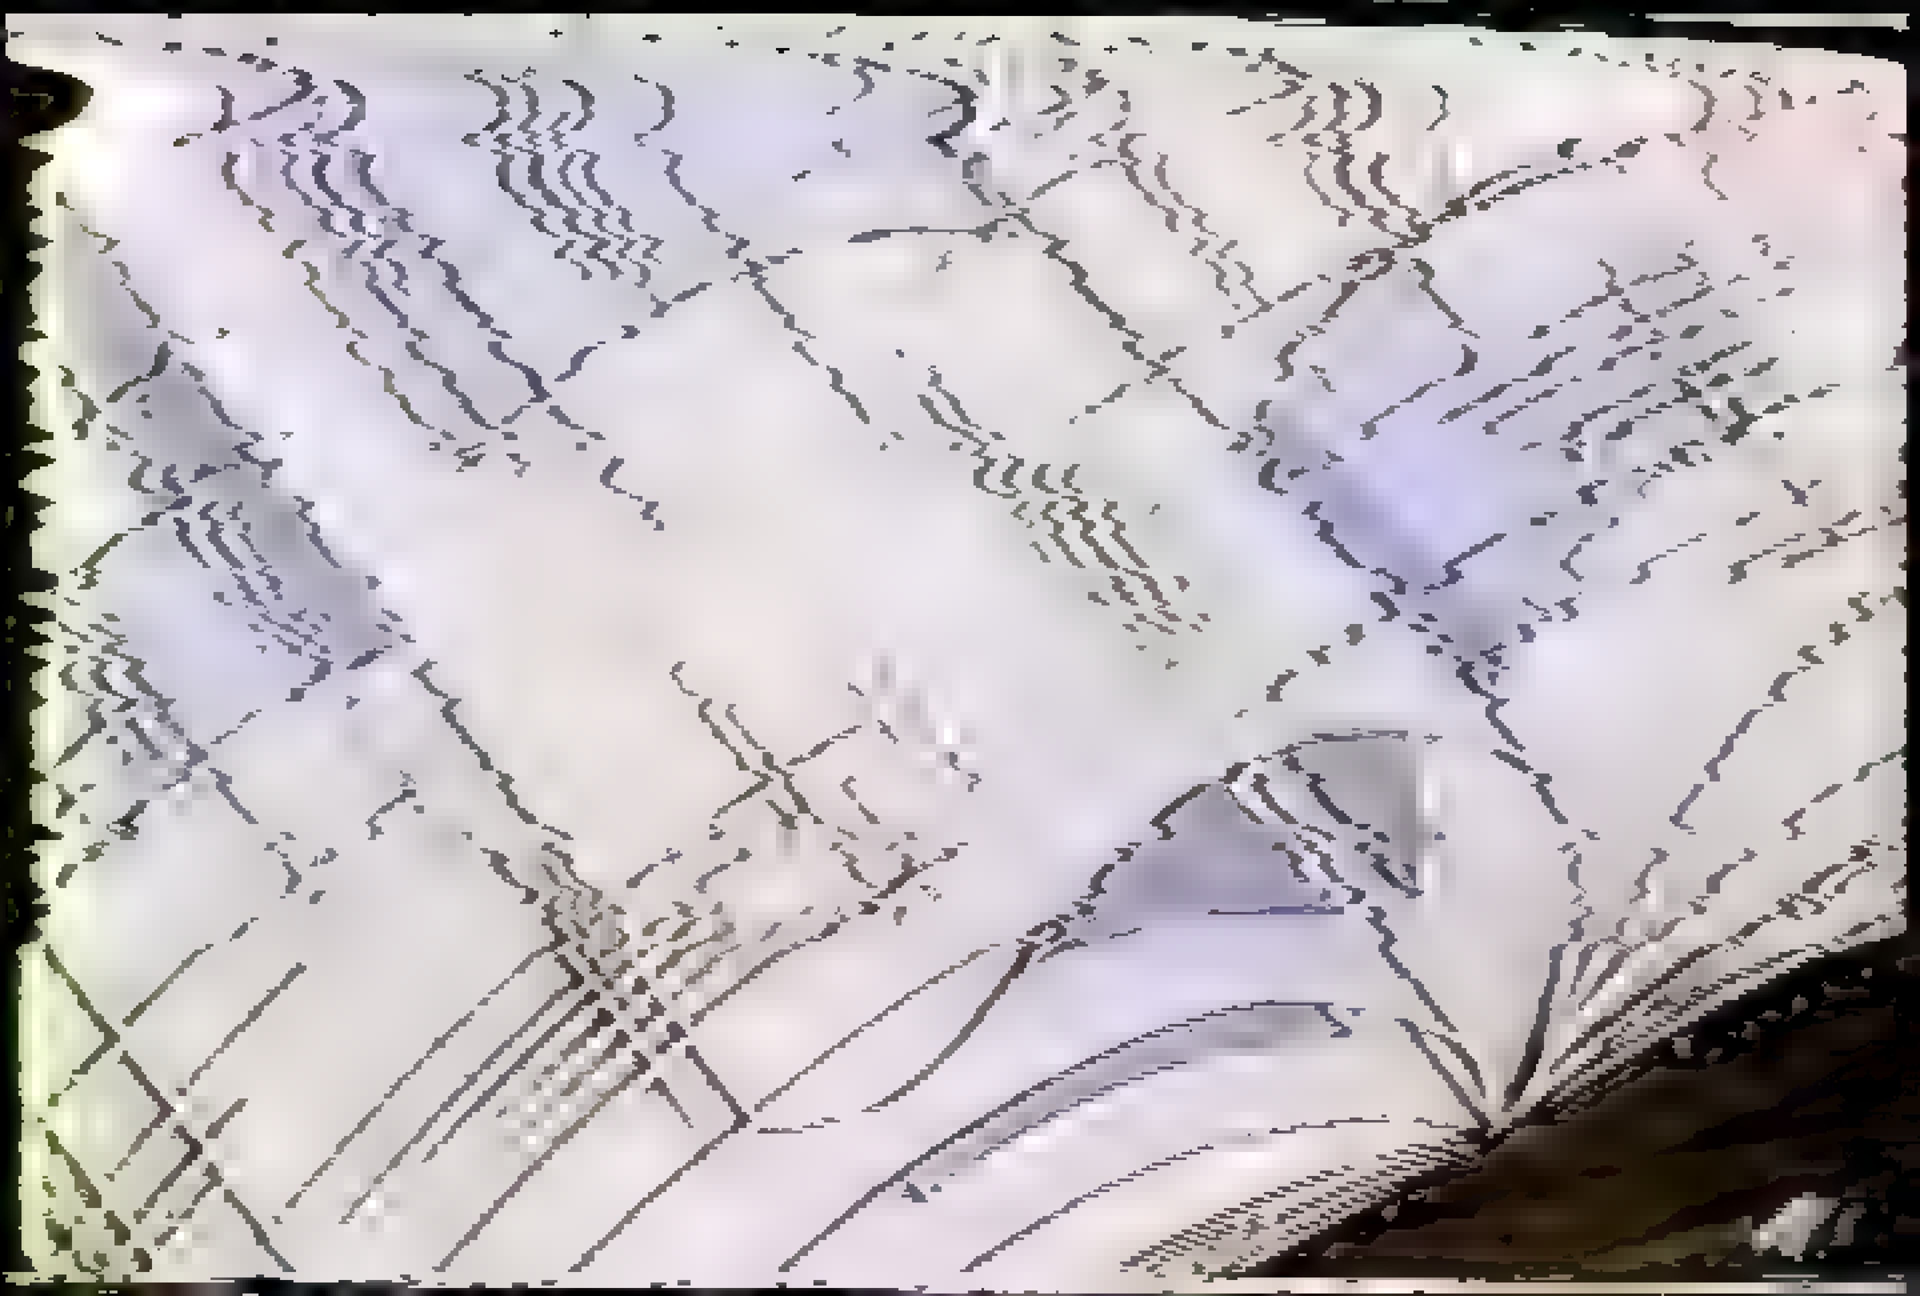

You—you very handsome!!

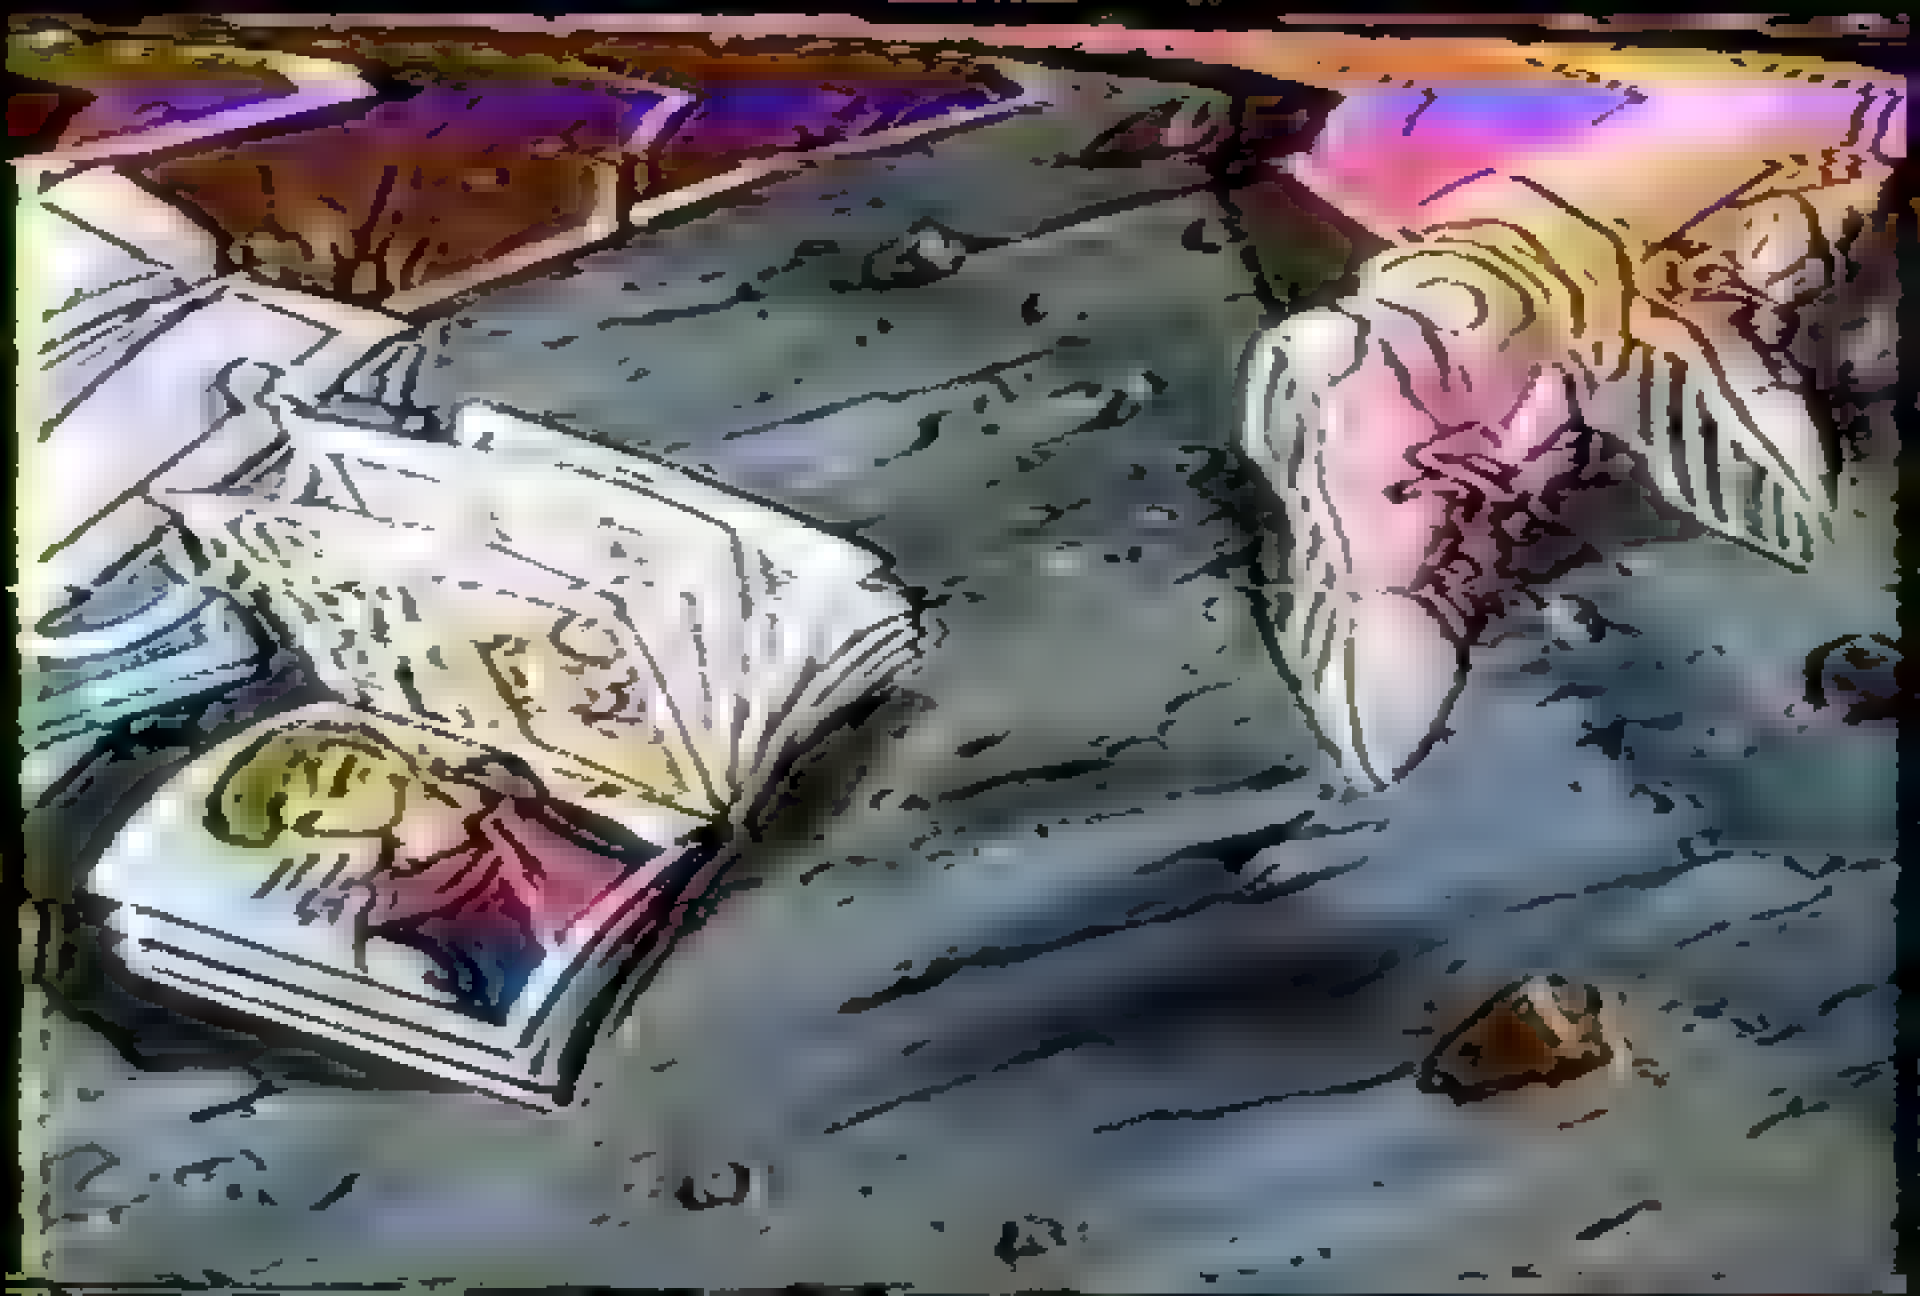

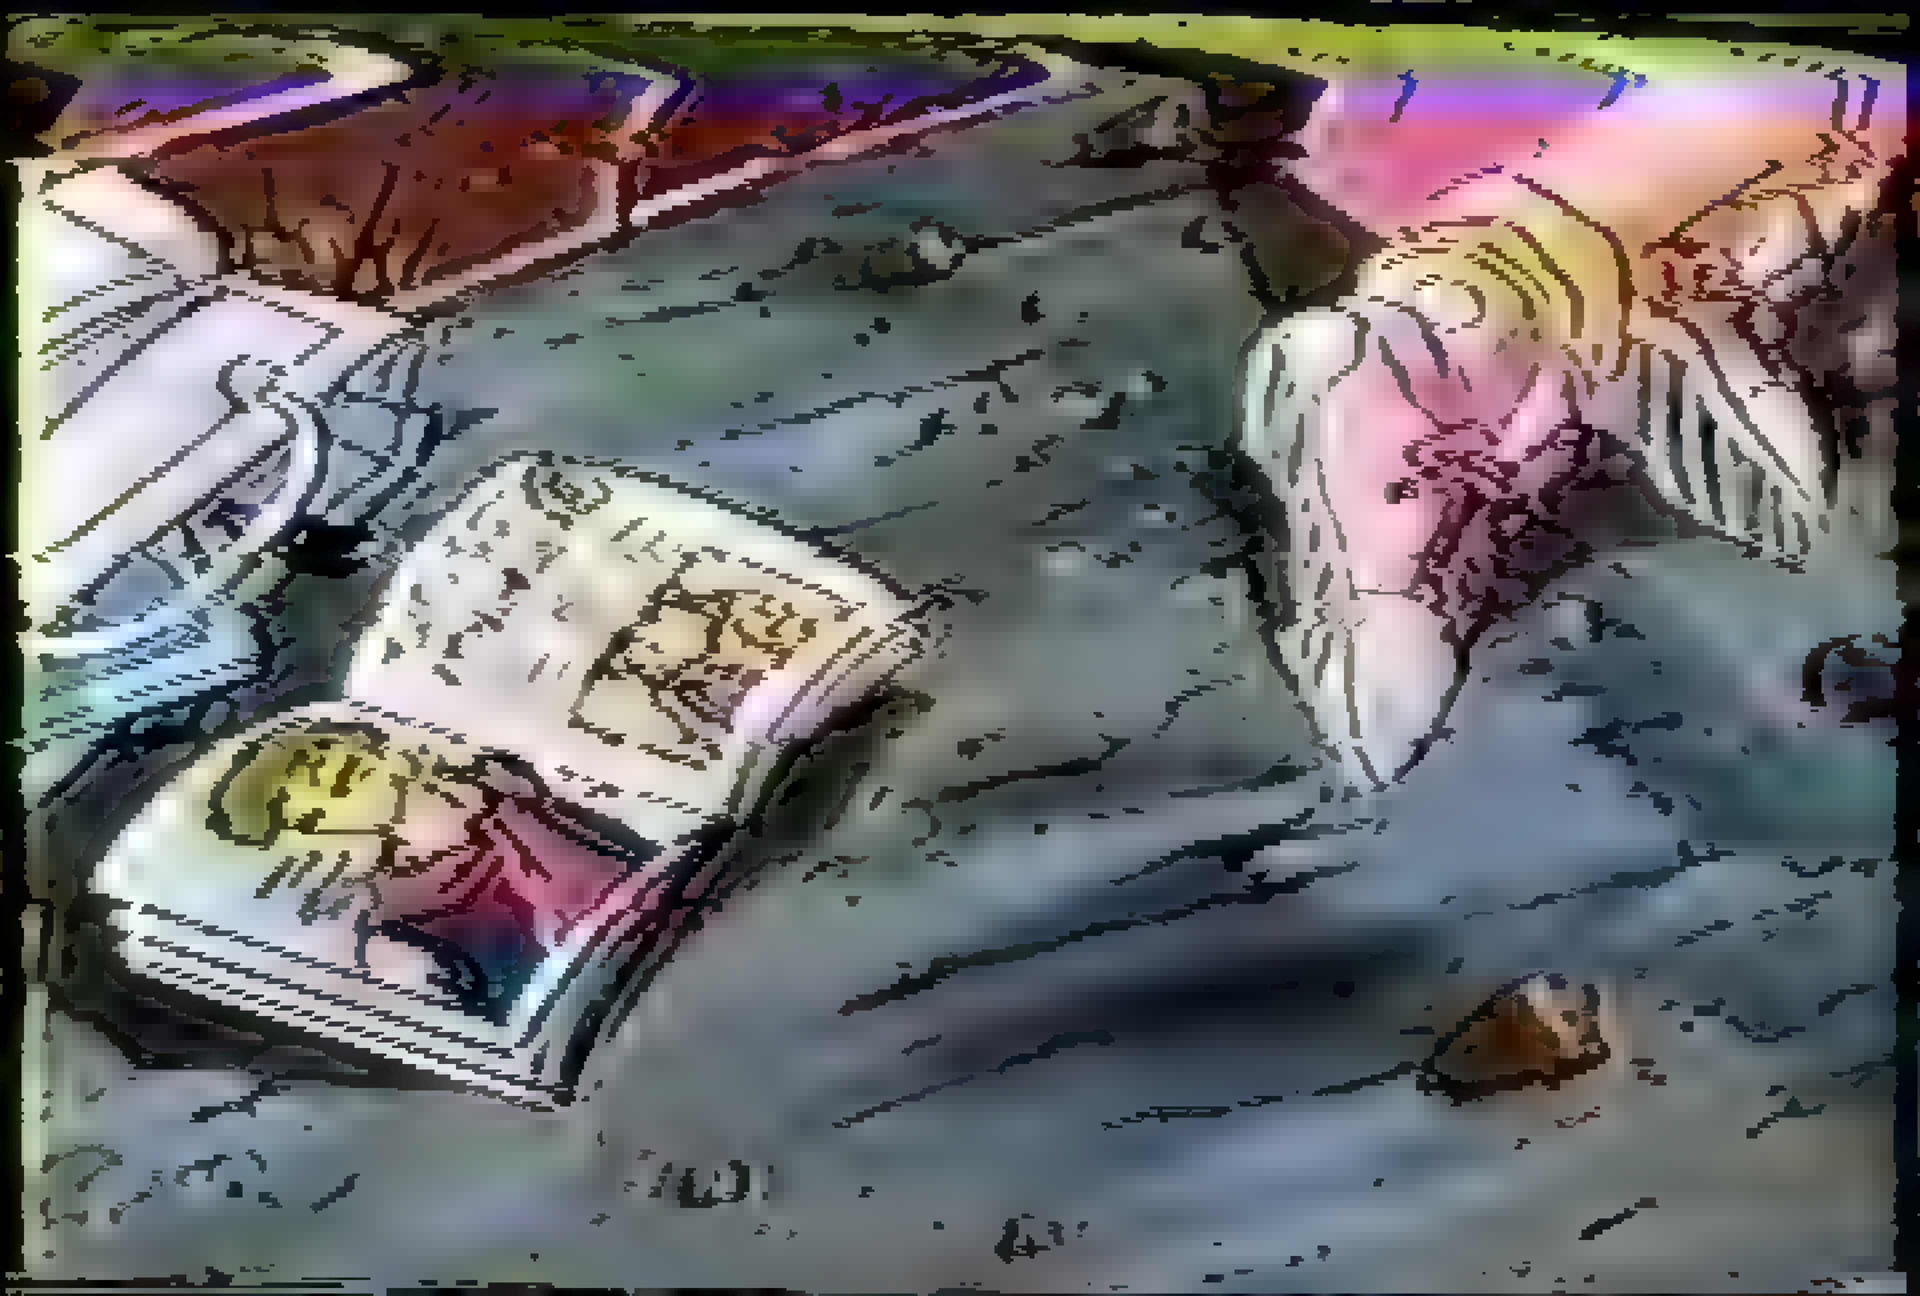

You lied to me

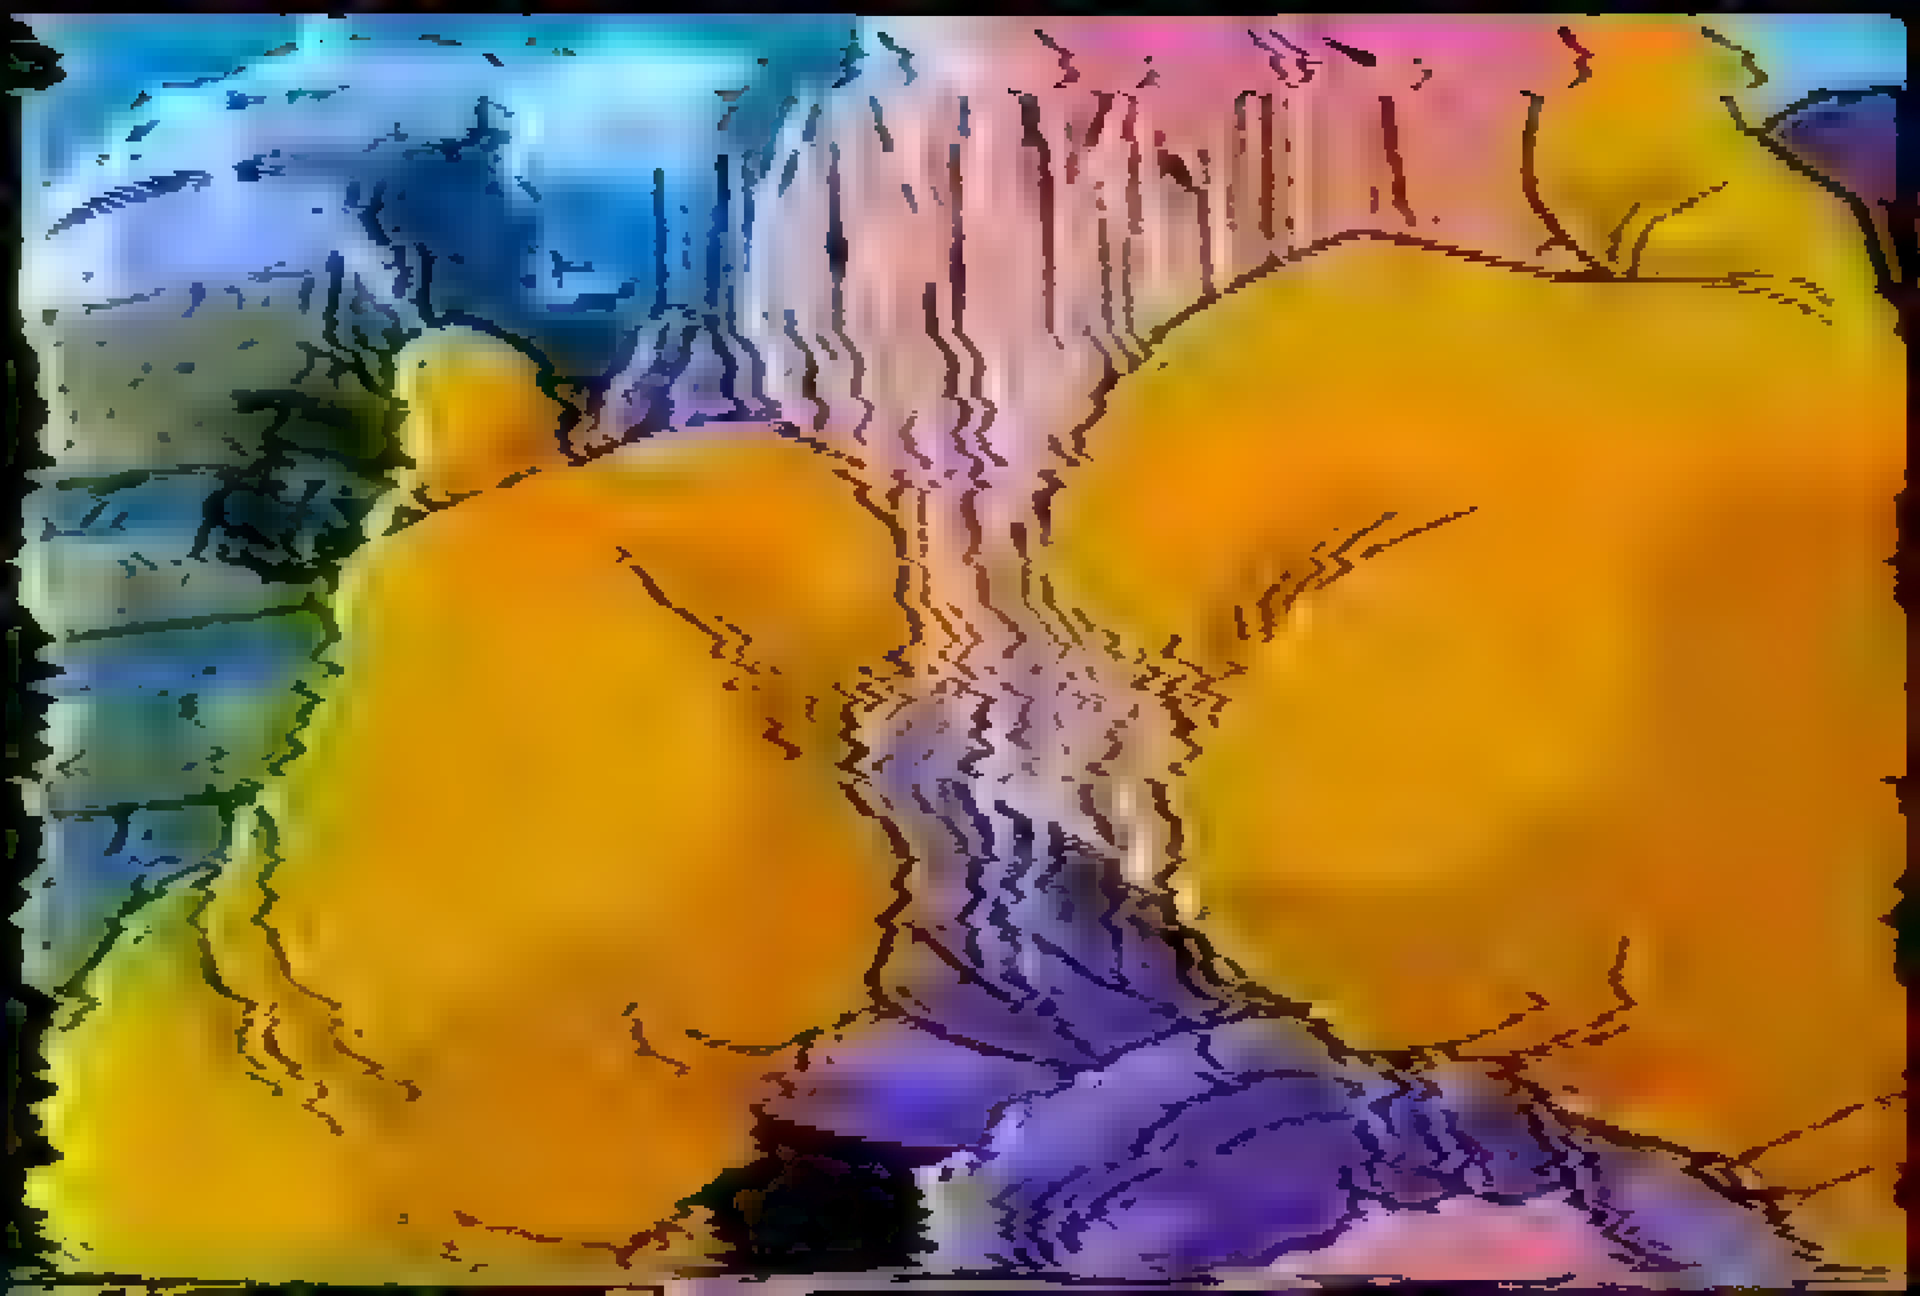

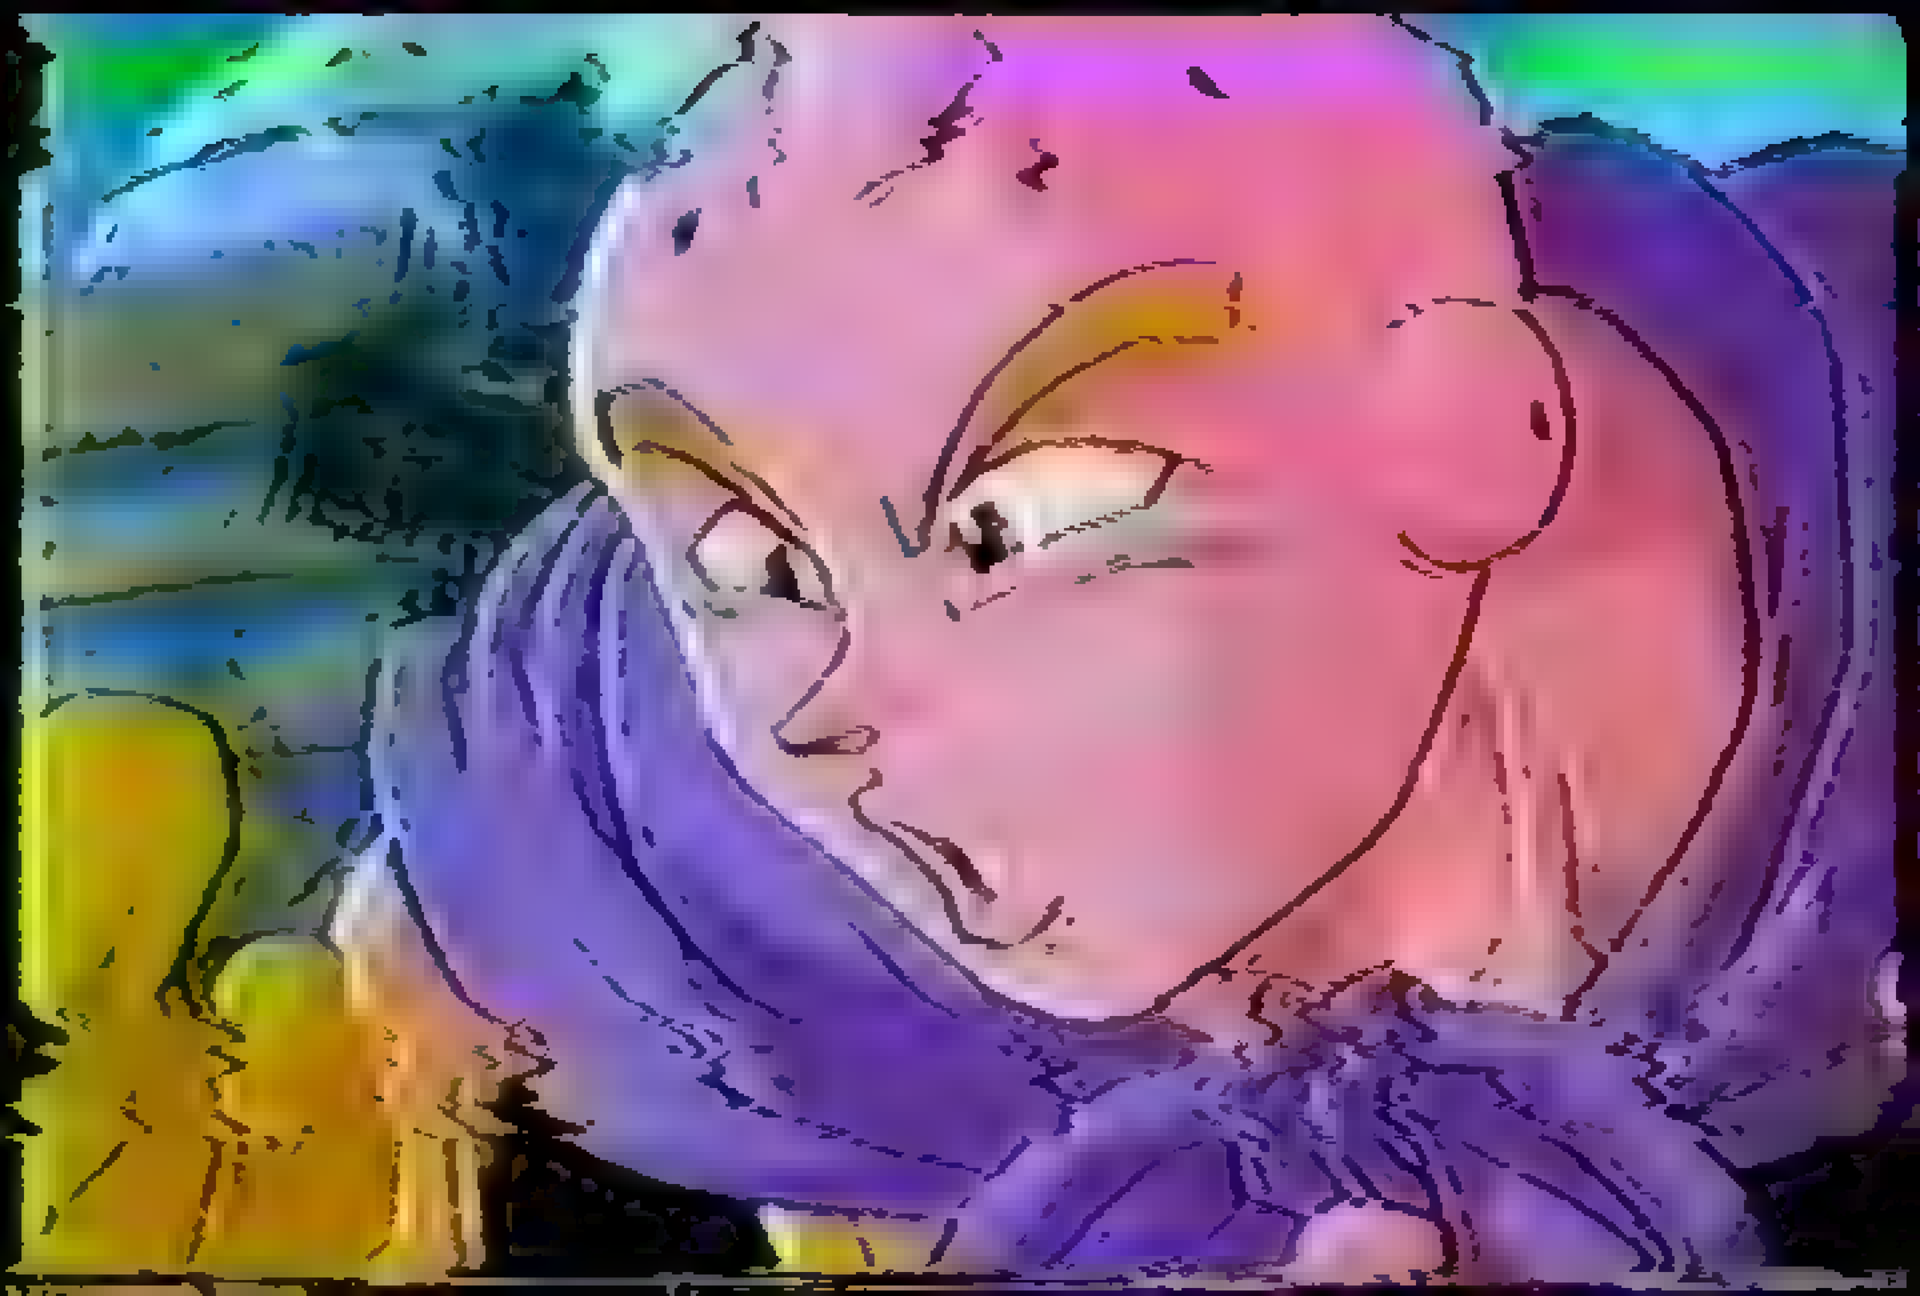

I see

Earth girls like this type

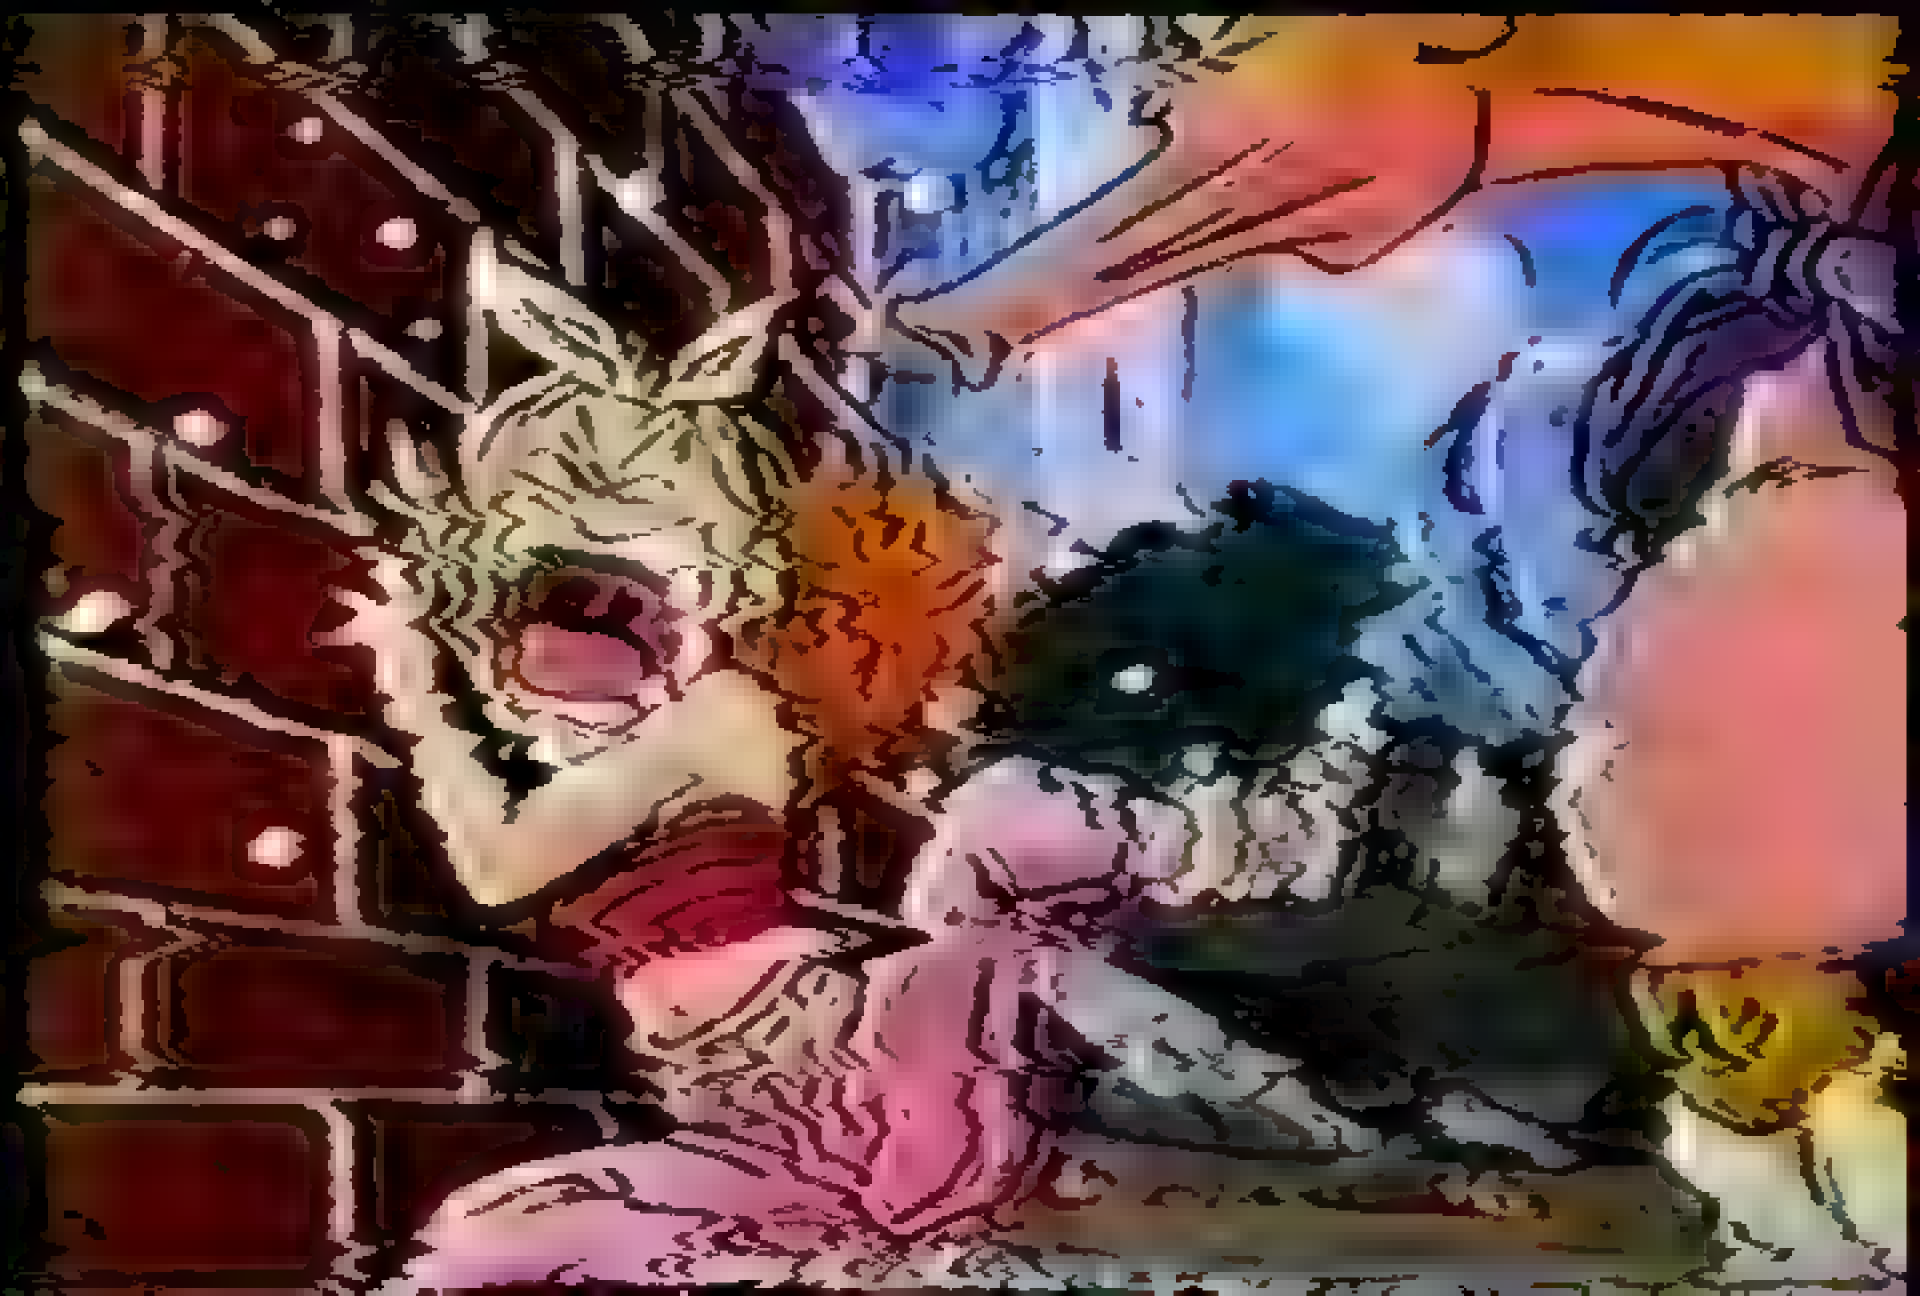

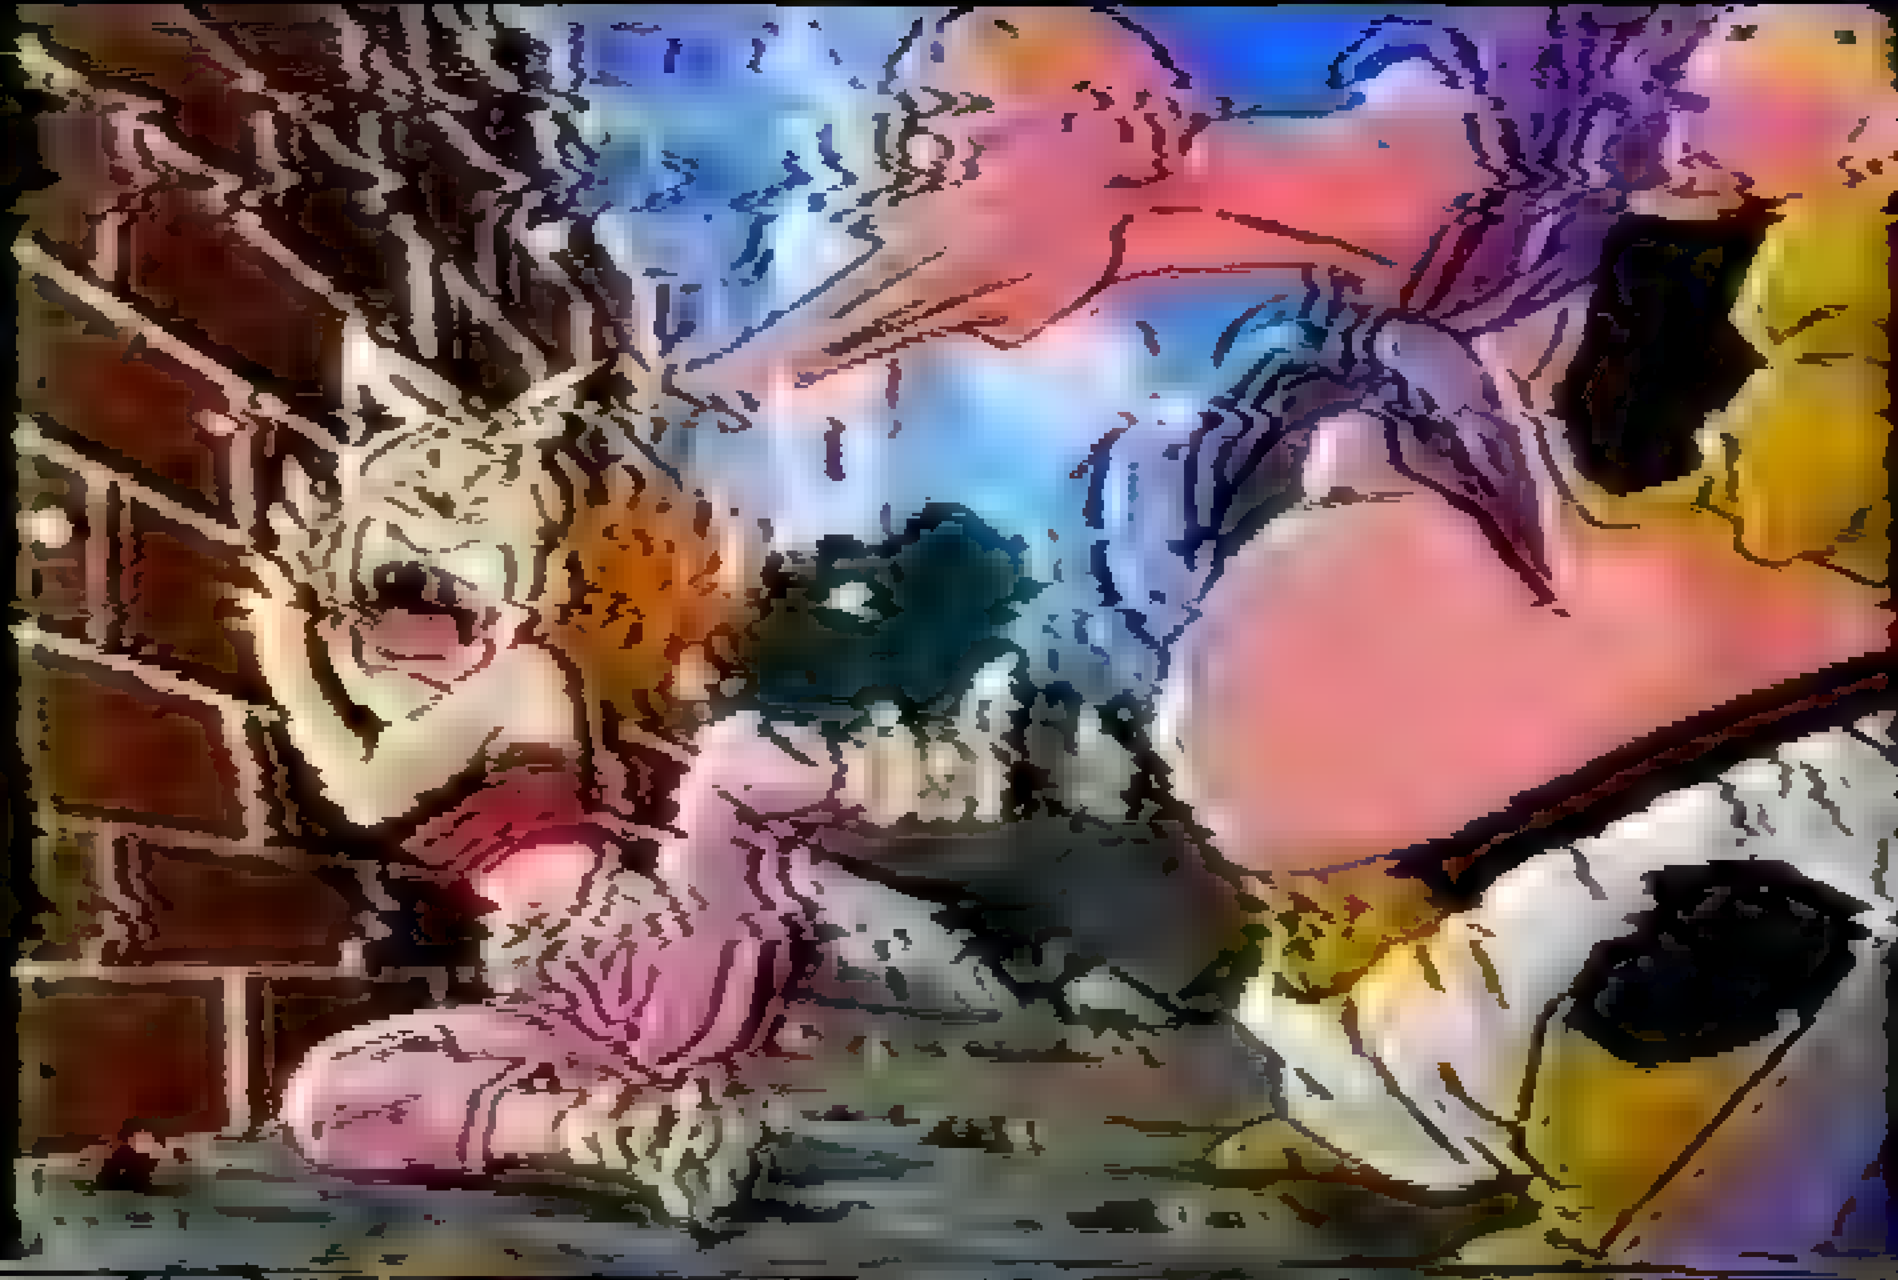

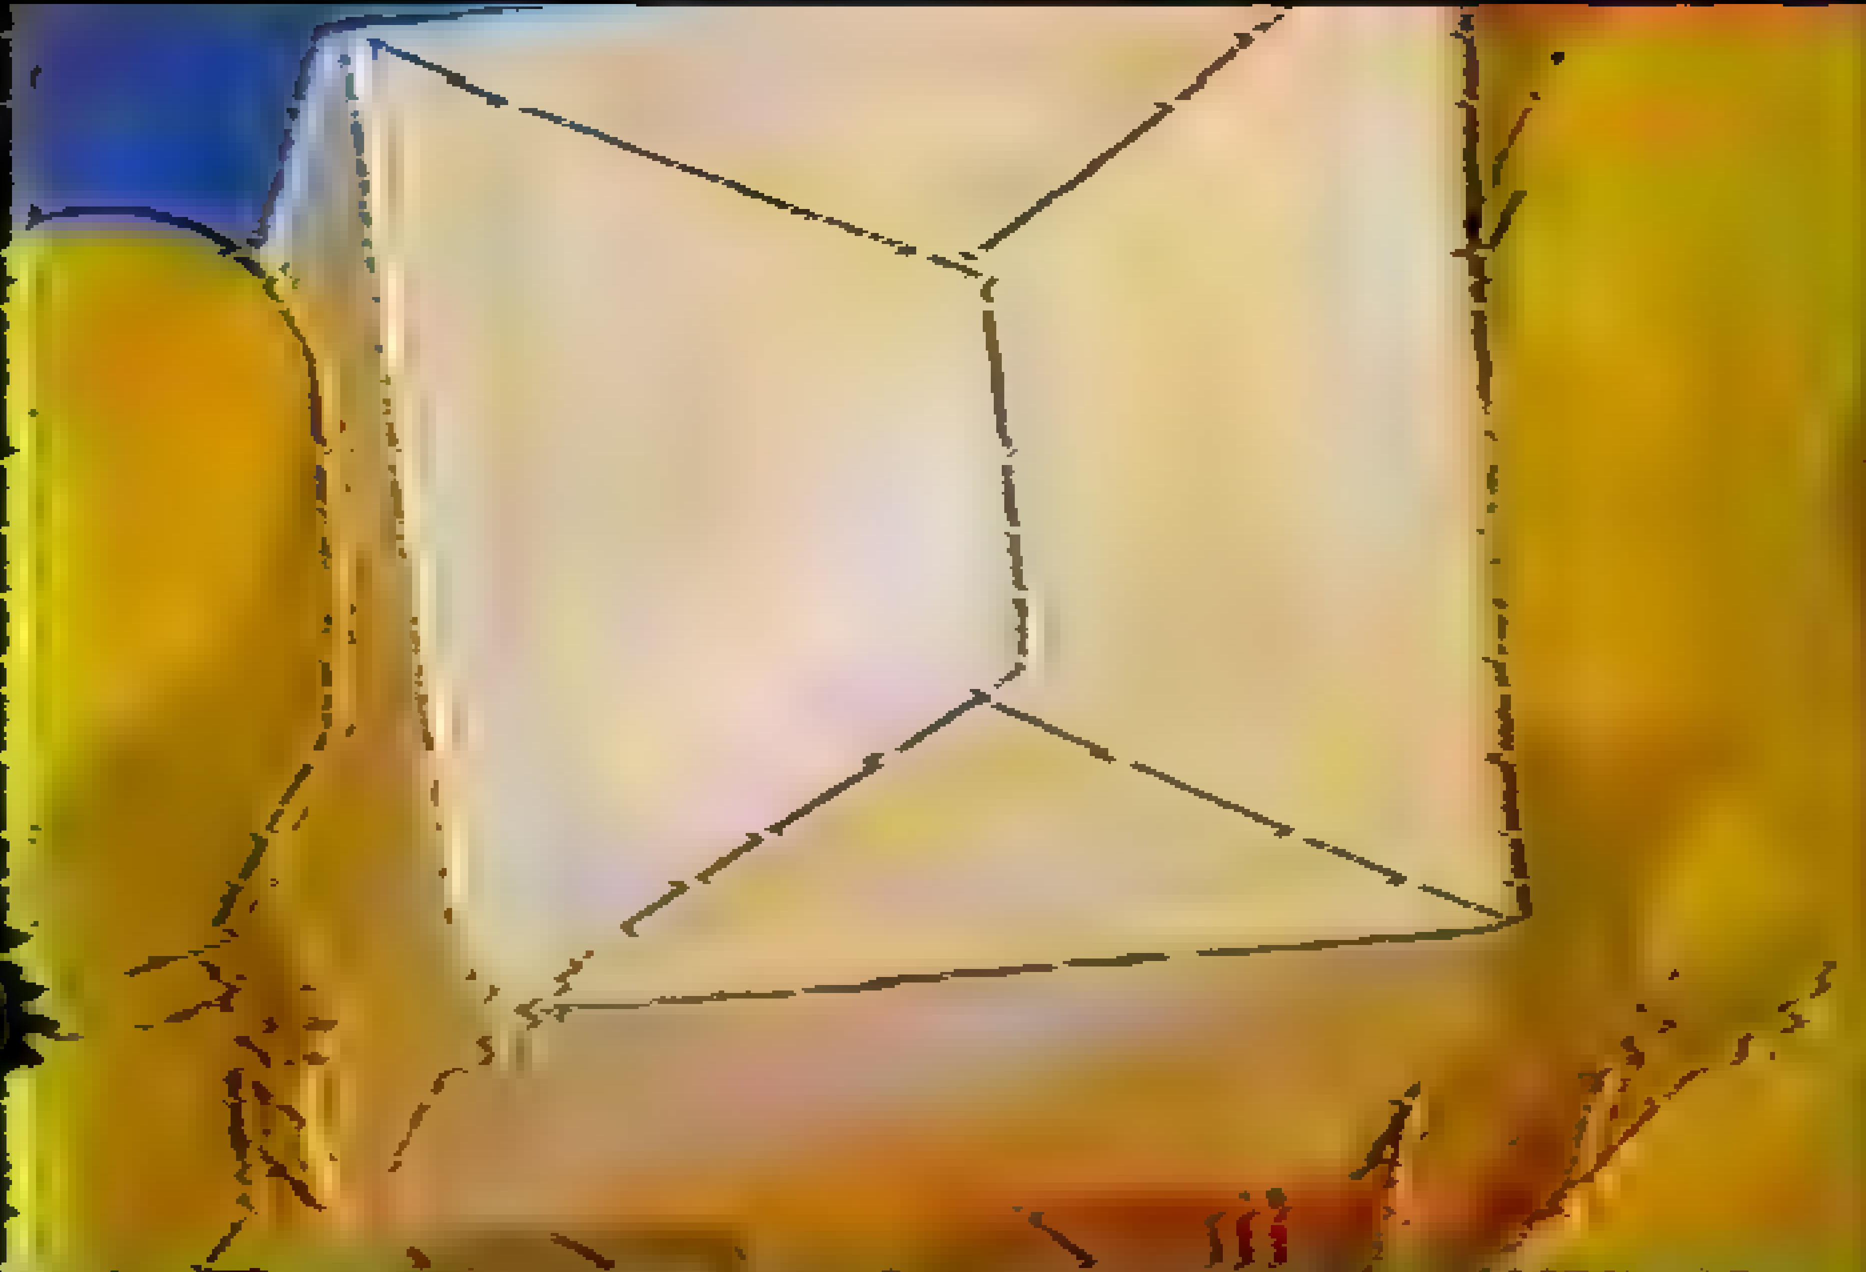

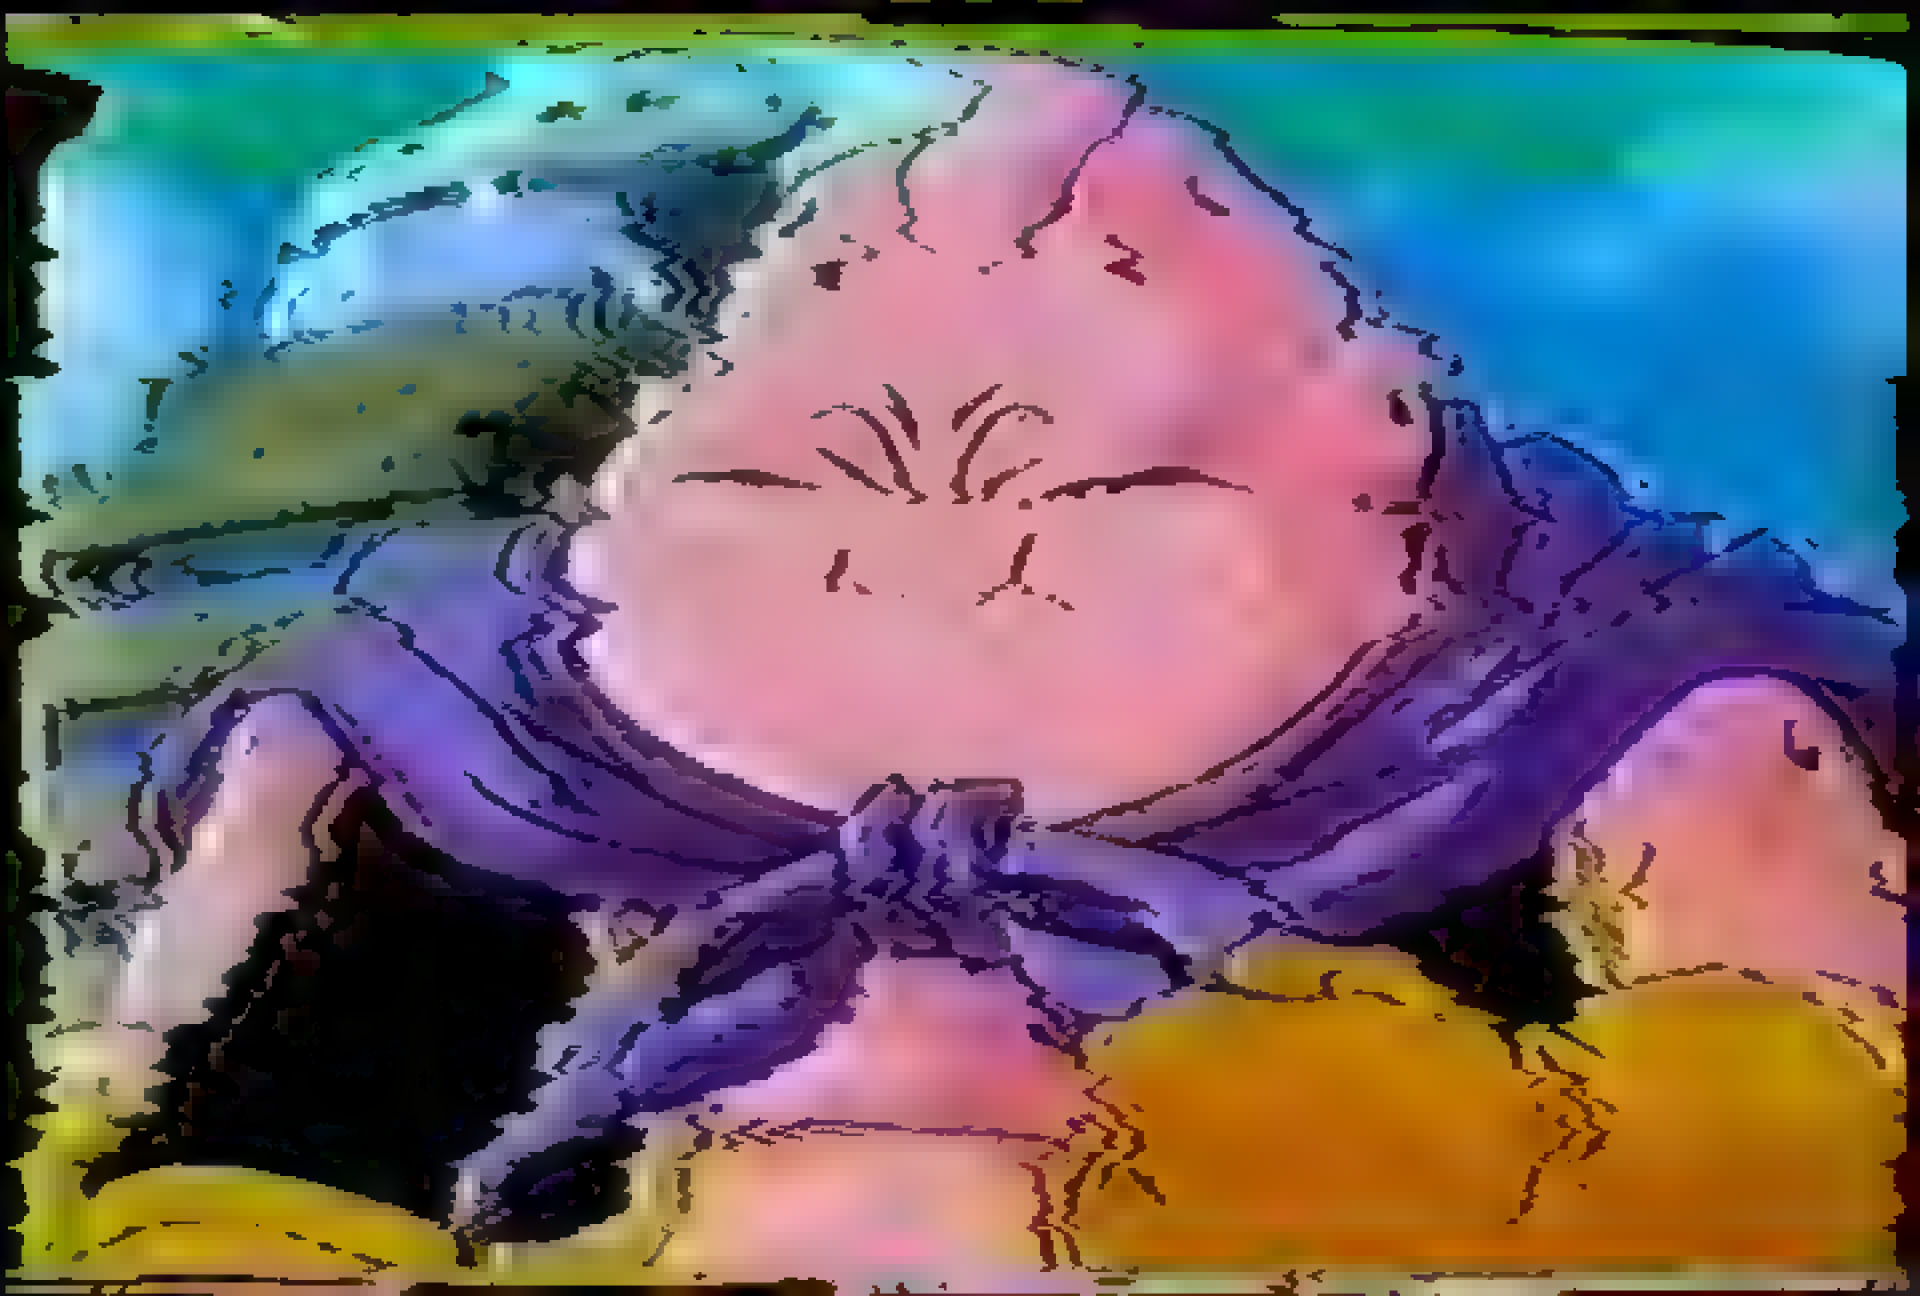

You're selfish

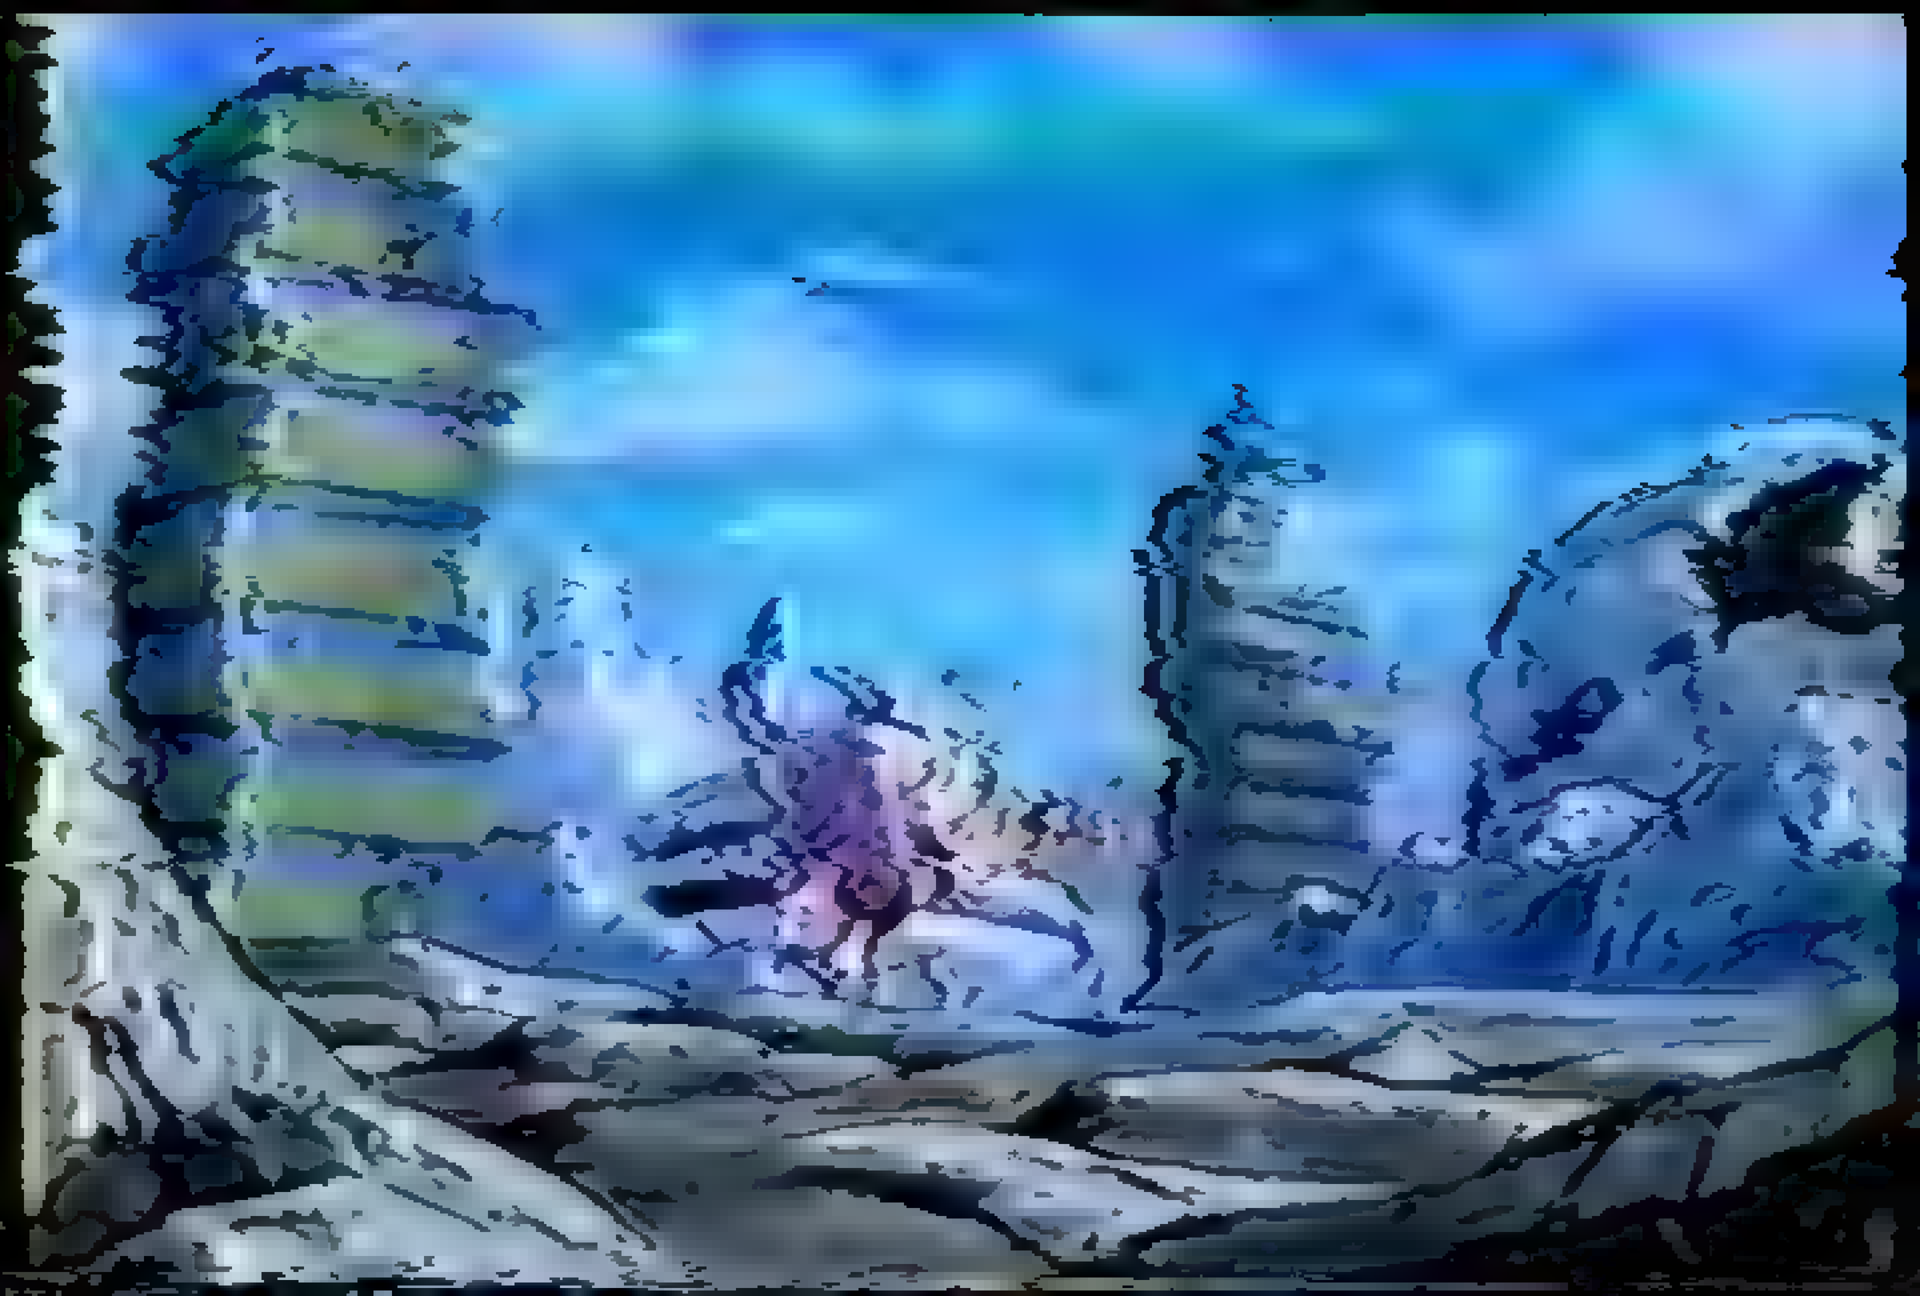

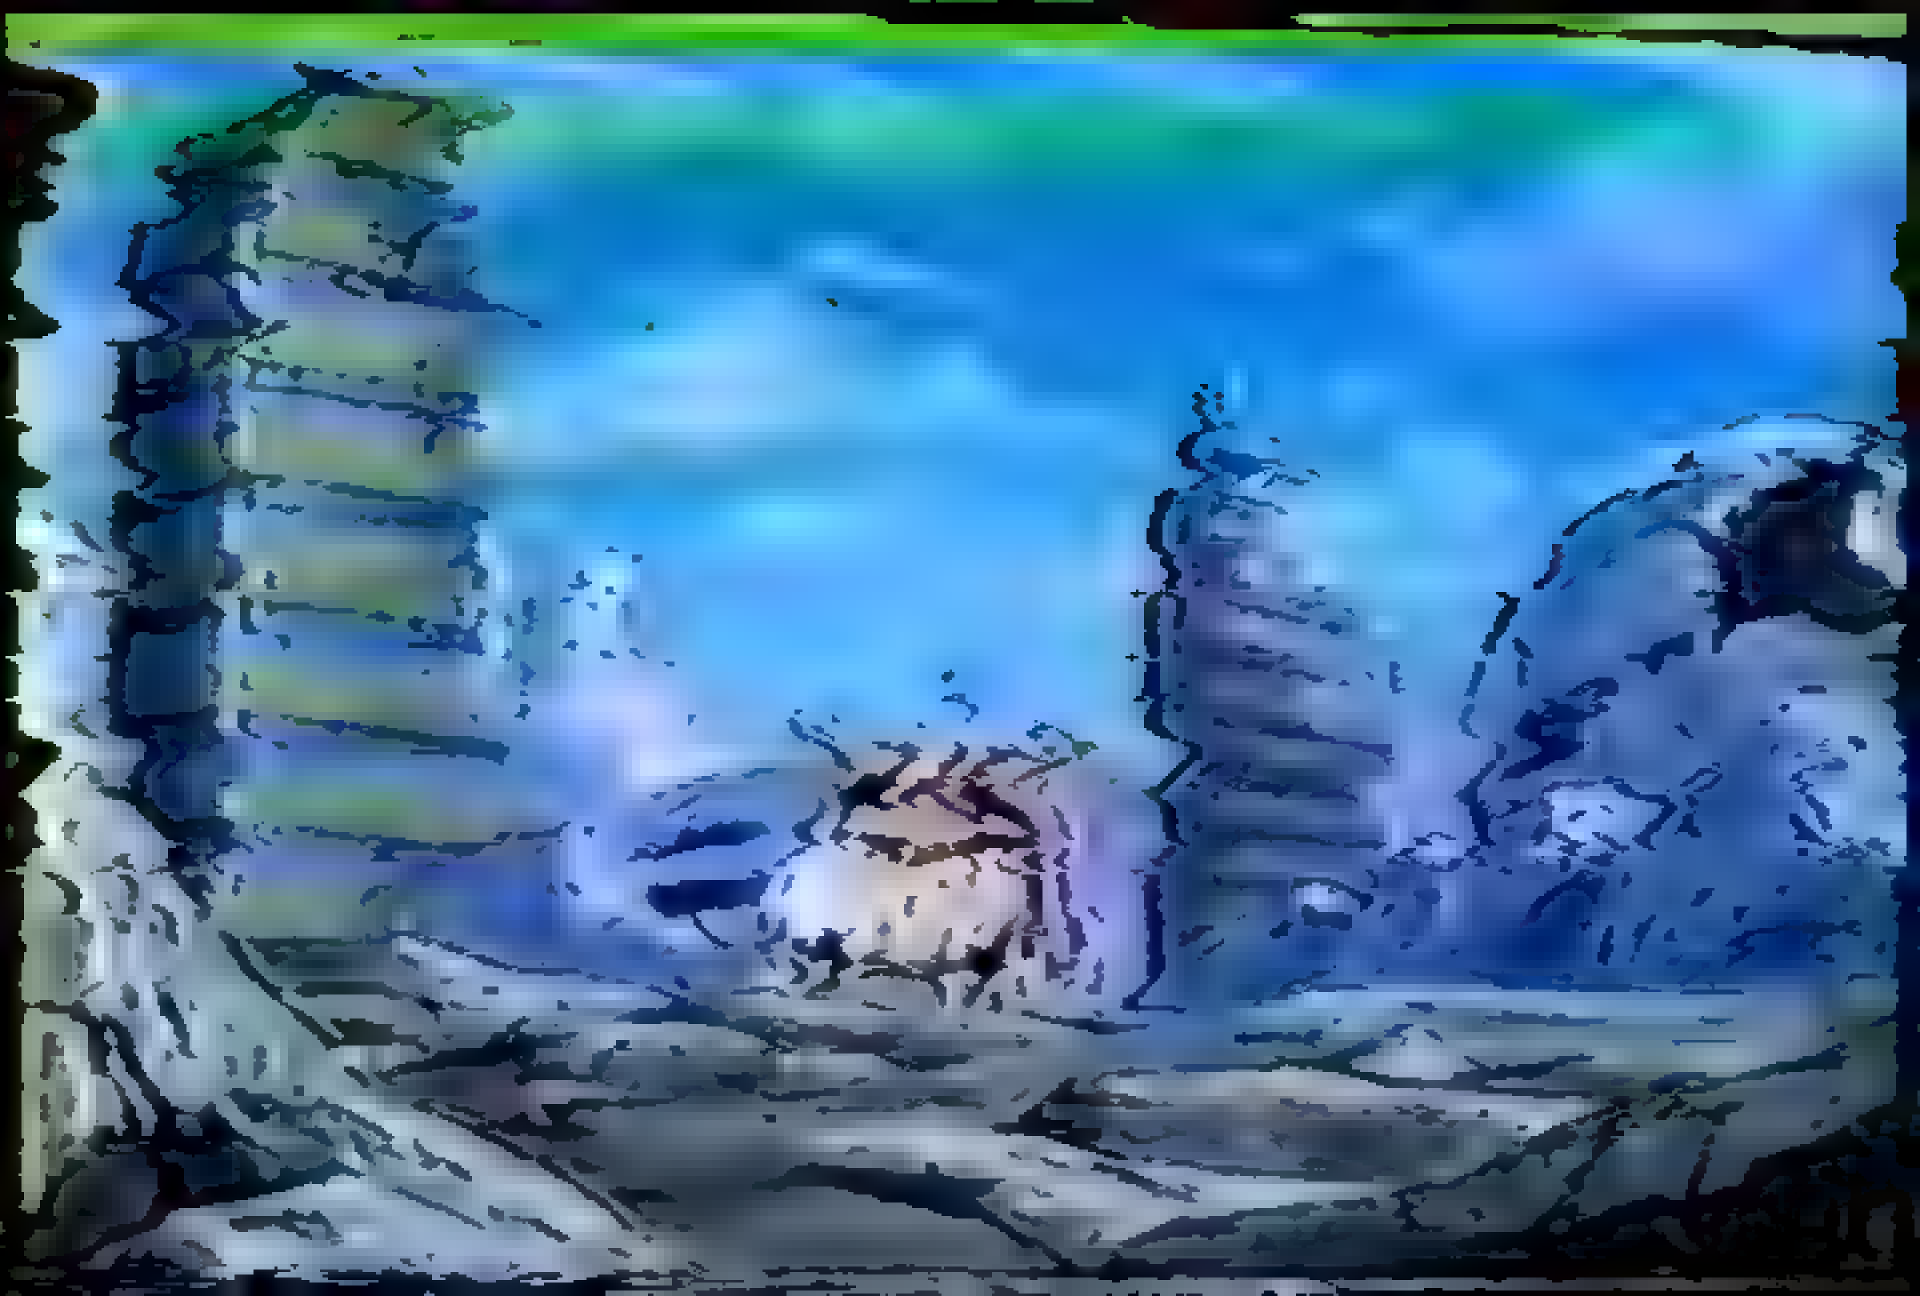

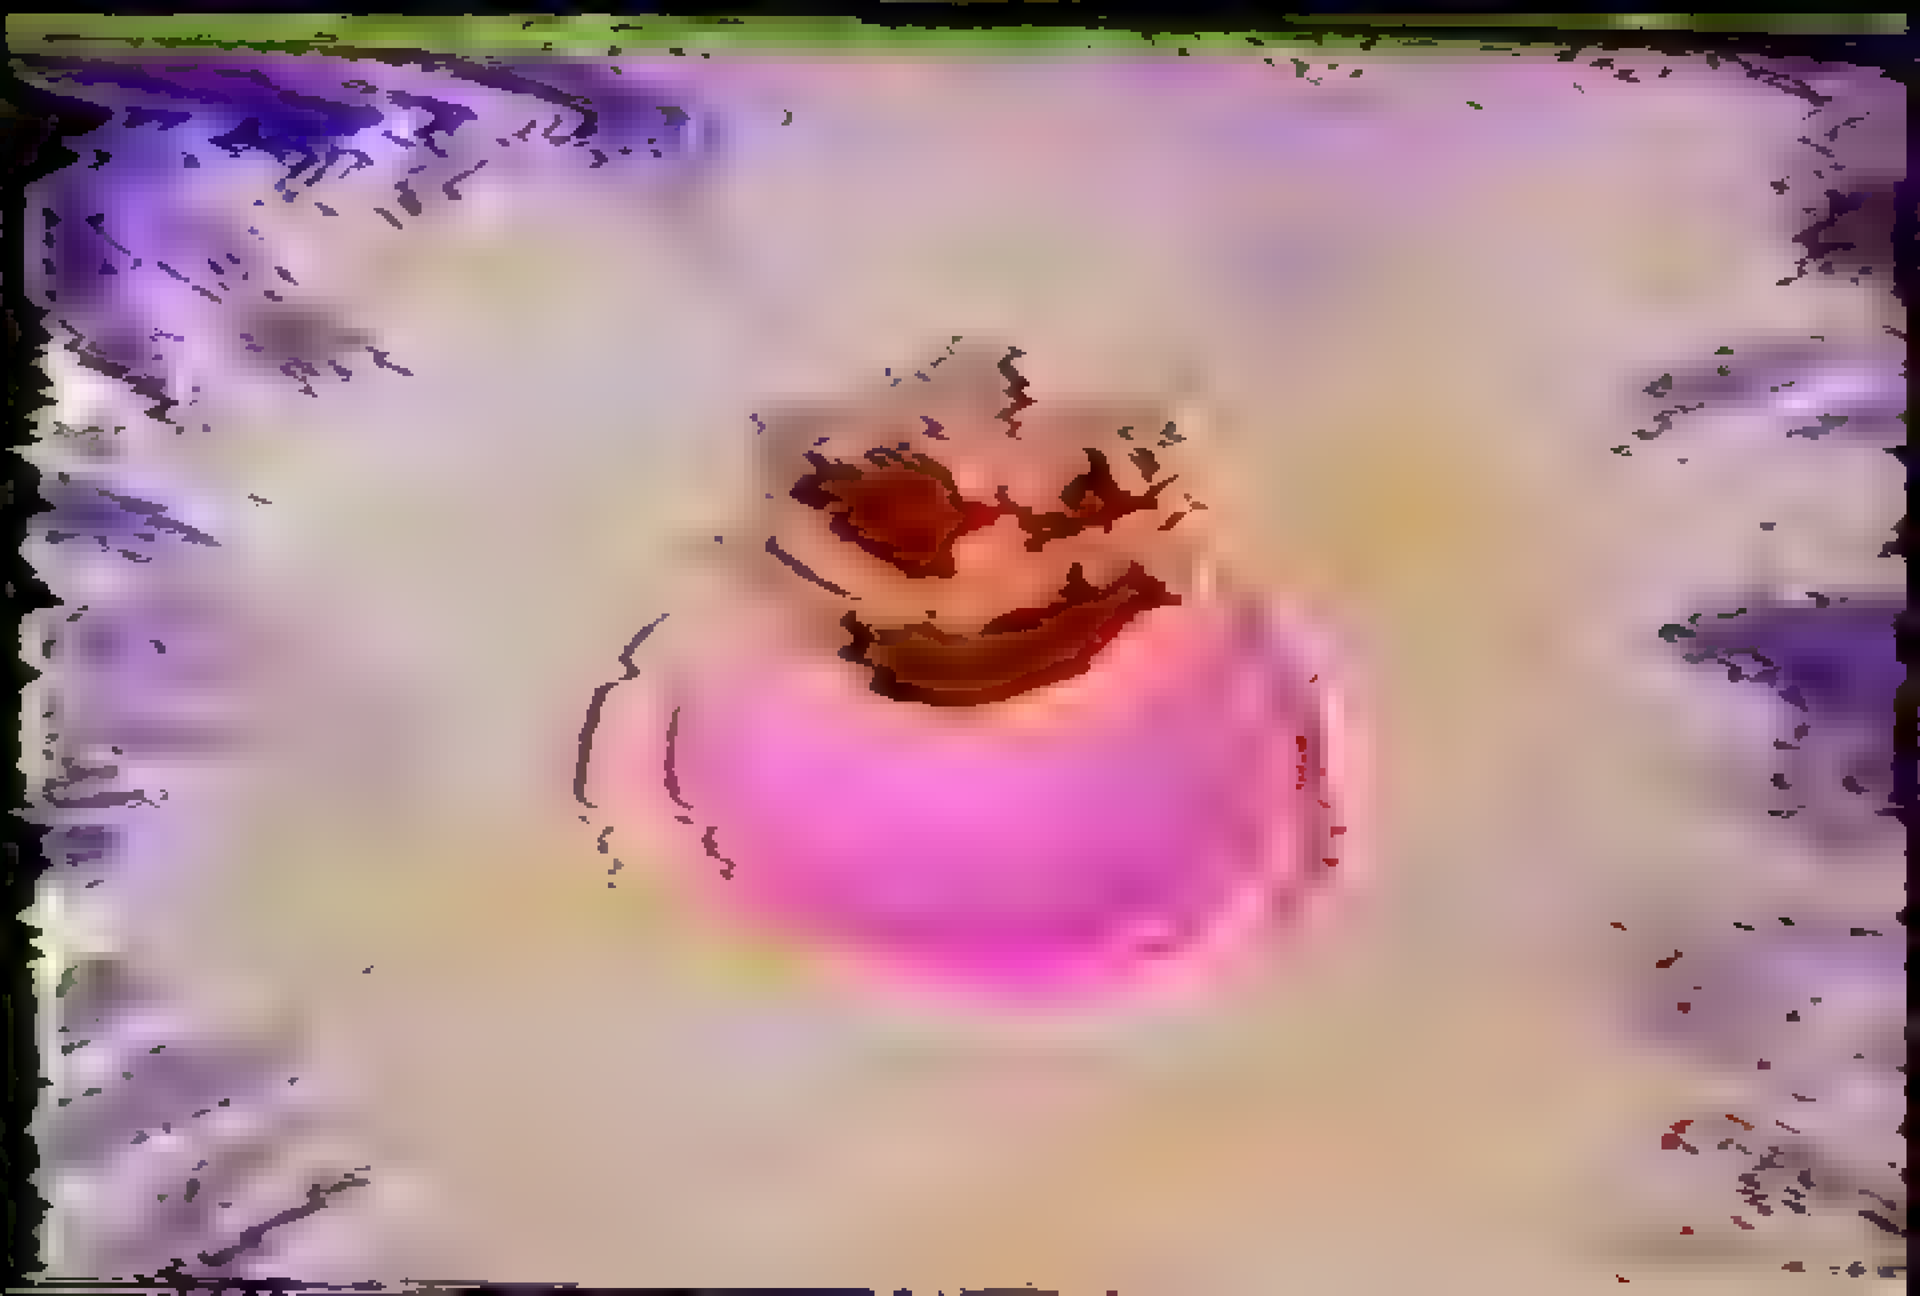

It's boring waiting until

Gohan, why don't you take a break

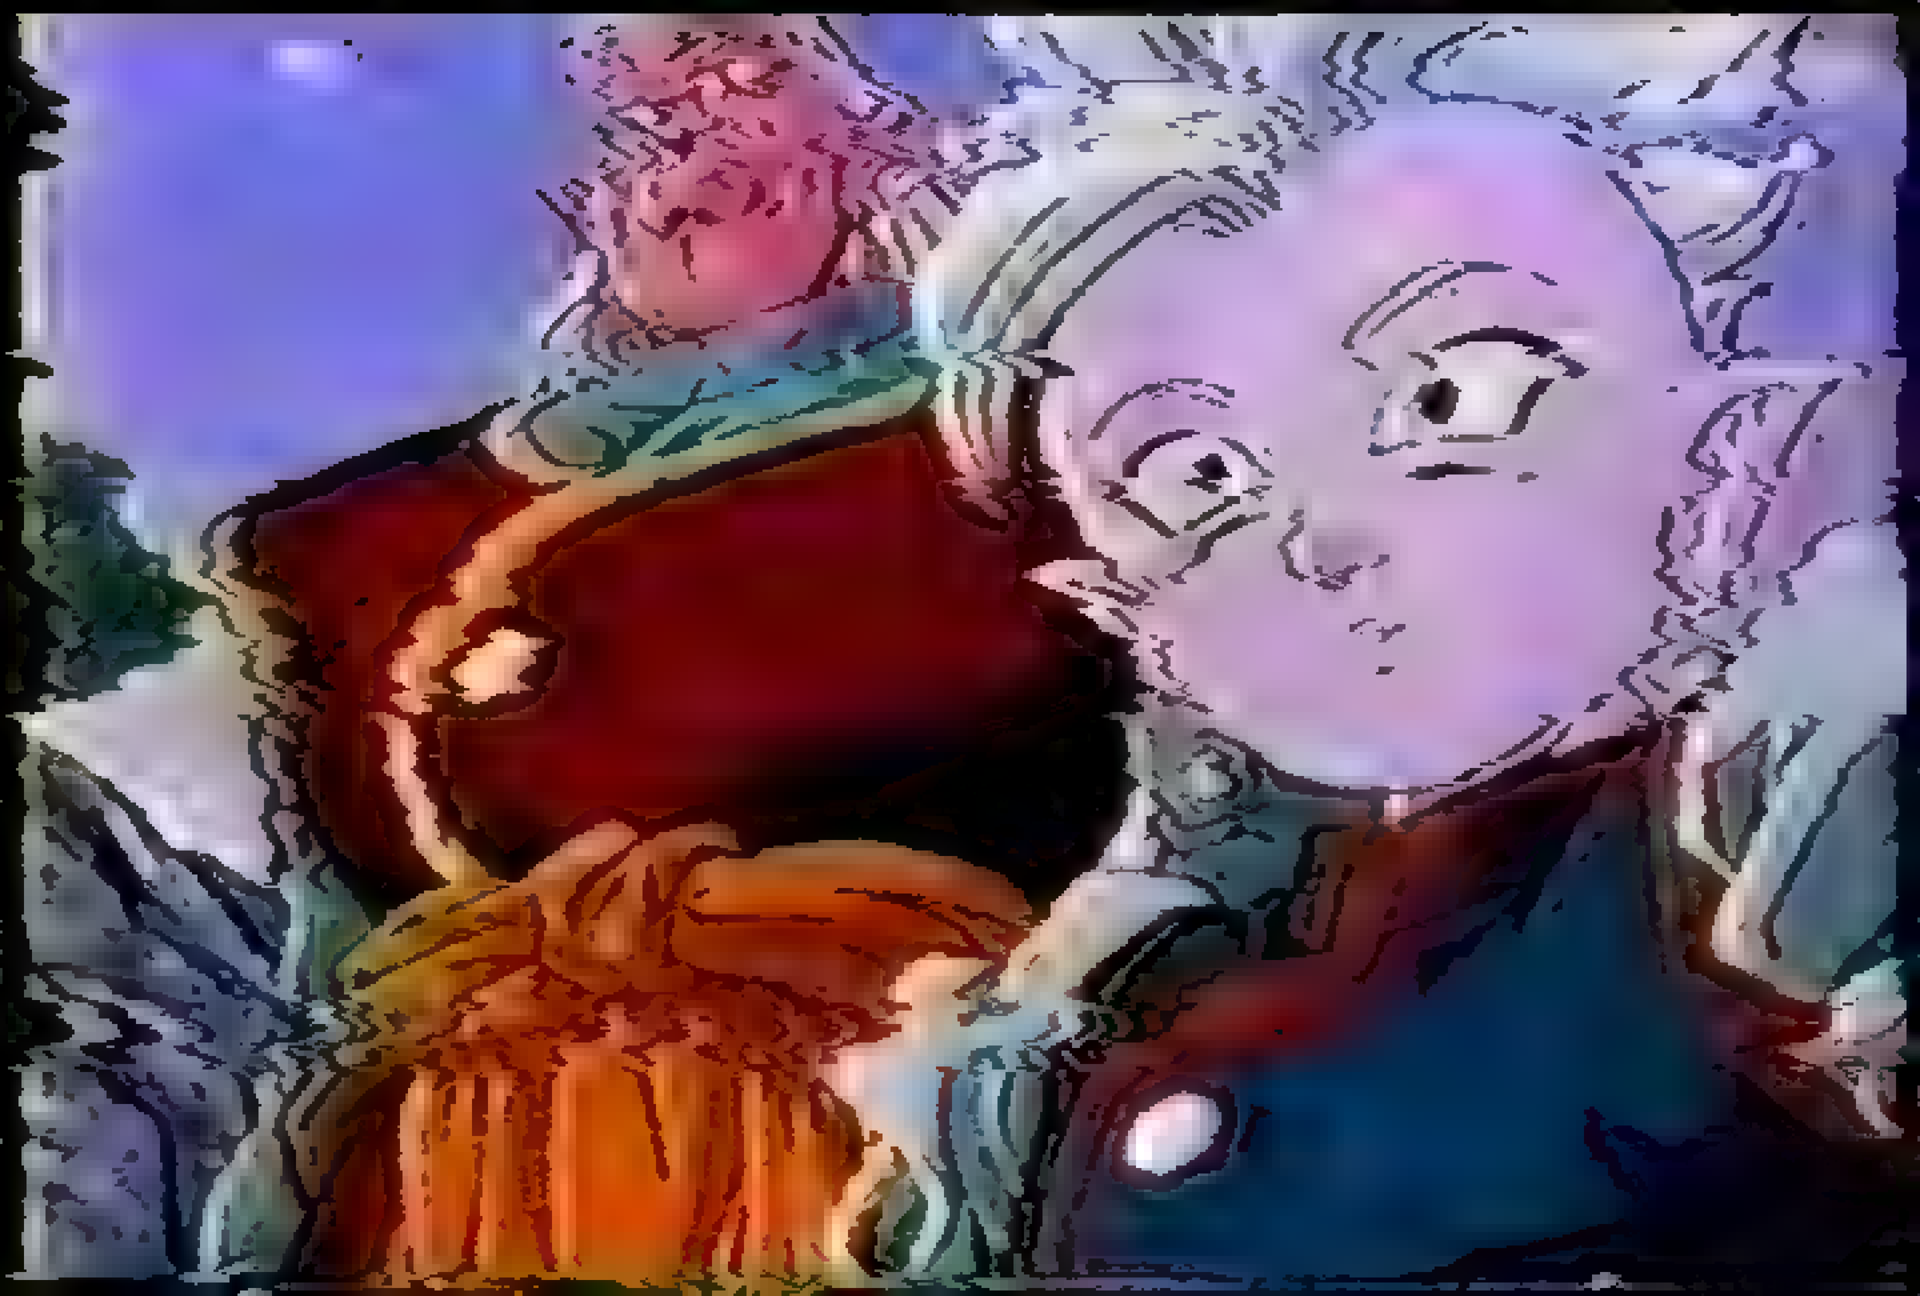

You've done more than enough
You've surpassed my wildest hopes

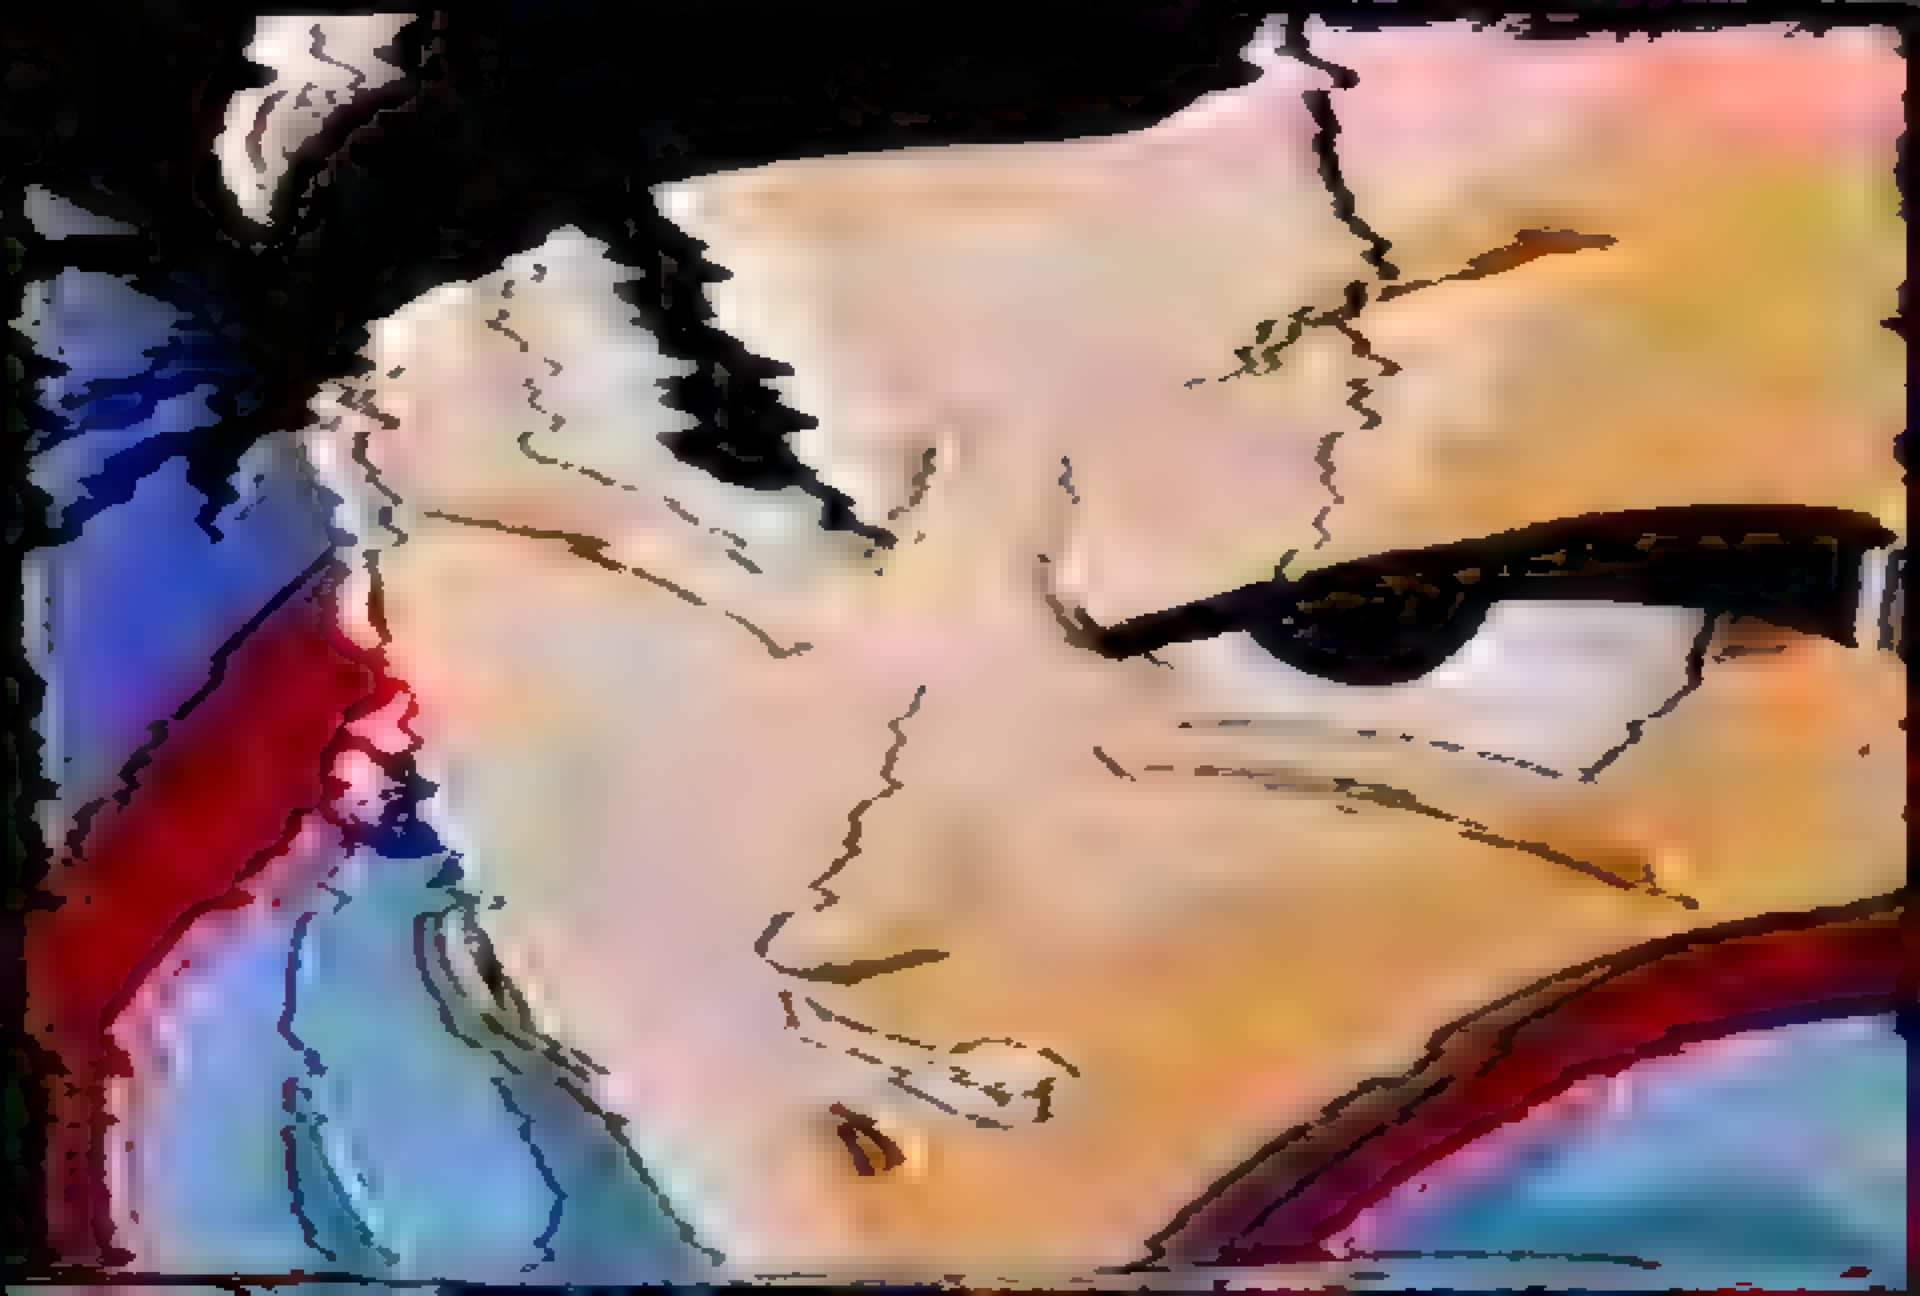

Father, you continued to train in the after-life

I need to catch up to you

First you have to stand a

With your arms pointing away
from each other, you get close.

You take about three steps like this

You also have to be careful
about the angle of your legs!

HA!

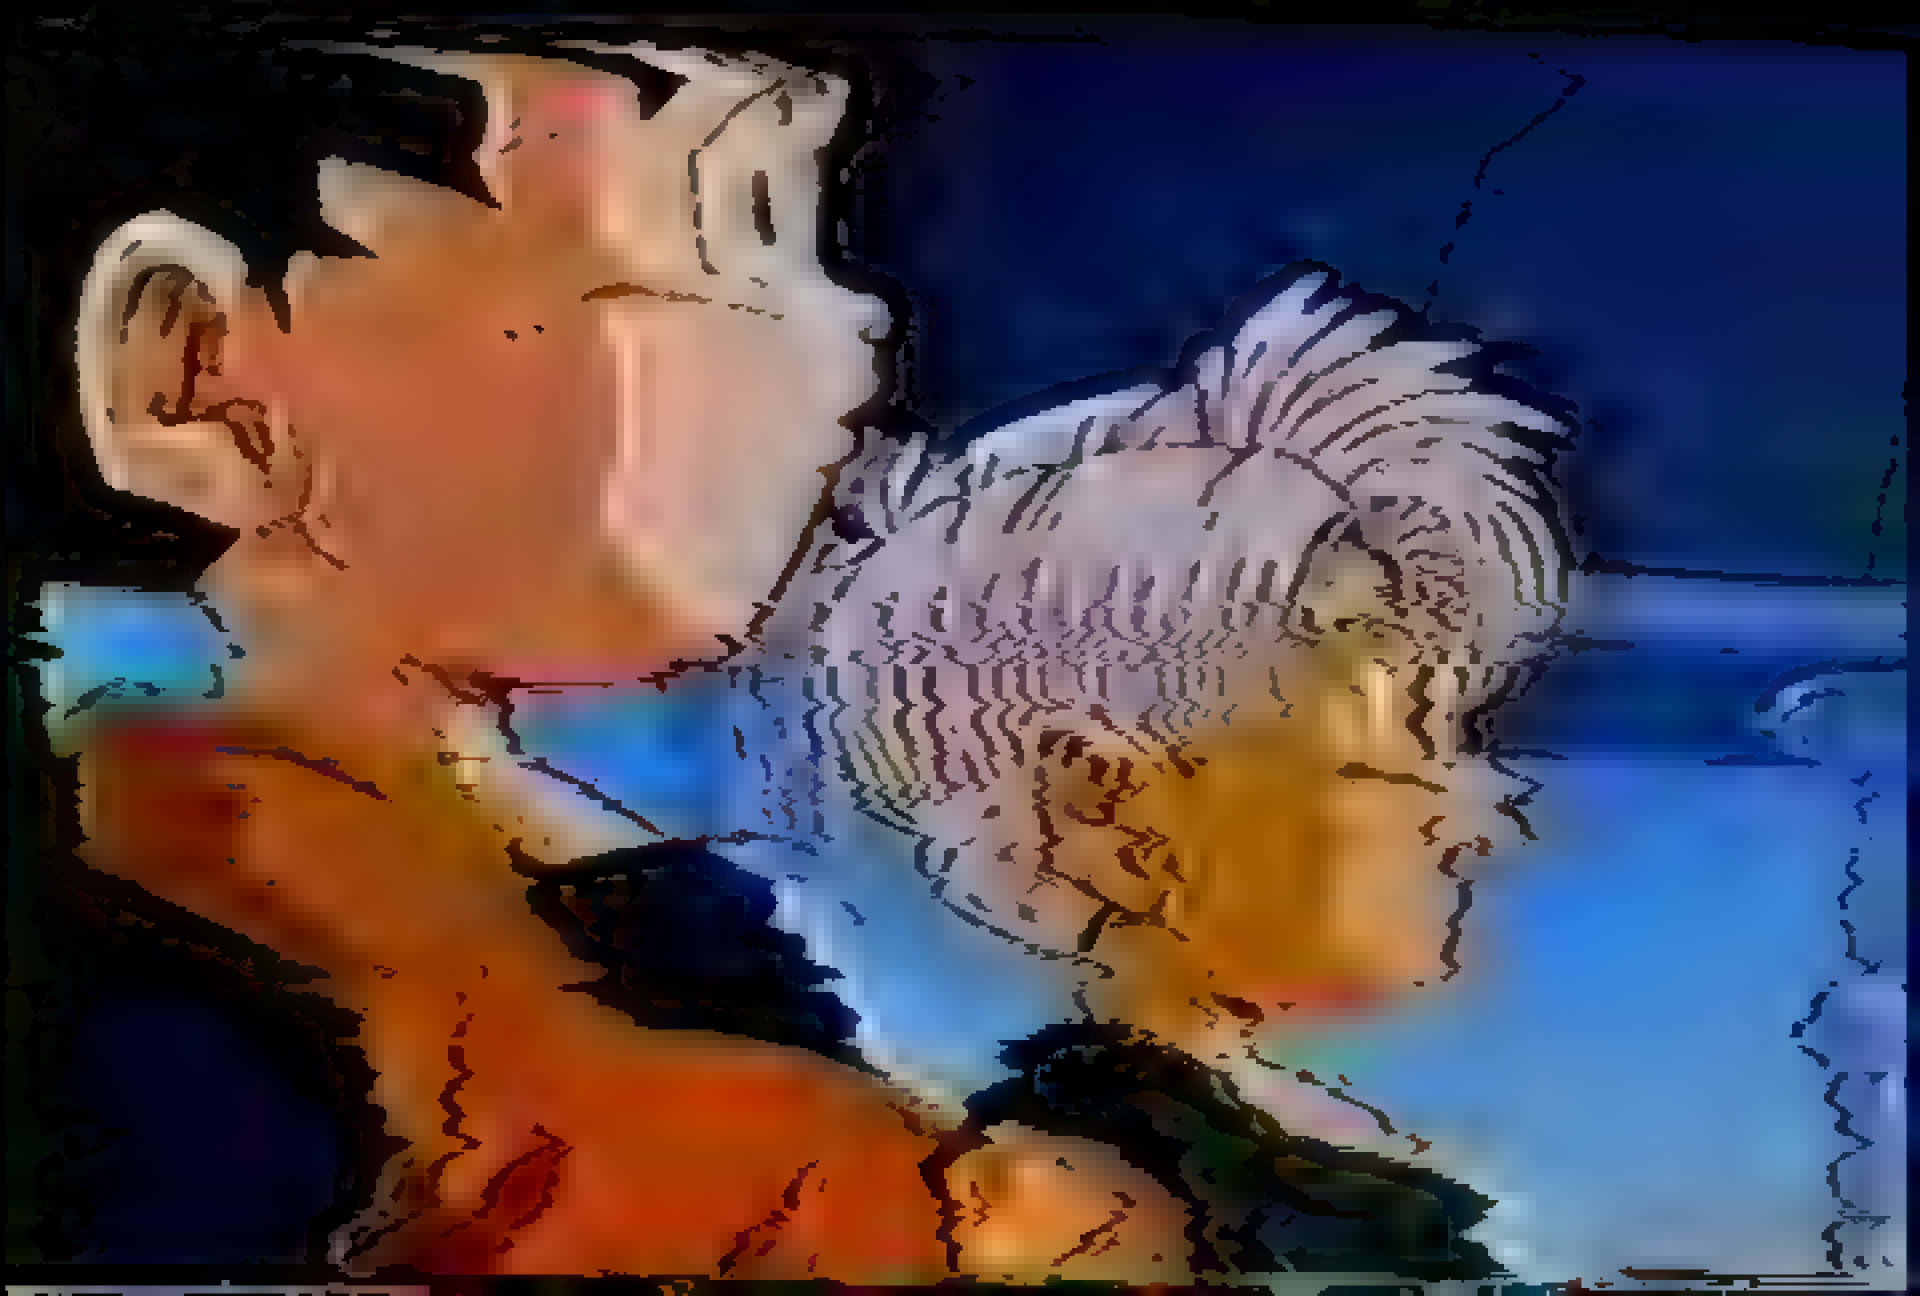

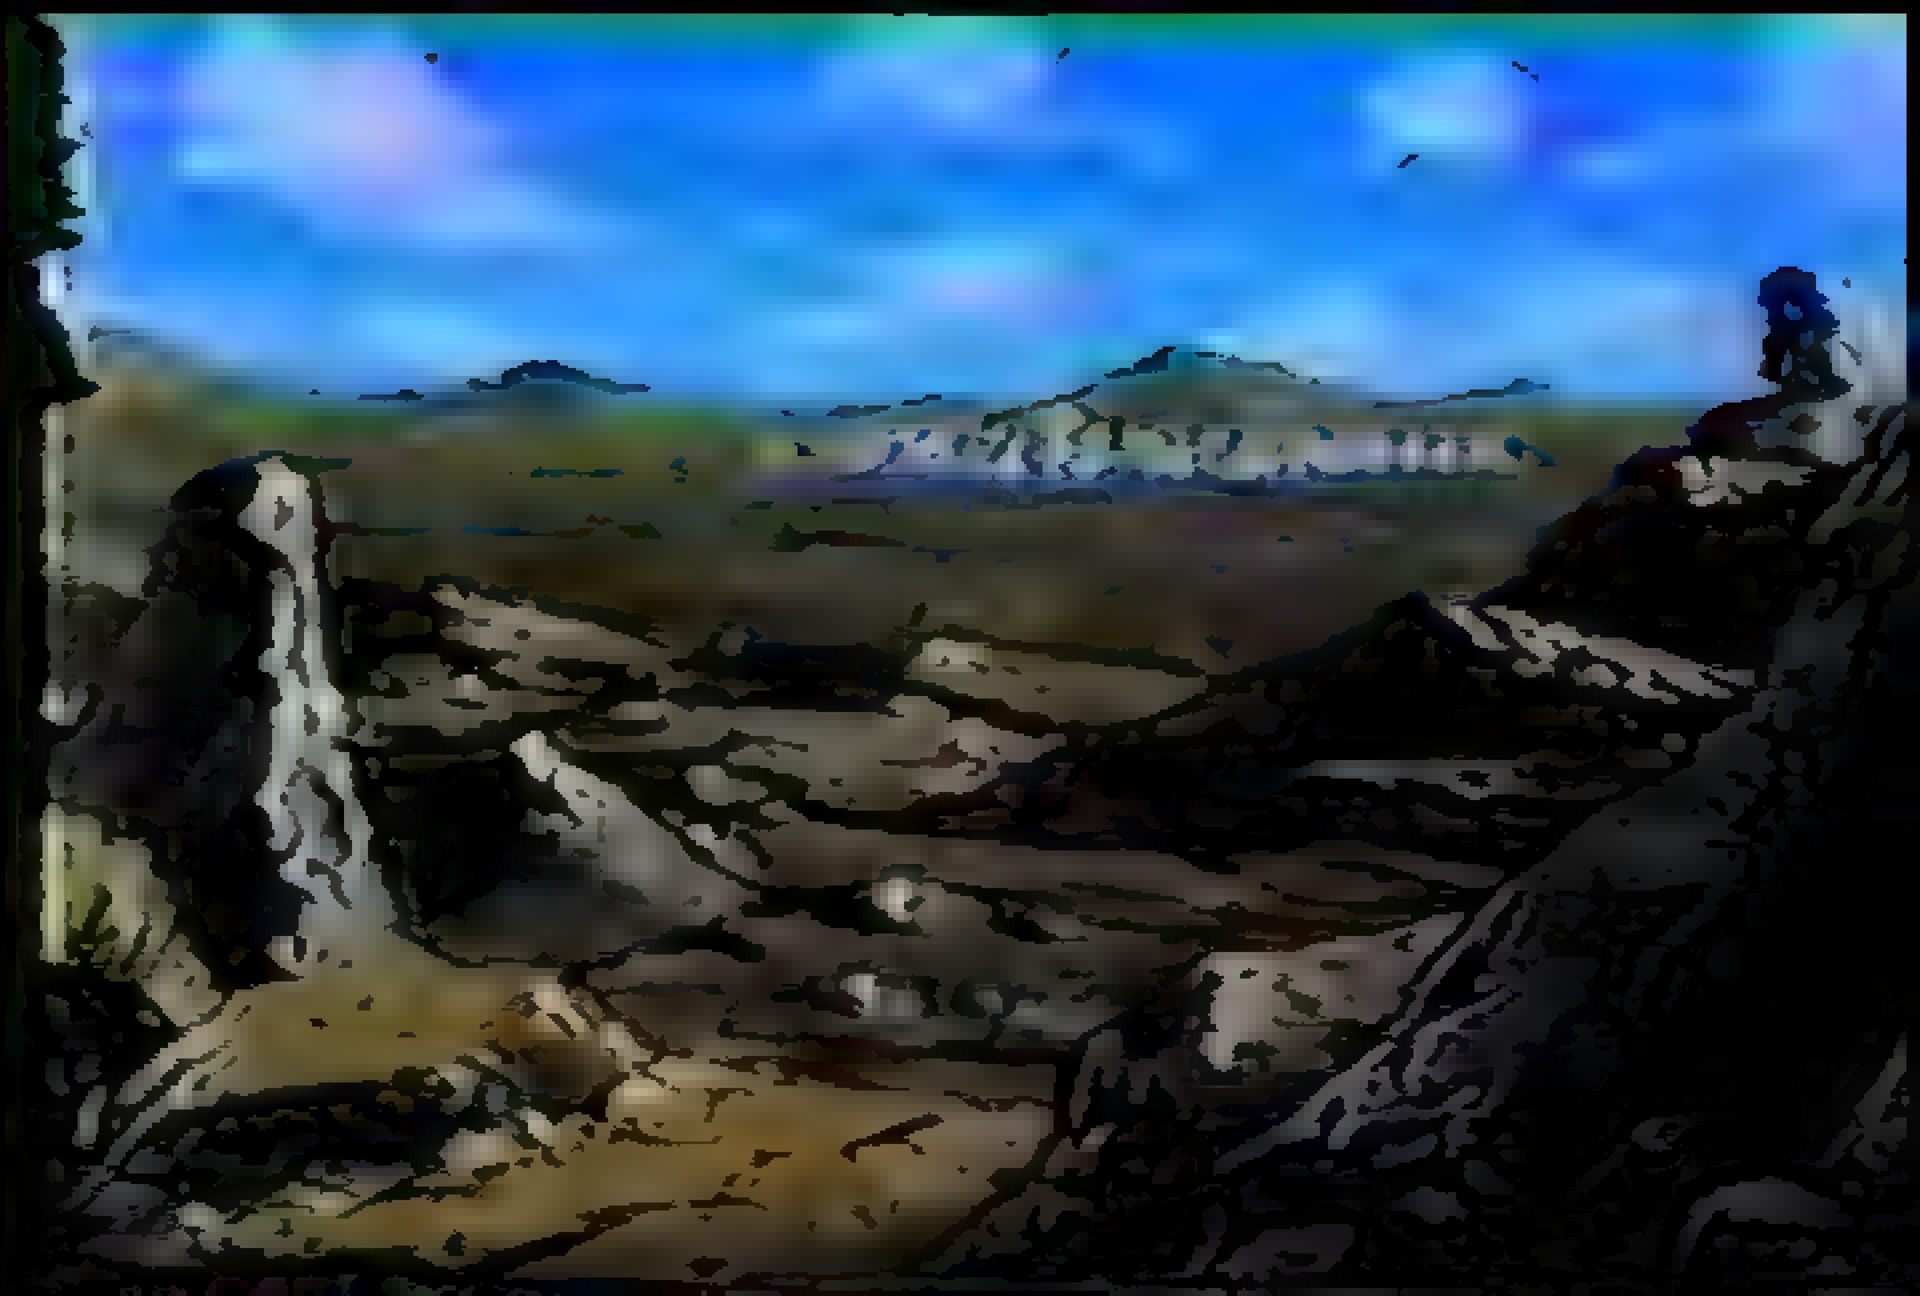

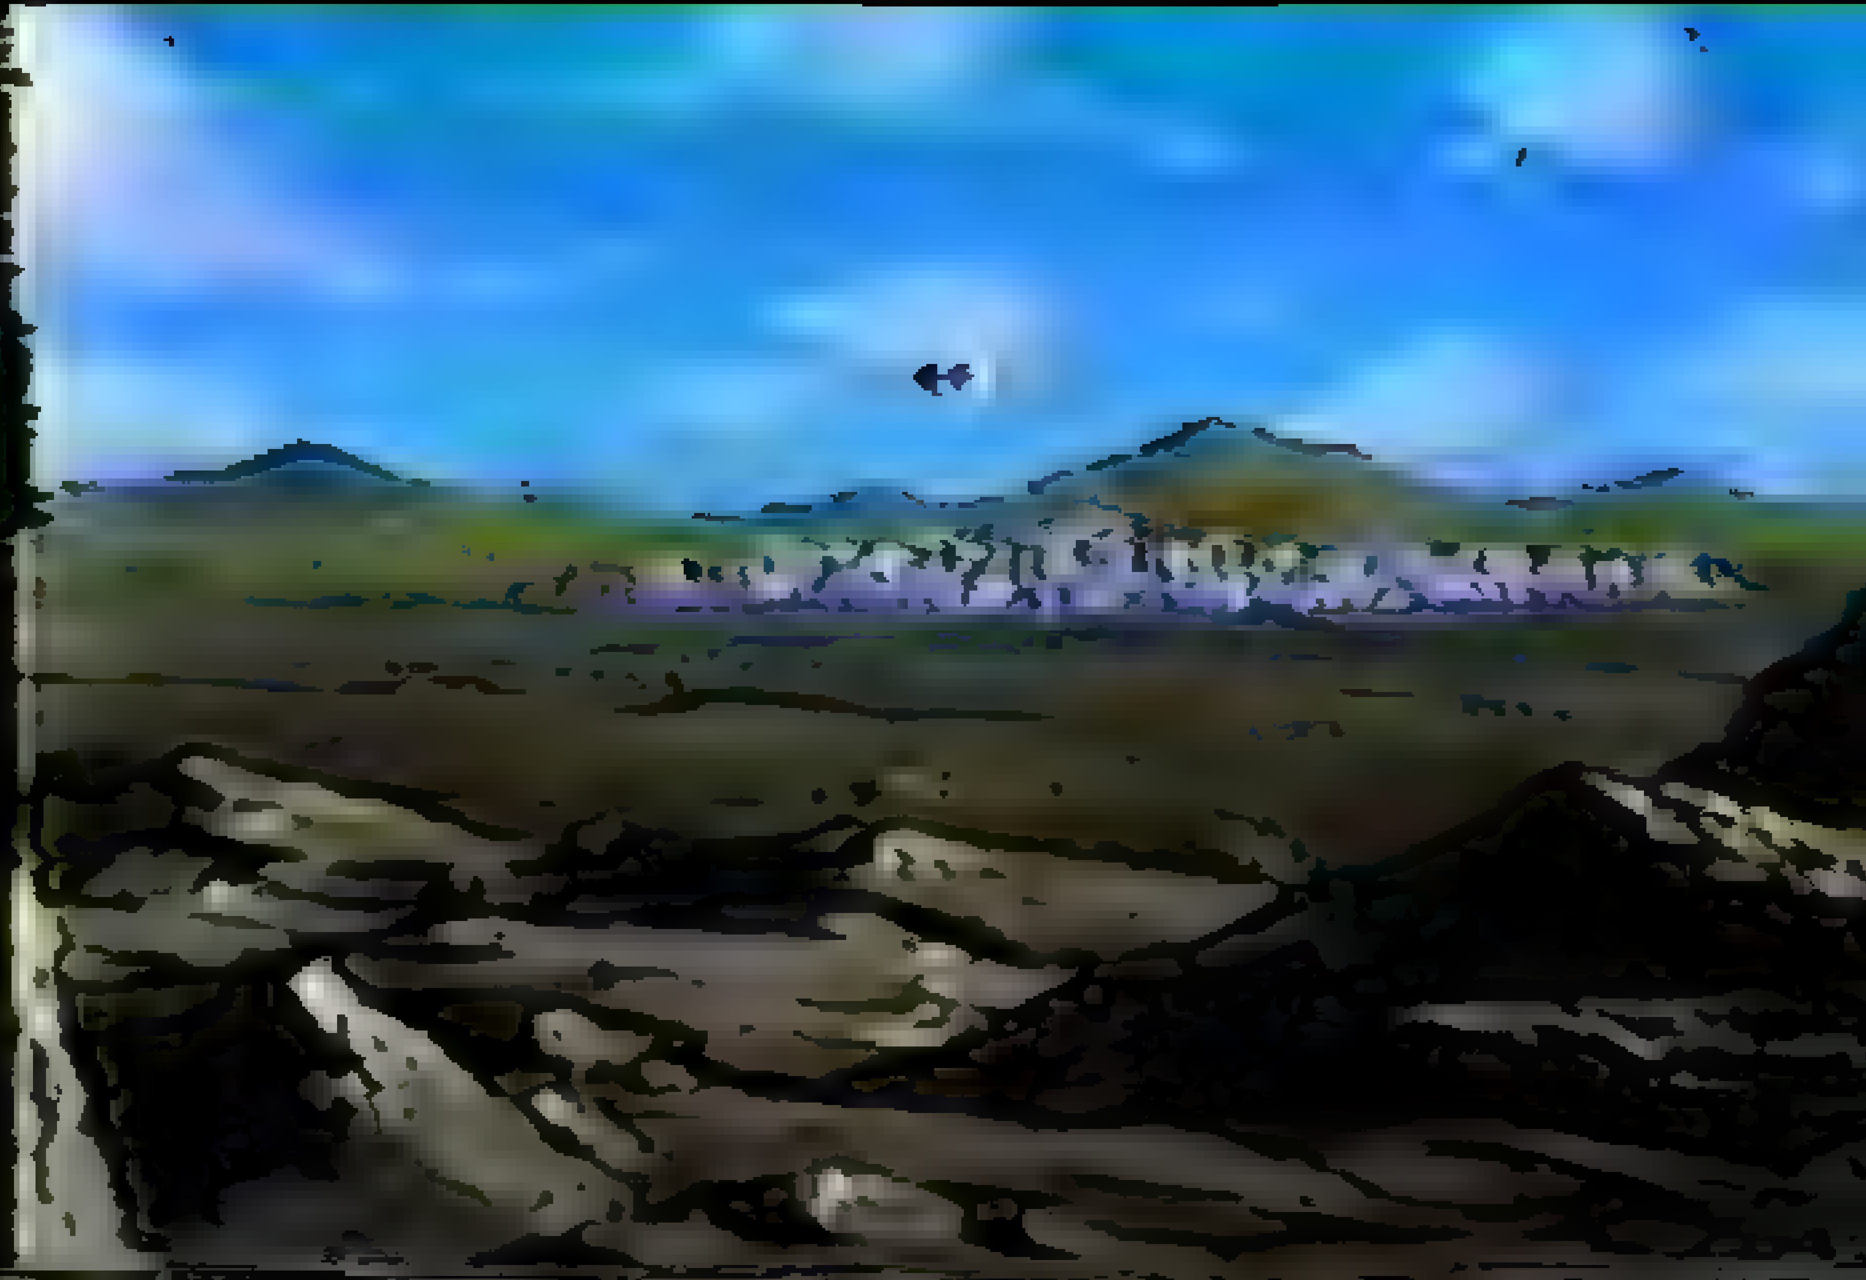

That looks bad...

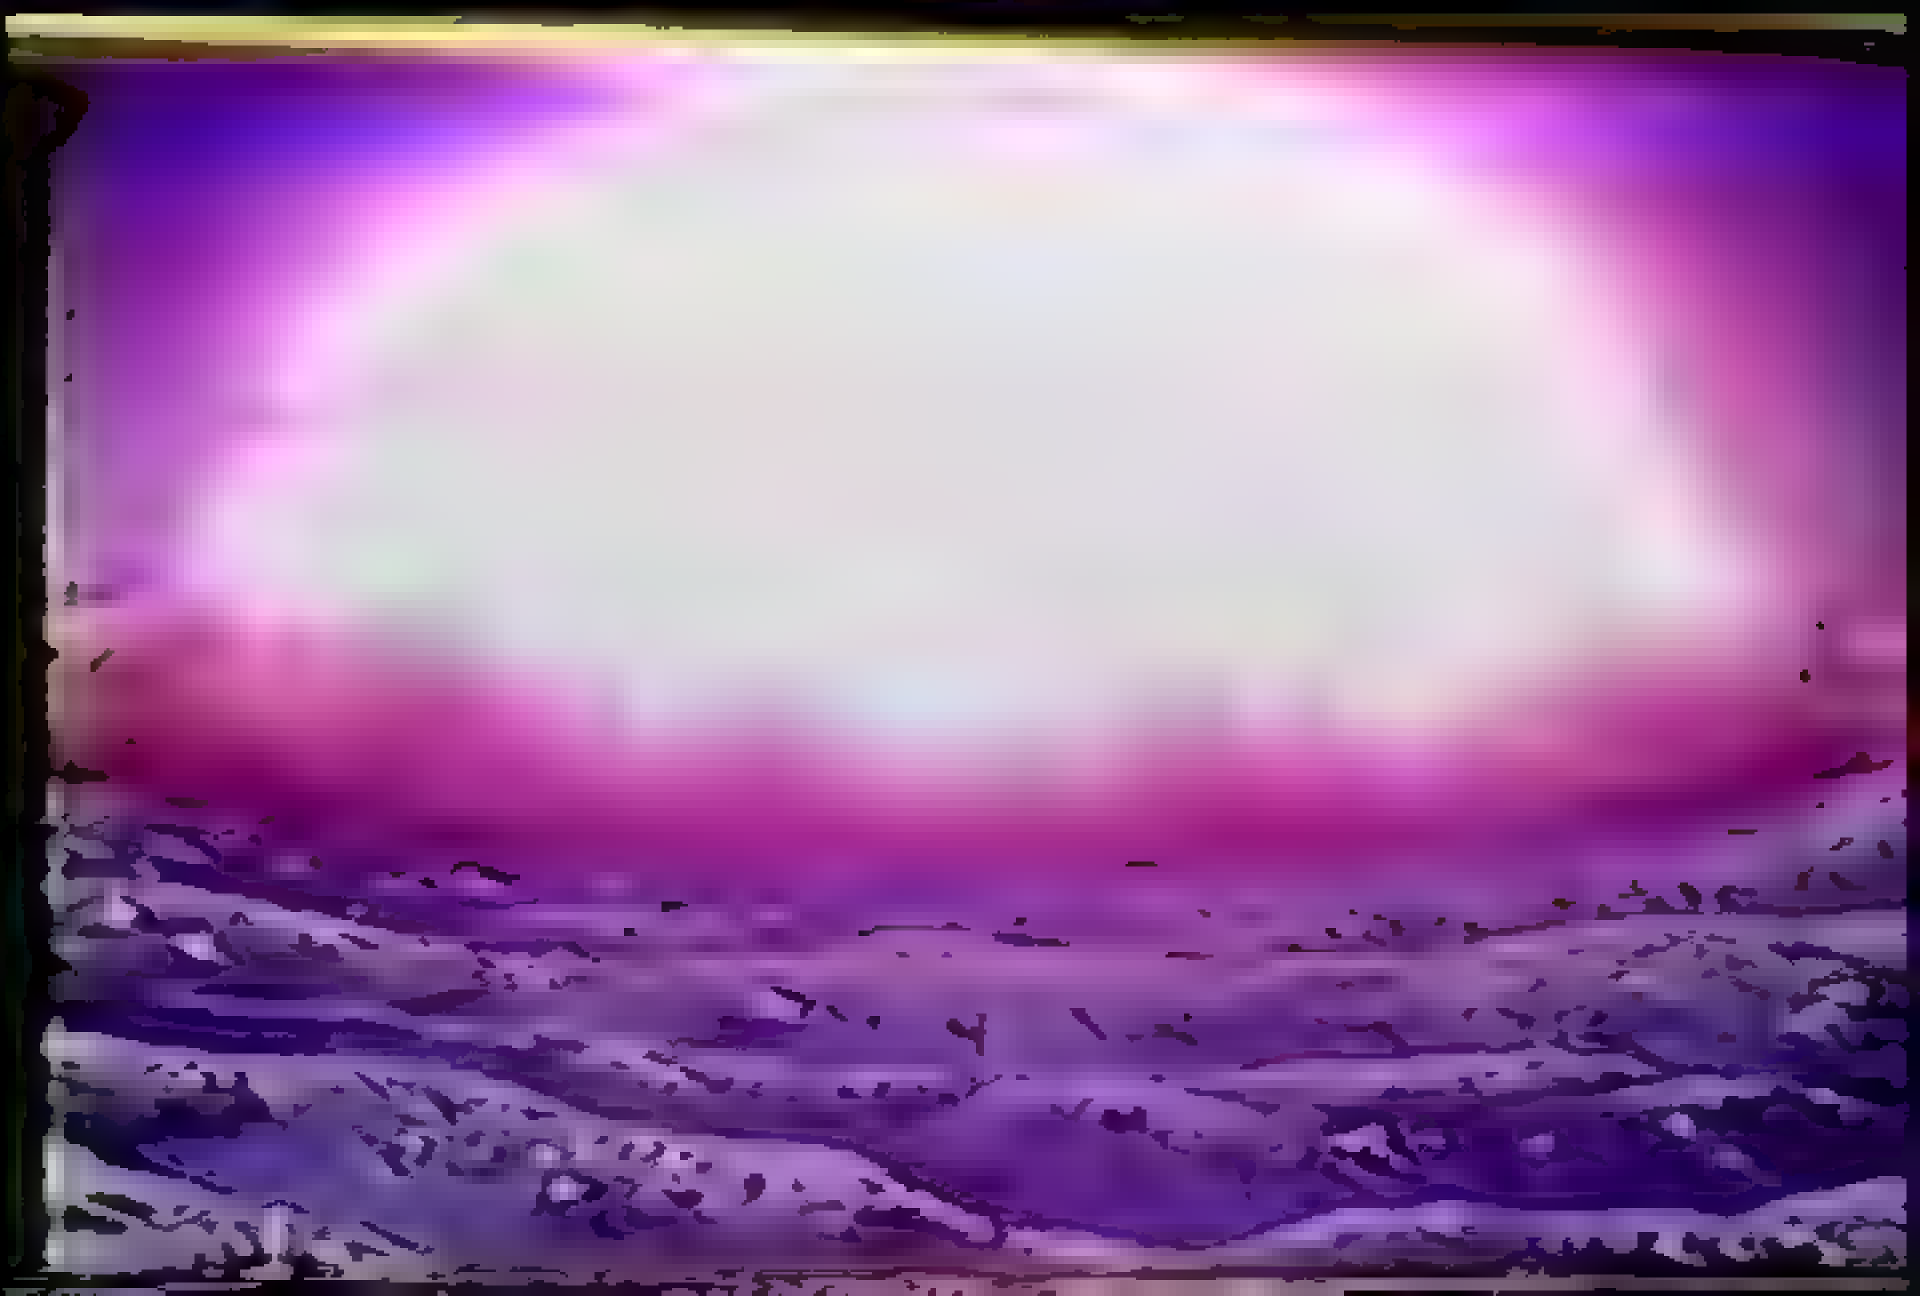

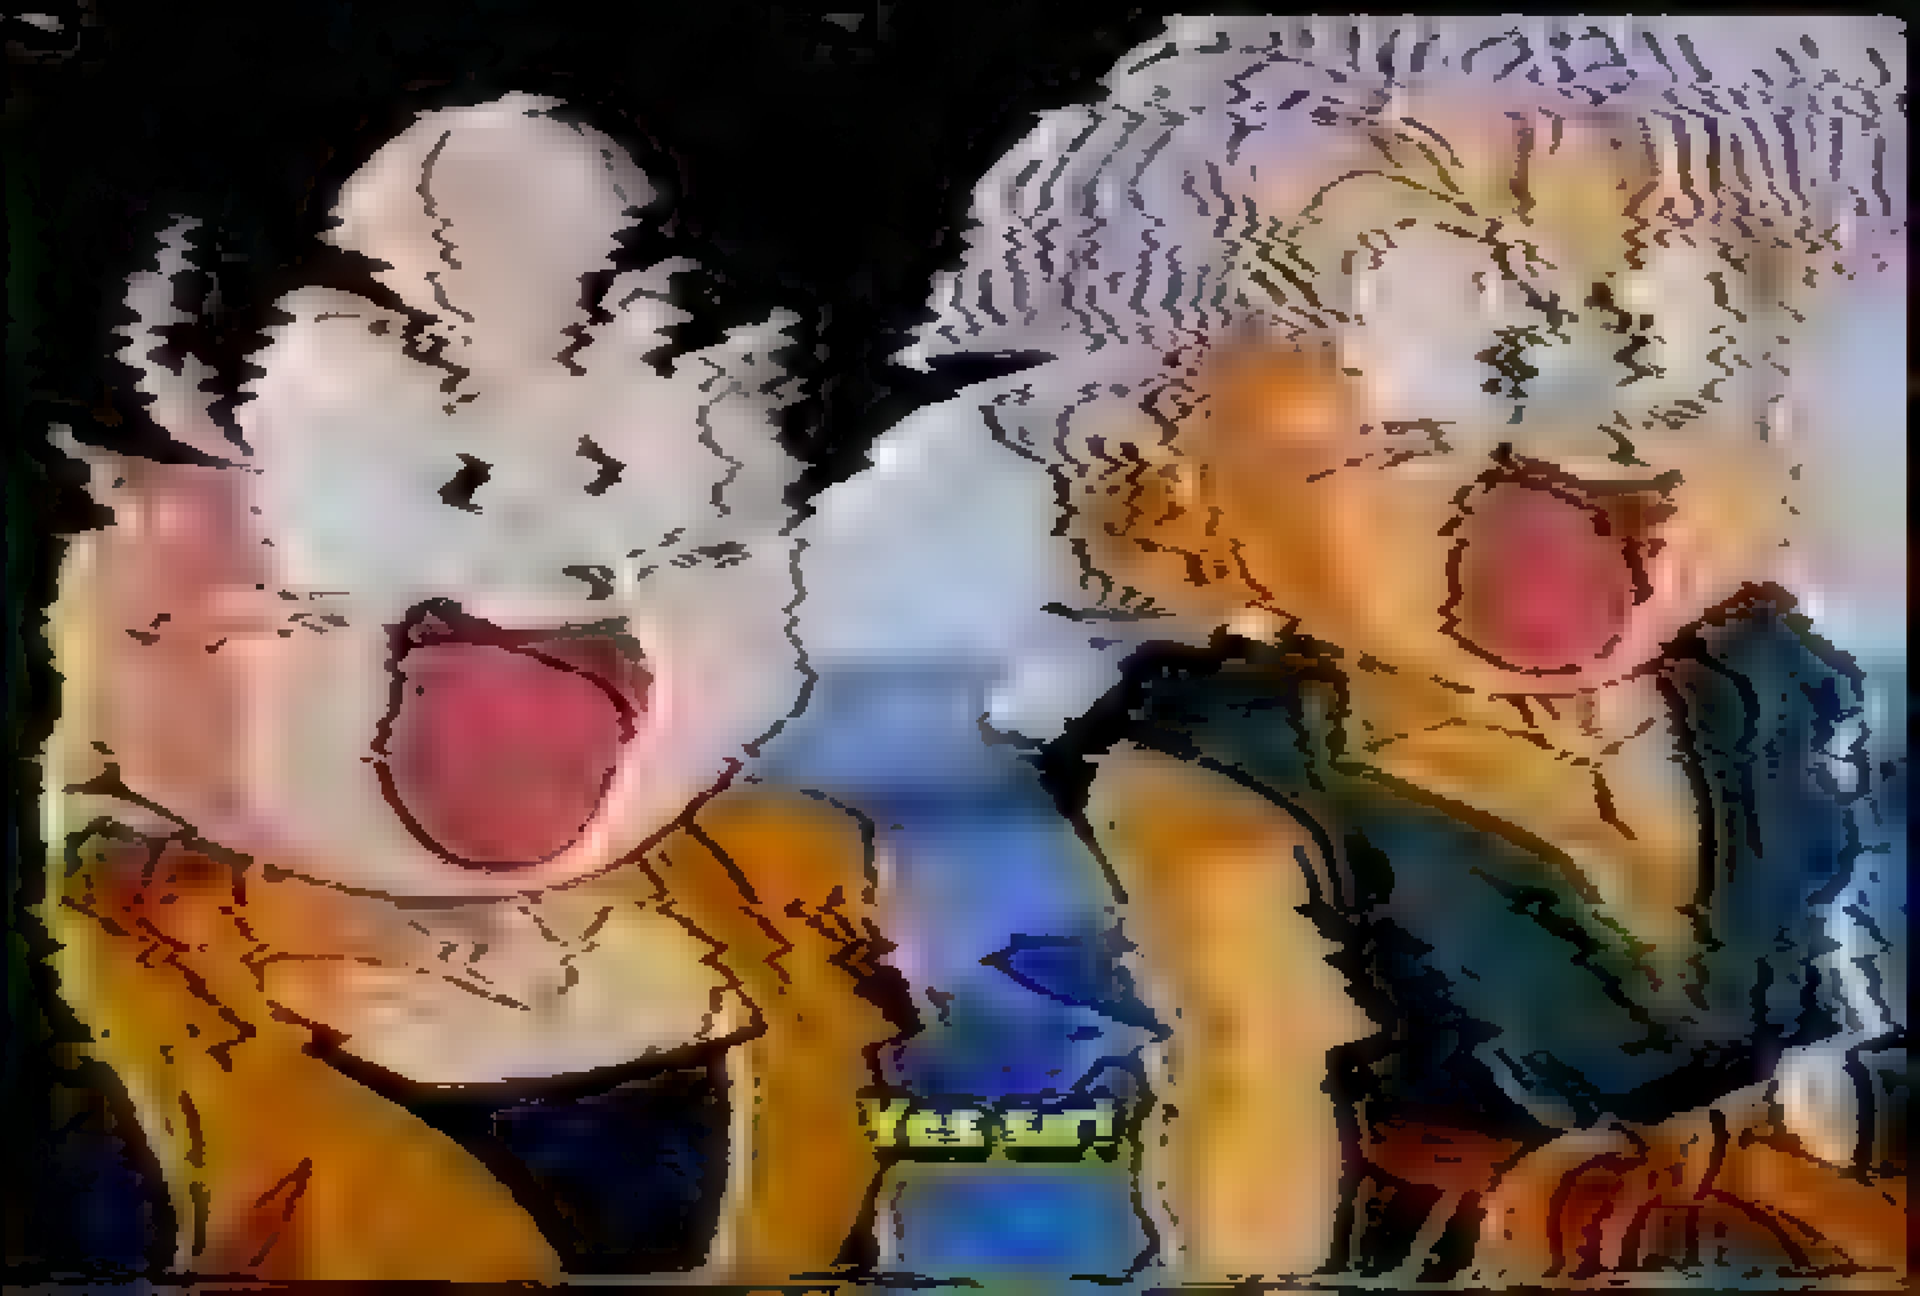

Now that he's lost his master, Buu's beginning
